PROBABLE CAUSE STATEMENT

[x] **Marsy's Law CVI**
FL. Const. Art.1 § 16(b)

On 10/21/2022 at approximately 1805 hours, I responded to the Palm Beach County Sheriff's Office (PBSO) Town of Lake Park substation located at 700 6th Street, located in Lake Park, Florida 33403 in reference to meeting with an adult aged female named [redacted] who had contacted emergency services (9-1-1) and requested to meet with a PBSO Deputy outside of the substation to have a PBSO report completed on a domestic violence incident that had occurred between her and her child's father named Joseph Morel the previous August at their residence located at [redacted] North, located in unincorporated Jupiter, Florida 33478. As I was en-route to the PBSO Town of Lake Park substation, I looked searched the previous incident that had occurred at the [redacted] North address as I had remembered having responded there in the past for a domestic violence incident, and discovered that I responded to said address on 11/25/2020 and had arrested a male named Joseph Morel for committing the criminal offense of domestic related aggravated battery and Witness tampering against his girlfriend [redacted] (Reference PBSO Case # 20-130628).

Upon my arrival to the PBSO Town of Lake Park substation, I made contact with an adult aged white female, who identified herself as being the complainant named [redacted], and who I remembered as being the female victim of the domestic violence incident that I had met with during the previous domestic violence incident that had occurred at the residence located at [redacted]. Upon making contact with [redacted], she informed me that her child's father named Joseph Morel, who I had previously arrested for having committed domestic related aggravated battery and witness tampering against her at their residence on 11/25/2020, had physically attack her again two months prior on 08/13/2022 and that she needed the incident documented in a PBSO report.

[redacted] then informed me that after the incident had occurred, she had gone to the courthouse, and had filed a request for a Temporary Injunction for Protection against Domestic Violence to be issued against him for her safety and the safety of her children, which was granted by the presiding judge at that time (Reference Court Case # 50-2022-DR-008228-XXXX-NB). She stated that after she had been granted the Temporary Injunction for Protection against Domestic Violence against Morel, she believed that she and her children were safe from him, until the previous day (10/20/2022) when she was summoned to the courthouse for a hearing in reference to him having filed an order to dismiss said Temporary Injunction of Protection against Domestic Violence that she had issued against him. She explained that after the hearing the presiding judge dismissed the Temporary Injunction for Protection against Domestic Violence that she had placed against him, at which time legal services advised her to report the domestic violence incident that had occurred between them on 08/13/2022 to the PBSO, so that an investigation could be conducted, while she attempted to have the injunction put back in place.

After [redacted] had finished telling me the non-detailed version of the domestic violence incident that she had alleged had occurred between her and Morel on 08/13/2022 and the legal situation that had occurred after it, I asked her to explain the incident to me in its full detail. [redacted] then explained that on 08/13/2022, she and Morel had been at their shared residence located at [redacted] when she informed him that she was taking their child to Orlando for the weekend to see her best-friend. She stated that after she had informed Morel of her plans to take their child to Orlando, he became enraged, and began yelling that she was not taking their child anywhere. She stated that Morel then walked directly up to her, grabbed her neck, and then continued to yell at her. She stated that when she attempted to get away from Morel's grasp, he prevented her from doing so, by placing his body in-front of her, as well as pushing her backwards. She explained that the only reason that Morel had not continued the physical attack, was because she began to yell for her mother to help her, who immediately responded to her yell for help by traveling to their location in the residence, and forcing Morel to let her go.

After [redacted] had finished telling me the detailed account of the incident, I asked her if she had any surveillance camera video footage of the incident or any other evidence that could prove her account of the incident as being factual, at which time she replied that she did. She then pulled out her cellphone and began to play a surveillance camera video, which was dated 08/13/2022, and time stamped for 1502 hours. As the surveillance camera video played, it showed [redacted] picking up her infant child from a playpen inside of residence, at which time an adult aged white male aggressively approached her and grabs her by the left side of neck, which was timestamped at 15:03:14. [redacted] is then showed attempting to push away from the adult aged white male, at which time he grabbed her right arm and forcefully pulls her towards his body, while appearing to be yelling at her, which was timestamped at 15:03:15. As the surveillance camera video continued to play, it showed [redacted] attempt to walk around the adult aged white male approximately three times, but he refused to allow her to do so by continuing to place his body in-front of her, while also appearing to continue to be yelling at her. The surveillance camera video then showed an only white female approach [redacted] and the adult aged white male, at which time the adult aged white male finally allowed [redacted] to walk away from him. It should be noted that as I was reviewing the surveillance camera video, [redacted] confirmed multiple times for me that the adult aged male in the video was her child's father Joseph Morel.

After I had finished reviewing the surveillance camera video of the incident that domestic violence incident that had occurred between [redacted] and her child's father Joseph Morel on 08/13/2022, I determined that probable cause exist to arrest Morel for having committed the criminal offenses of Simple Battery (Domestic Related) – 784.03(1)(a)(1) and False Imprisonment – Florida State Statute 787.02 against [redacted], due to the fact that said video clearly showed Morel grab [redacted] neck and arm against her will, as well as the fact that said video showed Morel refusing to allow [redacted] to walk away from him by placing his body in-front of her path multiple times, which only stopped once [redacted] mother intervened.
