Orange County | **ICJIS Arrest Affidavit** (continued)

Arrested ☑ At-Large ☐ JRA ☐ | Document #: 1059307 | Division #:

Document Date: 03/08/2024 | Court Case #:

Defendant's Name: REYNOLDS, KRISTEN ALEXANDRA | Agency Case Number: 2024-00085932

NARRATIVE: The undersigned has probable cause to believe the above-named defendant on the 08 of March 2024 at 1:25 at 413 HIGHLAND AVE (Zone: d3) in Orange County did

On March 8, 2024, at approximately 0105 hours, Officer J. Harmon (35207) responded to 413 Highland Avenue in a back-up capacity.

Officer C. Figueredo (35798) conducted a traffic crash investigation. Officer Figueredo found Kristen Alexandra Reynolds at fault for hit an unoccupied parked vehicle. See Officer Figueredo crash investigation.

Officer Harmon arrived on scene: Officer Harmon made contact with Reynolds. Officer Harmon observed Reynolds had orbital swaying, her balance was off.

While speaking to Reynolds, Officer Harmon could smell the distinct odor of alcohol impurities which grew stronger as she spoke to him. Officer Harmon noticed Reynolds had slurred speech, slow lethargic movements, and glassy eyes. Officer Harmon asked Reynolds if she had any alcoholic beverages tonight. Reynolds advised some bourbon cocktails. Officer Harmon asked Reynolds if she would be willing to perform a series of field sobriety exercises, and Reynolds stated "yes".

Prior to beginning the exercises, I asked Reynolds if she had any kind of medical conditions that would affect his eyesight, or ability to walk in a straight line. Reynolds stated she did not have any medical conditions.

The exercises done were HGN, VGN, walk and turn, one leg stand. The exercises were done on the sidewalk, which was well-lit, fairly level, and clear of any debris. A solid line was used for the walk and turn. The exercises were recorded on my BWC.

On HGN Reynolds had equal pupil size and equal tracking. Reynolds lacked smooth pursuit, had distinct and sustained nystagmus at maximum deviation, and onset nystagmus prior to 45 degrees. Reynolds did have VGN. Reynolds moved her head multiple times during the exercise to follow the stimulus.

On the walk and turn Reynolds was unable to hold the starting position while Officer Harmon was reading the instructions. Reynolds lost her balance multiple times. On the first nine steps, Reynolds did not touch heel to toe on any of the nine steps. Reynolds stepped off the line multiple times while losing her balance. Reynolds did the incorrect number of steps. Reynolds did not turn in the manner, Officer Harmon instructed and demonstrated. On the second nine steps, Reynolds did not touch heel to toe on any step and did the incorrect number of steps back.

On the one leg stand. Reynolds raised her right foot and stood on her left leg. Reynolds began to count at four seconds and counted the incorrect way in a 30 second time period.

Based on listed facts, Officer Harmon determined Reynolds was under the influence of alcohol. Probable causes existed to arrest Reynolds for violating FSS 316.193(1) DUI. Reynolds was transported to the Orange County DUI center for processing.

Upon arrival at the DUI Center, Officer Harmon read Reynolds implied consent lawfully requested she submit to a breath test.

Reynolds' results were 0.170 and 0.157 at 0204 and 0207 hours respectively.

Reynolds was issued DUI citation A2H2UKP.
