The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

The defendant was driving a silver 2016 Honda Civic southbound on S. Armenia Ave, when she stopped at the W. Platt St red light next to me on my passenger side (right lane). When the light turned green, she rapidly accelerated southbound, merged into my lane within an intersection (cutting me off and violating my right-of-way), and continued to the far left lane, where she made a left turn.

During the traffic stop for the aggressive driving maneuver and violation of my right-of-way, the defendant was identified via a FL DL and exhibited several clues of impairment, to include: watery/bloodshot eyes, blank/dazed stare, dilated pupils, slurred speech, fumbling fingers, poor coordination, confusion with her paperwork, she admitted to drinking "2 glasses of wine", and she emitted a distinct odor of an alcoholic beverage from her breath as she spoke.

The defendant was arrested for DUI following a poor performance on SFSEs and was transported to booking.

While at CBT, she refused to take a breath test, despite being advised of Implied Consent. The defendant has a prior DL suspension on 12/23/2021 for Refusing to Submit to a Breath Test, making tonight her 2nd/subsequent offense.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
