The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody

☐ committed the below acts in my presence.
☐ confessed to _____ admitting to the below facts.
☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.
☑ was found to have commited the below acts, resulting from my (described) investigation.

On the 30TH day of July 20 26 at 2311 ☑ A. M. ☐ P.M. (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On July 30th 2026, at approximately 2311 hours PBPD communications advised of a hit and run, in the area of Ibis Isle. Upon my arrival, I was met by Robert Dou glas Duff (DOB 07/31/1989) who advised me he observed a gray Bentley strike another vehicle and continue driving. Duff stated that prior to the crash he observed the driver of the gray Bentley on the side of the road vomiting. Duff then proceeded to advise me that the Bentley was now in front of 2170 Ibis Isle with the driver he observed still in the vehicle driver seat. I made contact with the male driver of the gray Bentley with heavy front end passenger side damage bearing FL tag 16FTKB. He was identified as Joshua Yuri Katz (DOB 06/19/1999, W/M). I then went to observe the vehicle which was struck which was a black SUV bearing FL tag 1378AX which had damage to the left driver side rear consistent with the damage to the Bentely. Upon my return to Katz he was observed with vomit on his clothing and was unsteady on his feet. I then advised him that we would now be ceasing the crash investigation and beginning a DUI investigation.

Katz agreed to conduct standard field sobriety tests and the results are as follows.

Sgt. Augustin explained and demonstrated the Horizontal Gaze Nystagmus Test to Katz, to which he stated he understood the instructions. Katz showed lack of equal pupil size, lack of smooth pursuit in both eyes, and onset of Nystagmus prior to 45 degrees in both eyes. Katz was also checked for resting Nystagmus, and none was observed.

Sgt. Augustin explained and demonstrated the Walk-and-Turn test, to which he stated he understood the instructions. Katz did step off the line, use his arms to balance and did not touch heel to toe. During the balancing and counting stage Katz was swaying while balancing, using his arms to balance and was continuously putting his foot down numerous times.

While at The BAT Katz did provide 2 breath samples the 1st being .196 and the second being .212.

Due to the fact that Katz was found in the driver seat with possession of the keys to the vehicle and was identified by a wheel witness as well as my observations during the Field Sobriety Tests, I found Probable cause to charge and arrest Katz, Joshua with Driving Under the Influence .15 or above, Pursuant to F.S.S 316.193.4 as well as leaving the scene of a crash pursuant to F.S.S 316.036 (1)
