PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ confessed to _____ admitting to the below facts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 27 day of July, 2023 at ~~02:50~~ 2153 (Specifically include facts constituting cause for arrest.)

On Thursday, July 27, 2023, at 21:53hrs, I, Investigator Cameron Carver #471, was dispatched to Alternate A1A and Burns Road, Palm Beach Gardens, Palm Beach County, Florida in reference to a motor vehicle crash. My department issued body worn camera and in-car cameras were utilized in this investigation.

While enroute, dispatch advised from the caller, later identified via his Florida Driver`s License as Akash Muthu, (the driver of the victim vehicle, a blue Honda Civic bearing Florida tag AT78XD), stated a white Subaru bearing Florida Tag GFUK60 rear-ended them at the light and was driving towards the intersection of PGA Boulevard and North Military Trail. Muthu believed they were pulling into the Embassy Suites parking lot to wait for the police. When they were coming out, the Subaru got into the turn lanes to go westbound on PGA Boulevard and Officer Guadagno #536 located the vehicles at the intersection. At this time, it was pouring down rain and Officer Guadagno ordered the driver of the Subaru to pull into the Garden Square Shoppes Plaza. The Subaru continued westbound and stopped into the turn lane to Midtown. Officer Guadagno again told the driver to pull into the plaza where I caught up to the driver and told her to follow me into the parking garage to get out of the pouring down rain. The driver, later identified via DAVID as Kathryn Ann Prince, pulled into the plaza and I lowered my window to tell her to follow me to the parking garage. Prince followed me, but rather than following me into the covered parking lot out of the heavy downpour, she drove through the parking lot and parked in the exposed parking spaces. I approached by foot and asked Prince why she drove through and parked outside rather than stay under the covering? She did not have a rational response. As she opened her driver`s door, I was immediately met with the strong odor of an unknown alcoholic beverage coming from within the vehicle. I asked Prince to exit the vehicle and walk with me the approximately 30 yards under the covering. While walking, she was swaying badly and bumped into me. The other vehicle, following Officer Guadagno, went into the covered portion of the garage to stay out of the elements and I made contact with Muthu and his front seat passenger

PROBABLE CAUSE STATEMENT

Amit Kelwadkar.

Muthu provided a sworn-oral statement advising he was northbound in the left-through-lane, stopped at the red light for Burns Road. Muthu stated while waiting at the light for a few moments he was rear-ended by Prince. Muthu and Kelwadkar both stated Prince got out of her vehicle and assessed the damage and stated to them she was calling the police. Muthu then stated Prince got back into her vehicle and then drove westbound on Burns Road. Muthu believed Prince was getting out of the roadway and followed her. They continued west until reaching N Military Trail and then turned northbound. Muthu called 911 after passing the police department, thinking Prince was going to flee. Muthu stated on 911, providing updates to where they were going, to include into the Embassy Suites parking lot and back out onto N Military Trail, until Officer Guadagno made contact with them at N Military Trail and PGA Boulevard. Muthu stated the damage to his rear bumper and trunk lid was as a result of this crash. He also stated his head was hurting and was bleeding from his upper lip as a result of the crash. Kelwadkar stated his head and neck were hurting him as a result of the crash, but both declined fire rescue checking them out. Muthu positively identified Prince as the driver who rear-ended him and stated was calling 911 at the scene.

I made contact with Prince and read her Miranda Warnings to her. While I was speaking with her, her eyes were glassy and becoming bloodshot. She also had the strong odor of alcohol coming off her breath as she spoke. Her speech was slurred, and she was confrontational and argumentative. She initially denied being involved in a crash, stating the damage to the front of her car was preexisting from a prior crash. Her story changed later during my interaction with her throughout the evening to them backing into her. Prince denied having consumed alcohol, then stated her friend spilled a drink on her and that I could smell her, insinuating her pants. When I asked her why I was smelling it off her breath, her demeanor changed, and she became condescending and demanded to know why the "boys" (other party) were not being investigated for a DUI. Prince became uncooperative in the interrogation and I asked Prince to perform a series of Standardized Field Sobriety Exercises, which she again became argumentative and wanted to know why the boys were released and why I wasn`t investigating them. I informed Prince of her Taylor Warnings, to which she stated she understood and eventually refused to perform them. Based off this refusal, I placed her under arrest for DUI.

