PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody . . .

☒ committed the below acts in my presence.
☐ confessed to _____ admitting to the below facts.
☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 4 day of January, 2026 at 01:50 (Specifically include facts constituting cause for arrest.)

On 01/04/2026 at approximately 0150 hours, this Officer was stopped in the outside left-hand turn lane of PGA Blvd to travel south bound on N Military Trl, PBG, FL and observed a vehicle traveling at an increased rate of speed west bound in the outside through lane. Body worn camera and in car video were used.

This Officer visually estimated the vehicle to be traveling approximately 60 MPH in a posted 45 MPH zone. Using RADAR Stalker DSR2X (DB001317), front antenna (KC086606), this Officer received a steady doppler tone and reading of 58 MPH. The RADAR calibration was last checked on 07/18/2025 and was due on 01/18/2026. Prior to this tour of duty on this date, this Officer ensured the RADAR was in working order, to confirm the accuracy of the unit. At the end of this tour of duty, this Officer did the same. This Officer received RADAR/LIDAR certification on 05/31/2008, in Cannon AFB, NM. As the vehicle passed through the intersection, it increased in speed considerably. Using the same RADAR and Antenna, this Officer observed the vehicle achieve a top speed of 72 MPH as it passed Shady Lakes Dr, which is still a 45 MPH zone.

This Officer entered the same lane as the vehicle, a Mercedes C-Class (DP55QH/FL) and observed same make a right-hand turn onto Central Blvd. At this time, this Officer activated emergency equipment and initiated a traffic stop on same just north of PGA Blvd. This Officer approached the driver window and made contact with the sole occupant, identified via Florida Driver License photo, Juliane Tran (OF), while she was still in actual physical control of same. Tran originally said she was on her way home, then said she was going to a friend's house. While speaking with Tran this Officer observed her to have glassy watery eyes, a slur in her speech, flushed face, low heavy eyelids, and the obvious odor of an unknown alcoholic beverage emanating from her breath at conversational distance. This Officer asked Tran if she had anything to drink, to which she replied "one earlier". When asked where she was coming from, she replied "right here" and said she was going to PGA National. It should be noted, the direction

she was now headed on Central was not toward PGA National. Tran then said she went home then was going to pick up her boyfriend.

This Officer conducted a records check then approached the vehicle to confirm information Tran had already told this Officer. Tran then stated she was going to work things out with her boyfriend, then that she was going to pick up her boyfriend. This Officer told Tran the things she has been saying are back and forth and doesn`t make sense. Tran then said she was downtown and got into a fight with her boyfriend. This Officer confirmed Tran was drinking, then Tran denied consuming any narcotics on this night.

Based on this Officer`s observations, this Officer expressed concern to Tran about her being under the influence and asked her to exit the vehicle to participate in Standardized Field Sobriety Exercises, to which she complied. When asked about medical conditions related to the exercises, Tran only responded about wearing contact lenses.

When this Officer asked Tran to reposition herself for the first exercise, she requested an attorney. This Officer told Tran an attorney was not possible at this time and advised Tran of her Taylor Warnings, for not doing the exercises. Tran then asked for an attorney again and was immediately placed under arrest at 0158 hours.

During a tow inventory of the vehicle, this Officer located items of interest in Tran`s purse which was on the front seat. In the purse, this Officer located an itemized receipt from Waxin`s West Palm, dated on this night and cashed out at 0025 hours. The only items on the receipt were "4 Hotshot". The receipt was seized, photographed and uploaded to evidence. Also in the purse was a pink plastic case which contained contact lenses and one and a half pills. The full pill was a blue circular pill stamped "E 111", which based on this Officer`s training and experience appeared to be Amphetamine 10 mg. The half pill was orange and very worn. Based on this Officer`s training and experience, appeared to be Amphetamine 20mg, however could not be completely confirmed. Both pills were seized as evidence and booked. Due to Tran requesting an attorney, she was not questioned about the narcotics.

At PBSO BAT this Officer conducted a 20 minute observation period noting no issues. This Officer requested Tran provide a breath sample to determine its alcohol content, to which she asked if it was required. This Officer read Florida Implied Consent to Tran twice and explained same, to which acknowledged and consented. At 0308 hours she blew .123 and at 0313 hours she blew .109.

Based on the results of the investigation, this Officer determined Juliane Tran did operate a motor vehicle, upon a public roadway, in the state of Florida, while under the influence with an unlawful breath alcohol content, contrary to FSS 316.193(1)(C). Tran was also in possession of a banned substance, with no proof of a prescription, contrary
