Probable Cause

On March 10th, 2024 at approximately 1:06 AM, I, Trooper Aison Desuyo (ID# 5157) was dispatched by the LWRCC (Lake Worth Regional Communication Center) to a traffic crash on northbound Interstate 95 (State Road 9) south of State Road 706 (Indiantown Rd).

Upon my arrival, I observed a black in color vehicle in the outside shoulder. A Volkswagen Passat bearing a Florida tag number of L4GAQ (V02). The driver of the Volkswagen Passat advised there was a white BMW X5 Sports Utility Vehicle (SUV) that collided into the rear of the Volkswagen Passat and fled the scene of the traffic collision. The driver of the Volkswagen Passat provided me with a tag number for the BMW X5 which was PWEL18.

After receiving the tag number for the vehicle, the LWRCC advised to any units near the area of northbound Interstate 95 at the 105-mile marker to Be On the Look Out (BOLO) for a vehicle that matched the description of the white BMW X5 that fled the scene of a traffic crash. I then advised the LWRCC that the vehicle was involved in the hit-and-run traffic crash I responded to.

Sergeant Tony Kingery (ID #2002) advised the LWRCC he was close by the area and would BOLO for the vehicle. After driving through the area, Sgt. Kingery advised he had a visual of the BMW X5 bearing a Florida tag number of PWEL18, which matched the description of the vehicle that was involved in my hit-and-run traffic crash. Sgt. Kingery advised he had a visual of the vehicle at northbound Interstate 95, at the 115-mile marker. I then advised the LWRCC I would be in route to assist Sgt. Kingery in

stopping the vehicle. Sgt. Kingery conducted a traffic stop on the vehicle and advised he would wait until I arrived on scene to conduct my investigation. Upon my arrival at the scene, Sgt. Kingery stated the following to me:

"On Sunday March 10th at 1:30 am I heard dispatch give out a BOLO for a white BMW that was involved in a crash in Palm Beach around the area of Indiantown Road on I-95 leave the scene of a crash and start heading north from the crash scene. I was stopped with a broke down car on the southbound side of I-95, when I heard the BOLO I switched over to the northbound side and began traveling North looking for the suspect White BMW that left the scene of the crash. Prior to me getting turned around at the 105 mile post a caller called in the White BMW and advised it was traveling north and weaving all over the road and advised the driver may be DUI. I knew based on the caller's location that the BMW had possibly already passed me and I headed north looking for the SUV. I was able to catch up to the car just north of Becker Road and the White BMW I located had the same Florida tag of PWEL18 on it. The tag and vehicle matched both the crash victim's description and the caller's description. I was able to see inside the vehicle and saw a white female driving the car. I got behind the car and activated my dash camera and recorded the vehicle as it traveled. I observed the vehicle drift off onto the shoulder several times and it was traveling around 50mph well below the posted speed of 70mph. I advised dispatch that I located the vehicle and Tpr. Desuyo was made aware that I had found his suspect vehicle. I conducted a traffic stop on the white BMW just north of Gatlin Blvd. in St. Lucie County. I approached the passenger side of the car and asked the driver for her license. While talking with the driver I noticed she had glassy eyes and slurred speech. I asked her if she had been in an accident and she advised me that she was in one that some Black Lady said she hit her. I asked her why she left and she stated she waited for a little bit but the Black Lady was yelling at her so she left. While talking with her I could smell an odor of some kind of alcoholic beverage coming from her breath and I asked if she had been drinking. She advised me she had some sangria earlier in Hollywood. I noticed she did not have any shoes on and asked her if she wanted to put her shoes on and step out of the car. She immediately advised me that I could not test her with High Heels on. I again asked her to simply step out of the car. She opened the driver door to step out and as she got out I noticed that she had urinated on herself and the back lower section of her dress was soaked. I had her stand outside the vehicle with me while we waited for Tpr. Desuyo to arrive. Upon Tpr. Desuyo's arrival he completed his crash investigation and attempted to have the driver do Field Sobriety Exercises to determine if she was ok to drive and she refused to do anything. Tpr. Desuyo placed the driver under arrest and returned to Palm Beach County with her so she could be booked into the Palm Beach County jail for her charges. This completed my assistance with Tpr. Desuyo's investigation."

After speaking with Sgt. Kingery, I then made contact with the driver (who was later identified by her Florida Driver's License V431504928650 as Ms. Karla De La Caridad Valdivia Santiago DOB 10/05/1992). I began to speak with Ms. Valdivia Santiago in reference to the traffic crash. I asked Ms. Valdivia Santiago what happened. Ms. Valdivia Santiago advised she never collided with V02. It should be noted however, that upon examining the exterior of BMW X5 Ms. Valdivia Santiago was operating,

there was damage indicating a collision occurred to the front right portion of the vehicle. While Ms. Valdivia Santiago spoke, I was able to smell a strong odor of an unknown alcoholic beverage emitting from her breath. Ms. Valdivia Santiago had slurred speech and bloodshot, watery eyes. During my crash investigation, I was able to determine Ms. Valdivia Santiago traveled from northbound Interstate 95 and V02 stopped due to traffic conditions ahead, and Ms. Valdivia Santiago was unable to stop in due time to avoid a collision with V02, resulting in the collision. After impact with V02, Ms. Valdivia Santiago pulled over to the outside shoulder with V02. Ms. Valdivia Santiago stated to me that she then fled the scene of the traffic crash because she was scared of the driver of V02.

After I concluded my traffic crash investigation, I advised Ms. Valdivia Santiago that I have completed the crash investigation and was going to be conducting a criminal DUI (Driving Under the Influence) investigation. I then read Ms. Valdivia Santiago her Miranda Warning Rights. Ms. Valdivia Santiago stated that she understood her rights but was not willing to speak to me.
I asked Ms. Valdivia Santiago if she would be willing to perform voluntary Standardized Field Sobriety Exercises. She stated no. I advised Ms. Valdivia Santiago of her Taylor Warning. Ms. Valdivia Santiago still refused.

Based on my investigation, I believed the defendant's normal faculties were impaired and she was placed under arrest for DUI at 03:12 A.M. She was then placed into an FHP marked patrol. While being placed into an FHP marked patrol vehicle, I noticed she had a stain on the back lower portion of her dress that was consistent with Sgt. Kingery's observation of Ms. Valdivia Santiago urinating herself. The defendant was then transported to the Palm Beach County Breath Alcohol Testing (BAT) facility. At the BAT facility, a 20-minute observation period was conducted by me where she did not ingest anything by mouth or regurgitate (mouth was confirmed to be empty prior to beginning of the observation period). Ms. Valdivia Santiago was then asked to provide a breath sample to determine the alcohol content. Ms. Valdivia Santiago stated no. Florida Implied consent was read. Ms. Valdivia Santiago understood. Ms. Valdivia Santiago still refused to provide a breath sample to determine the alcohol content. Ms. Valdivia Santiago was then booked into the Palm Beach County Jail and charged with the following without further incident:

F.S.S 316.193(1)(a) – DUI Crash with Property Damage

F.S.S 316.061 – Leaving the scene of a Crash involving Property Damage

F.S.S 316.1925(1) – Careless Driving

All the above events occurred within Palm Beach County, State of Florida.
