Orange County **ICJIS Arrest Affidavit** (continued)

Arrested ☑ At-Large ☐ JRA ☐ **Document #:** 1053852 **Division #:**

Document Date: 01/25/2024 **Court Case #:**

Defendant's Name MILAM, KATHARINE **Agency Case Number:** BI24-0057

NARRATIVE: The undersigned has probable cause to believe the above-named defendant on the 24 of January 2024 at 23:40 at ORANGE AVE AND ANDY ST (**Zone:** 48) in Orange County did

On January 24, 2024, at approximately 2301 hours, while traveling eastbound on Nela Ave and Lake Dr, I observed a black GMC bearing FL ISSD74 traveling northbound on Nela Ave and Overlook Rd. I observed the vehicle drive completely over the median and continued northbound on Overlook Rd without stopping. I observed the vehicle continuously drive from the fog lane to the center of the road. The vehicle then made a left-hand turn on Matchett Rd, driving towards Nela Ave. Upon reaching Nela Ave, the vehicle did not come to a complete stop until after the stop bar. The vehicle then made a right-hand turn on Nela Avenue, heading westbound. While traveling westbound, the vehicle continued driving over the center lane and fog lane. I activated my emergency light and commenced the traffic stop at the intersection of Nela Ave and Sunny Lane; the vehicle did not come to a stop until Orange and Andy St. I made contact with the driver, later identified as Katharine Milam (ID by FL/DL). I immediately smell the odor of alcohol impurities emitting from inside the vehicle. I asked Milam for her driver's license registration and insurance. Observing Milam, I noticed she had bloodshot, watery eyes. Every time Milam spoke, I smelled a strong odor of alcoholic impurities emanating from Milam's Breath. I asked Milam if she had anything to drink, and she stated she was drinking wine.

I suspected Milam to be under the influence of alcohol, drugs, or both and requested her to submit to Standardized Field Sobriety Exercises (SFSEs). Milam first refused but then stated she would. As Milam exited the vehicle, I noticed she was unsteady and had no shoes. I asked Mila, and she wanted her shows for the exercises, and she stated no.

I asked Milam if she had any medical conditions preventing her from performing the exercises, and she said no. Milam stated that she had a bad back, but she did not take medications for it. Additionally, Milam stated that she was not taking any prescription medications but that she suffers from asthma. Milam stated she uses glasses.

I checked Milam's eyes for any signs of medical impairment. Milam's pupils were both equal in size. Milam's eyes both tracked equally. Milam's eyes had no standing Nystagmus. I did not observe any signs of medical impairment in Milam's eyes.
Scene:
The field sobriety exercises were conducted in the parking lot. Streetlights lighted the parking lot. The parking was dry, fairly level, and free of debris. For the walk-and-turn exercise, a white parking line was used.

Horizontal Gaze Nystagmus:

I checked Milam's eyes utilizing my pen. Milam was told to focus on the light with her eyes and her eyes only. Milam swayed while she was told to maintain the position in the instructional phase. She was also told not to move her head. Milam moved her head multiple times during this exercise. Milam still moved his head multiple times. Milam struggled to follow the pen with her eyes. I observed a lack of smooth pursuit in both eyes. I observed a Distinct and Sustained Nystagmus at Maximum Deviation in her Right Eye. I observed three out of six clues.

Walk and Turn

I gave instructions to Milam for this exercise and demonstrated the exercise to Milam. Milam was told to stand in the starting position for this exercise. Milam stood in the starting position for this exercise. Milam could not keep her balance while listening to instructions. Milam did not maintain the starting position. Milam started too soon on the exercise. Milam became verbally aggressive and would not listen to my instructions even after I repeatedly warned her to stop, and she refused. Milam started to walk and continued to walk even after I told her to stop, at which point I terminated the exercise and placed her under arrest.

Orange County | **ICJIS Arrest Affidavit** (continued)

Arrested ☑ At- Large ☐ JRA ☐ | **Document #:** 1053852 | **Division #:**

Document Date: 01/25/2024 | **Court Case #:**

Due to the totality of circumstances of Milam's driving over a median, not stopping prior to the stop bar, driving over the fog lane and center lane multiple times, the odor of alcohol impurities emitting from her breath, and the performance of the SFSEs. I believed that Milam was driving under the influence of alcohol or drugs and placed her under arrest.

I transported Milam to the DUI center. After a twenty-minute observation, I read Milam the implied consent warning. Milam refused to provide a sample. I read Milam the secondary warning, and she again refused. Her time of refusal was 0023 hours.

I issued Milad a UTC (UTC# AHFH9QE) for failure to maintain the lane and a DUI citation (DUI Citation# AED33NE).

I transported Milam to BRC without incident.
