Defendant's Name RODRIGUEZ, JUSTINE MARIE | **Agency Case Number:** 2025-00078423

NARRATIVE: The undersigned has probable cause to believe the above-named defendant on the, 02 of March 2025 at 21:15 at MILLS AVENUE AND DORCHESTER ST (**Zone:** c4) in Orange County did

On March 2, 2025, at approximately 2050 hours, I, Officer J. Fiduccia (38958) and Officer A. Rideaux (33312) were leaving another call for service located at 1335 N Mills Ave in our marked patrol vehicle.

The patrol vehicle's emergency lighting equipment was activated while reversing onto Mills Avenue to alert other motorists that a vehicle was entering the roadway. While reversing, a Gray Audi Sedan (bearing tag: 06ALCU VIN: WAUFACF55PA060238 EXP:11/12/25) failed to yield to the right of way to an emergency vehicle with emergency equipment activated. I observed the vehicle go around the patrol car and into the lane of travel that separates north and south bound traffic. The vehicle kept traveling northbound on Mills Avenue.

Ofc. Rideaux and I continued traveling North on Mills Ave. The Gray Audi Sedan was in front of our vehicle also continuing North on Mills Ave. While driving, I observed the vehicle begin swaying over to the right side of the roadway, passing the white line and into the shoulder. I also observed the vehicle sway to the left side of the lane passing the white line and into the lane to the left. The driver of the vehicle was unable to maintain the driving lane.

A traffic stop was conducted on the vehicle for these several infractions. When I approached the vehicle (from the driver side), I made contact with Justine Rodriguez (driver; suspect). It should be noted that upon making contact with Justine, I observed she had extremely glossy/red in color (bloodshot) eyes and a strong odor of alcoholic beverage emanating directly off of her person. Justine said she was just coming from visiting family and driving home.

Ofc. Rideaux and I asked Justine to step out of her vehicle to the front of our patrol vehicle. BEFORE asking any questions to Justine, Ofc. Rideaux read Miranda to her directly from his department issued card. Initially, Justine agreed to speak with officers. When Ofc. Rideaux asked Justine how much she had to drink, Justine immediately invoked her right to remain silent and declined to answer. ALL questions regarding her potential impairment immediately ceased. It should be noted, while Officer Rideaux and I were outside of the car, I observed her eyes as being extremely glossy/red in color (bloodshot). I also continued to smell a strong odor of alcohol emanating from her person. Justine spontaneously uttered that "she knew why officers were reading her Miranda because that means she is getting arrested." It should also be noted that Justine began crying during the traffic stop.

At this point, based off Ofc. Rideaux and I's initial observation to include my observations of Justine's glossy/red in color (bloodshot) eyes and smelling a very strong odor of alcoholic beverage emanating from her, Ofc. Rideaux informed her she was showing signs of impairment. Ofc. Rideaux asked Justine if she was willing to submit to field sobriety exercises to dispel our fear of her being impaired; Justine refused. Ofc. Rideaux explained to Justine that if she decided to refuse to perform field sobriety exercises, we would only be left with/have to use our observations of her thus far to make a determination on whether or not we believed she was impaired which could subsequently lead her to being arrested. After this was explained to Justine, she still REFUSED to perform field sobriety exercises.

Based on my observations of Justine, it was believed that allowing her to return to the road would pose an immediate and imminent threat to other vehicles/people on the roadway (to include herself). Based on the totality of circumstances, evidence obtained, and Justine's behavior, she was placed under arrest for violating FSS 316.193(1)-2; DUI- Driving Under the Influence. As Justine was being handcuffed, she began swaying and lost her balance.

Justine's vehicle was in the roadway and towed by Johnson's Wrecker Service. The vehicle is located at 580 Wilmer Avenue.

Justine was transported to the Orange County Sheriff's DUI Breath Test Facility without incident. While at the center, a twenty-minute observation period was conducted. After the observation period was over, I read implied consent to Justine directly off of the State of Florida Orange County Implied Consent Warning form; Justine refused to provide a breath sample. Justine was read the additional clause (for breath sample refusals and the potential consequences of refusing). When asked again if she was choosing to refuse to provide a breath sample, Justine once again refused to provide a sample. Justine was given every ample opportunity to perform the test however she refused (even after having the consequences of refusing being explained to her). As a result, Justine was officially given a REFUSAL at approximately 2156 hours.

Due to the totality of circumstances and her refusal, Justine was charged with violating FSS 316.193(1)-2 DUI-Driving Under the Influence.

Justine was issued the following citations:

- DUI Uniform Traffic Citation A2H31AP, FSS 316.193(1)-2; DUI-Driving Under the Influence

Justine was transported to BRC without incident. Her property (phone, small purse, and a copy of her DUI citation) was transferred over to BRC staff.

This incident was captured utilizing my department issued BWC. The video of this incident was uploaded for further review if necessary.
