The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On the above-mentioned date and time, I responded to S 78th Street and Selmon Expressway to conduct a DUI investigation involving a potentially impaired driver. Upon arrival, I made contact with Deputy Rooloph (ABN#263695), who advised that he had stopped a vehicle to conduct a wellfare check after he observed it driving on a flat tire. He contacted the driver, Katherine Buck (later identified as the defendant), and he observed indicators of impairment, including watery eyes, and a strong odor of alcoholic beverage emitting from her breath and person. I then made contact with the driver and noted the same indicators, including slurred speech and poor balance. The defendant consented to standardized field sobriety exercises and performed them. Based on my observations, I placed her under arrest for Driving Under the Influence. Following the arrest, I transported the defendant to the Central Breath Testing Facility, where she agreed to provide a lawful breath sample. She complied and provided two samples, which measured 0.195 g/210 L and 0.186 g/210 L, respectively. The defendant was identified via a Florida driver's license.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
