**Probable Cause**

On Wednesday, May 22nd, 2024, at approximately 10:58 P.M, I was dispatched to a four-vehicle traffic crash on southbound Interstate 95 (State Road 9), south of County Road 792 (Woolbright Rd), to assist Trooper Jonathan Zimmerman (ID #5061). Upon my arrival, I observed a white in color Audi Q3 displaying a Florida tag number of JBMU74, a black in color Ford Expedition displaying a Florida tag number of QFDV17, and a white in color Subaru Outback displaying a Virginia tag number of TPY2187.

Trooper Zimmerman then spoke with a witness (Ms. Youlande Levy Moore who was identified by her Florida Driver's License) who observed the incident and provided a written statement which stated the following:

"While driving southbound on I-95 in the far-right lane (farthest west lane). I witnessed a white Audi speeding at an excessively fast speed approaching from behind in the third middle lane on I-95 southbound. While the Audi sped past me in the middle lane she weaved into traffic trying to change lanes at which time the driver lost complete control of the vehicle, striking the car closest. The impact on the black SUV caused by the Audi then collided into another car. In total, four cars were involved in the accident, including the white Audi plate number JBMU74, which, in my observation, caused the accident. While the black SUV spun and stopped in the middle of the highway other cars slowed down as to not collide into any vehicles. I remained in my car and contacted the emergency, while on hold I got out of my car and crossed the highway safely to check on the white Audi driver. There were three other male bystanders that also checked to make sure the driver was not injured and didn't need any help. I witnessed the white female asking a bystander if he has anything to cut something with. He said he did not have anything. She appeared to be fumbling with something in the steering wheel area of the car. The female seemed to not have any visible injury but was holding a make up brush in her left hand all while fumbling for something in her car.
Vehicles involved:
White Audi (License plate: JBMU74) – suspected cause of the incident
Black SUV – impacted by the white Audi
White Subaru – impacted by the black SUV
Unclear as it was dark and that driver drove away after a while – Fourth car left scene.
Additional Information:
Weather conditions were dry, the female passenger of white Audi had long brown hair and was wearing light color pants, and a light shirt perhaps white or beige. No passengers in the Audi and both airbags were deployed. Driver did not appear to be visibly injured.
Behavior of the driver was nonchalant as she did not appear to be shaken or startled and seemed to

not need help.
Black SUV appeared to be an uber driver as the passenger in that car was seen on the far-left shoulder with luggage. The passengers in the Subaru were not injured."

The driver of the white Audi (who was later identified by her Florida Driver's License B245438899130 as Ms. Julia Valerio Backlund with a DOB of 11/13/1989) was transported to Bethesda East Hospital by Boynton Beach Fire Rescue 104 (Run number 24-007032). I then responded to Bethesda East Hospital to check on injuries of Ms. Backlund. Upon my arrival at the hospital, I made contact with Ms. Backlund in which she advised she was not injured from the traffic crash. I observed Ms. Backlund's eyes to be glassy and watery. She advised me she was traveling southbound on Interstate 95 when suddenly she felt an impact. While speaking with Ms. Backlund, I was able to detect an odor of an unknown alcoholic beverage emitting from her breath, as well as when she spoke, her speech was very slurred. I then advised Ms. Backlund I was concluding the crash investigation and I would now be conducting a criminal investigation for DUI (Driving while under the Influence). I then read Ms. Backlund her Miranda Warning rights. She stated she understood. I asked her if she was willing to speak with me. She stated she did not want to. I then spoke with the Bethesda Hospital Staff to see if she would be medically discharged within four hours of the time of the crash. I was advised she would not be medically discharged within the four hours. Due to the fact that the voluntary Standardized Field Sobriety Exercises and the Breath Alcohol Test would be impractical, I then requested Ms, Backlund to submit to a blood test to determine the alcohol content. She refused. Florida Implied consent was read. She stated she understood. I asked her if she still refused to submit to the blood test. She stated she still refused.

Ms. Backlund refused to submit to the blood test to determine the alcohol content within her body at 12:46 A.M on May 23, 2024. After refusing to submit to the blood test, the Bethesda East hospital staff advised me that Ms. Backlund was going to be medically discharged. While inside the hospital room, Ms. Backlund continued to yell and cry, causing a loud commotion within the hospital. She was then advised to cease the screaming as it was interrupting the work flow within the hospital. She then continued to act erratic and attempted to walk outside her hospital room. Trooper Zimmerman and I both advised her on multiple occasions to stay inside her room and stay seated. Ms. Backlund continuously attempted to exit the room. Trooper Zimmerman then gave Ms. Backlund a lawful command to get back into her hospital room and sit down on the bed. She refused to walk back in her room and sit on the hospital bed. Trooper Zimmerman then attempted to escort her back into the room. Ms. Backlund then began to physically force herself in place while Trooper Zimmerman attempted to escort her into the room. Trooper Zimmerman and I then gained control of her arm and escorted her back inside the hospital room.

Based on the evidenced collected though my investigation and the totality of the circumstances, I determined that there was probable cause to believe that Mr. Backlund committed the offense of driving under the influence and by being in actual physical control of the vehicle while under the influence of alcohol, and or any chemical substance, and or any controlled substance while his normal faculties

were impaired.

After being medically cleared from Bethesda East, the defendant was then placed under arrest for DUI at 01:07 A.M. She was then placed into an FHP marked patrol vehicle and was transported to the Palm Beach County Jail where she was booked without further incident and charged with the following:

Violation of F.S.S 316.193.3.C.1 - DUI Crash Involving property damage or personal injury

Violation of F.S.S 316.1925.1 – Careless Driving

All the above events occurred within Palm Beach County, State of Florida.

The incident was recorded with my In-Car Camera (FHP3464) which will be made available upon request.