Prince was placed into handcuff`s which were checked for proper fit and double locked. Prince was eventually searched incident to arrest by Officer Slaughter #500, who obtained her jewelry and placed it into a plastic baggie which was secured into the center console of her vehicle. Prince`s key was not on her, nor was her cell phone. After being secured in the back seat of my vehicle, I searched her vehicle to obtain her key and phone and license. Her key fob (push-to-start) was found on the front passenger`s floorboard, next to an open aluminum cup, which had the odor of alcohol

PROBABLE CAUSE STATEMENT

coming from it. Inside the cup was residual alcohol. In the back of the front passenger seat was an open beer bottle with residual beer inside. This bottle was within immediate reach of the driver. At no point did I find her cell phone or wallet. When questioned, Prince was unable to recall where her wallet or phone was. I resecured Prince in her seatbelt and told her to keep it secured.

Prince was subsequently transported to the Palm Beach County Sheriff`s Office Breath Alcohol Testing Center. While enroute she had unbuckled her seatbelt and was bouncing around inside the prisoner compartment area. During this time, she peeled off stickers and attempted to reach the doorhandle. Once at the testing facility, she was observed for twenty-minutes where she did not ingest anything or vomit. Prince was rude to fellow BAT staff and other officers in the facility, condescending and berating individuals. Prince refused to answer biographical information needed on the arrest paperwork. At the end of the observation period, she was brought back on camera and began to argue stating she wasn`t read her Miranda Warnings and wasn`t allowed to call anyone. She again refused to provide her biographical information, just sitting, and staring at me. I asked her to provide a breath sample and she refused. I then went into reading the implied consent, to which she initially stated she did not understand. I explained to her because this was her second refusal, she would have her license suspended for 18 months, and get the secondary refusal charge. When asked if she would provide a breath sample, she stated she would not. The time noted was 23:56. Prince was re-read her Miranda Warnings, and while asking her the list of questions she was condescending and making comments such as she was coming from "Tim Buk Tu" and the time she left was "half past quarter dot." She claimed she has physical defects and injuries from a prior arrest with this officer.

Due to being involved in a motor vehicle crash, Palm Beach County Sheriff`s Office requires a defendant to obtain medical clearance prior to their admittance at the jail. Prince was taken to JFK-Midtown for her medical clearance (MR# 1441216). Uncooperative at the hospital, argumentative with nursing staff, not willing to give details on claims of medical issues. While at the hospital waiting for medical clearance, she asked to use the restroom. The restroom was checked prior to her usage, which was impeccable. She then was permitted to go to the restroom and upon inspecting the restroom after her use, it was discovered she urinated all over the floor and threw down paper towel onto the floor. When confronted, she claims I had made the mess in the bathroom. After refusing to sign the refusal paperwork, she was taken to the Palm Beach Gardens Police Department to complete arrest paperwork and subsequently taken back to the Palm Beach County Jail.

Based on the totality of circumstances from my investigation, I find Kathryn Ann Prince drove a vehicle on the streets of Palm Beach Gardens, while under the influence, and was affected to the extent that her normal faculties were impaired, resulting in a crash, in violation of Florida State Statute 316.193(3)(C)(1) [AHU7JVE]. Prince was also

I requested that the driver submit to a **BREATH** test for the purpose of determining its alcohol content. I informed the driver that the refusal to submit to such test would result in the suspension of his or her driving privilege for a period of one (1) year for a first refusal, or for a period of eighteen (18) months if his or her driving privilege had been previously suspended, or if he or she had been previously fined under s. 327.35215, F.S., for refusing to submit to a breath, urine, or blood test. I also informed the driver that he or she commits a misdemeanor by refusing to submit to a lawful test as requested above if his or her driving privilege has been previously suspended, or if he or she has been previously fined under s. 327.35215, F.S., for refusal to submit to a lawful test of his or her breath, urine, or blood. Nonetheless, the driver refused to submit to the test requested.
