PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 8 day of February, 2024 at 02:08 (Specifically include facts constituting cause for arrest.)

On 02/08/2024 at approximately 0208 hours, this Officer arrived in the area of 11588 US Highway 1, PBG, FL, to assist Ofc Hernandez 561, on a traffic stop. Body worn camera and in car video were used.

Officers were initially dispatched to the area of the Intracoastal Waterway Bridge, 2222 PGA Blvd, PBG, FL, regarding a vehicle under a gate arm of the draw bridge. The caller further stated the driver was possibly impaired and sleeping behind the wheel. The caller provided a description of the vehicle as a white Kia Telluride with a Florida Tag of TYCL90. As the bridge went up, the vehicle proceeded east bound on PGA Blvd. Ofc Hernandez observed the vehicle in the area of PGA Blvd and US Highway 1, with a tag of PYCL90/FL. Ofc Hernandez attempted a traffic stop on the vehicle at the intersection, to which the vehicle traveled north bound on US Highway 1. Ofc Hernandez said while he was behind the vehicle, he observed it having difficulty maintaining a single lane and almost driving onto the sidewalk.

This Officer observed the driver, later identified via Florida Driver License photo, Kevin Madden (OF) standing outside of the vehicle, leaning on a PBGPD marked unit. When Madden wasn`t leaning on a vehicle, he appeared having difficulty standing upright. Ofc Hernandez told this Officer, Madden said he was coming from the Breakers where he consumed three alcoholic beverages with food and was on his way to Martin County. Ofc Hernandez further stated Madden did not know where he was located. This Officer approached Madden and observed him to have thick slurred speech, flushed red face, red watery eyes, and the strong obvious odor of an unknown alcoholic beverage emanating from his breath at conversational distance. Since Madden was already out of his vehicle, this Officer did not do any additional questioning of Madden, only verified information he already told Ofc Hernandez. The only difference at this point, was Madden said he knew where he was located.

PROBABLE CAUSE STATEMENT

Based on this Officer`s observations, this Officer expressed concern to Madden that he was under the influence and asked him to participate in Standardized Field Sobriety Exercises, to which he consented. Madden said he had multiple medical conditions, including "broken legs". Based on these statements, seated exercises were employed while Madden sat on the push bumper of marked unit #23425.

The first exercise conducted was the Horizontal Gaze Nystagmus. The stimulus used was a Streamlight Stylus with an illuminated red tip. Madden had a lack of smooth pursuit in both eyes as well as involuntary jerking at maximum deviation in both eyes. Madden also had the onset of Nystagmus in both eyes prior to 45 degrees as well as Vertical Gaze Nystagmus in both eyes. While seated, Madden was still swaying back and forth.

The second exercise conducted was the Finger to Nose. During the exercise the following was observed: First command of Left, Madden hesitated as his hand approached his nose, touched above the tip of his nose and had to be told to lower his hand. First command of Right, Madden touched his nose with the pad of his finger and opened his eyes. Second command of Left, Madden touched his nose with the pad of his finger and had to be told to lower his hand. Second command of Right, Madden again touched his nose with the pad of his finger and had to be told to lower his hand. Third command of Right, Madden used his left hand, then right hand, touching with the pad of his finger. Final command of Left, Madden touched his nose with the pad of his finger.

The third exercise to be conducted was the Palm Pat. Madden had great difficulty understanding how to do the exercise, despite being shown multiple times. Madden said he understood then immediately would say he did not understand. Due to apparent lack of comprehension, the exercise was concluded.

The third exercise conducted was the Rhomberg Alphabet. Madden recited the alphabet A through K as instructed. Madden then combined LMNOP, paused the recited QRS then paused. Madden the recited H through P and took an extended pause, then said "I don`t know".

The final exercise conducted was the Modified Rhomberg Balance. Madden again appeared to have diffuclty understanding simple instructions for the exercise. Madden said he understood, started the exercise, then almost immediately opened his eyes and asked what the drill was. This Officer explained the exercise again and told Madden to begin. Madden briefly closed his eyes then opened them for the duration of the exercise. This Officer determined Madden again did not understand the instructions and ended the exercise.

Based on this Officer`s observations, Madden was placed under arrest at 0223 hours. At the PBSO BAT, this Officer conducted the 20 minute observation period of Madden, noting no issues. This Officer requested Madden provide a breath sample for the purpose of

PROBABLE CAUSE STATEMENT

determining its alcohol content, to which he consented. Madden provided a partial (volume not met) breath sample of .170 at 0333 hours. Due to Madden not following instructions by PBSO Breath Tech Gonzalez 40577, this Officer read Florida Implied Consent to Madden, to which he acknowledged and again consented. At 0337 hours he blew .225 and at 0342 hours he blew .224. It should be noted Madden has a prior DUI conviction dated: 01/22/2010 in Martin County, FL.

Based on the results of the investigation, this Officer has probable cause to charge Kevin Madden with driving under the influence to the extent his normal faculties were impaired, with an unlawful breath alcohol content, in violation of FSS 316.193(1)(C). The degree to which Madden was impaired by alcohol, was in violation of FSS 316.193(4).
