Probable Cause

On Sunday, 09/21/2025 at approximately 02:14 A.M. , I (Trooper T. Prather ID#5269) was conducting routine traffic enforcement in the area of southbound Interstate 95 (State Road 9) and Lantana Road in my fully marked patrol vehicle with police insignias with fully operational emergency lights and sirens when Lake Worth Regional Communication Center (LWRCC) dispatched a BOLO (Be On the Look Out) for an grey Kia sedan traveling all over the road and crashing into the concrete traffic barrier. The caller advised the grey sedan was traveling southbound on Interstate 95 (State Road 9) and had just driven past the exit ramp to Lantana Road. At approximately 02:16 A.M. I observed the grey KIA sedan matching the BOLO description (Grey Kia with Hazard lights on and damage to vehicles left side) with a Florida tag attached and displayed as "32BQZW" (Registered to a grey in color, 2023 Kia K5, VIN# 5XXG64J25PG175812, and Registered to a Kaitlyn Elizabeth Lane) at a complete stop in the area of Westbound Boynton Beach Boulevard (State Road 804) and Northwest 7th Street. I observed the vehicle to be in drive and running with a single occupant inside the vehicle and sitting in the drivers seat. The vehicle then drove another 50 feet and I activated my emergency siren. The Kia then came to a controlled stop in the middle of the road.

Upon my drivers side approach, I observed the sedan to have heavy fresh damage onto the front drivers side door. I then observed the female driver (Later identified by her Florida Drivers License# L500505995990, to a Kaitlyn Elizabeth Lane, DOB: 03/19/1999, out of Port Saint Lucie, Florida. Note: Mrs. Lane is also the registered owner of the vehicle.) attempt to roll her front drivers window down. The damage to the drivers' side door was so extensive (caved in) that the window broke in front of me

while rolling down. I observed multiple bottles of wine to be rolling around in the front passengers floorboard. While speaking with Mrs. Lane, I observed her to have slurred speech and unknown odor of alcohol that emitted from Mrs. Lanes mouth that got stronger as she spoke. I also observed Mrs. Lane to have bloodshot and watery eyes. I then asked Mrs. Lane what happened to her front drivers door. Mrs. Lane stated she did not understand what I was talking about. I then asked Mrs. Lane if she struck anything. She stated "No". Due to all the possible signs of impairment, I repositioned my patrol vehicle directly in front of Mrs. Lanes' vehicle as to prevent her from possibly fleeinging.

I then re-approached the Kia by a passenger side approach. I observed the damage to the front drivers door to be so extensive, that the door would no longer open. I opened the front passengers side door and requested Mrs. Lane to exit her vehicle by her front passengers side door. Mrs. Lane refused. Eventually Mrs. Lane started making efforts to exit her vehicle. Once outside the vehicle, I observed Mrs. Lane to have extreme difficulty walking, she would lean no more than 6 inches away from my face, and had extreme difficulty standing in one spot. Mrs. Lane had extreme difficulty maintaining her balance and would use her steps to regain her balance. I then asked Mrs. Lane what time she believed it to be. She stated "11 P.M." I then informed her it was actually 02:20 A.M. Mrs. Lane then clarified her previous statement by saying "Well I drank (5) beers at 11 P.M." I then asked Mrs. Lane if she had any medical conditions, she stated she's allergic to penicillin. I then asked Mrs. Lane again if there was any damage to her vehicle. She stated "No". I then asked if Mrs. Lane struck anything or if anyone struck her vehicle while driving. She stated "No". At approximately 02:20 A.M. I then asked if Mrs. Lane would like to participate in a few voluntary field sobriety exercises. Mrs. Lane agreed to.

Horizontal Gaze Nystagmus Exercise Prior to beginning the exercise, it was determined the defendant was not wearing glasses and no contacts. The defendant's eyes were checked, and their eyes displayed equal tracking, and their pupils were equal sizes. The defendant was instructed to follow the stimulus with their eyes only, keeping their head still. After stating they understood the instructions the defendant attempted this exercise. The results of this exercise displayed the following clues. (This is based on a total of 6 possible clues)
- A lack of Smooth Pursuit in the left eye.
- A lack of Smooth Pursuit in the right eye.
- A distinct and sustained nystagmus in the left eye at maximum deviation.
- A distinct and sustained nystagmus in the right eye at maximum deviation.
- Kept moving head to follow the stimulus after being instructed to just follow with eyes and eyes only
Note: at this point Mrs. Lane failed to maintain balance and fell onto her buttocks. Mrs. Lane was caught by Sgt. Leon as to not hit her head on the pavement. Due to the extreme impairment and safety concerns for Mrs. Lane, no further field sobriety were performed.

The defendant was placed under arrest at 02:27 A.M. for the Violation of Florida State Statute 316.193(a) Driving Under the Influence (DUI) based on the totality of the evidence presented. Mrs. Lane is secured with a pair of issued handcuffs behind her back. Both cuffs are checked for fit and double locked. The defendants' car was towed from the scene by Garden's Towing. Sgt. Leon

completed a vehicle tow inventory. Mrs. Lane was then transported to the Palm Beach County's Sheriffs Office BAT (Breath Alcohol Testing). I then conducted a 20 minute observation period on Mrs. Lane. During this time, I observed Mrs. Lane not to drink, eat, or regurgitate anything. I then requested Mrs. Lane to submit to a lawful test of their breath or urine to determine their breath alcohol content and the presence of a chemical or controlled substances (BrAC). Upon this request, the defendant refused. The defendant was read the refusal section of Implied Consent. Mrs. Lane was then asked if she understood and she stated "yes". Mrs. Lane still refused to provide a sample.

Mrs. Lane was then transported to Good Samaritan Medical Center for clearance from her crash. Shortly after, Mrs. Lane was cleared and I transported her back to Palm Beach County Jail while I finished my paperwork. While working on my paperwork outside the county jail, Mrs. Lane attempted to escape arrest by forcing her head and upper torso out of my passenger side rear window that was lowered due to Mrs. Lane making multiple statements about being unable to breathe. I had to pull Mrs. Lane outside the window and assist her to the grassy ground. Mrs. Lane then used both of her legs and landed (3) leg strikes to the front of my legs. Mrs. Lane then stood back up and attempted to flee on foot while screaming "Help" repeatedly. I then preformed a take down to prevent Mrs. Lanes escape. I then called for Emergency Medical Services to transport Mrs. Lane once again to get medical clearance as she was bleeding from her upper lip. Sgt. Leon is made aware.

Upon receiving clearance from Wellington Regional Medical Center, Mrs. Lane was once again transported to Palm Beach County Jail.

Note: Mrs. Lane while sitting in the rear of my vehicle with my in car camera on, made multiple statements that she would attempt to hang herself while in a cell in the jail. Jail staff and jail nurse are made aware of the statements to harm herself.

Mrs. Kaitlyn Elizabeth Lane is charged with the following:
-F.S. 316.193(1)(a)-D.U.I. Influence of Alcohol
-F.S.S. 784.07(2)(b) – BATTERY ON LEO

All events were recorded on my in-car patrol camera and are available upon request.
All events occurred in Palm Beach County, Florida.
