PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that I have just and reasonable grounds to believe, and do believe that the above named Defendant committed the listed violation(s) of law. The Person taken into custody:

- ☐ Committed the below acts in my presence.
- ☐ Confessed to [WITNESS] admitting to the below facts.
- ☐ Was observed by [WITNESS] who told [WITNESS] that he/she saw the arrested person commit the below acts.
- ☒ Was found to have committed the below acts, resulting from my (described) investigation.

On August 1st, 2026 at approximately 00:43, I responded to assist Deputy Fowler with a traffic stop on Haverhill Road near Forest Hill Boulevard. Deputy Fowler had stopped a vehicle for failing to move over or slow down for an emergency vehicle with lights activated. The vehicle failed to slow 20 miles per hour below the posted speed limit of 40 miles per hour.

I contacted the driver, who identified himself as Kyler Tolbert. Mr. Tolbert was seated in the driver's seat of a 1989 Chevrolet Corvette with 102,000 miles. He was wearing a black shirt and blue jeans. I observed an odor of an unknown alcoholic beverage inside the car. I asked Mr. Tolbert to step out of the vehicle and he agreed to do so.

I asked Mr. Tolbert what happened tonight and he provided the following account of the traffic stop: He was traveling southbound on Haverhill Road approaching Forest Hill Boulevard when he saw emergency lights ahead. He stated it was difficult to determine which lane the emergency vehicle was in due to a bend in the road. He initially signaled and moved to the right lane, then realized the emergency vehicle was on the right shoulder and signaled back to the left lane. [redacted] He stated he was not familiar with the move over law. [redacted] He stated he had dinner with his grandmother at 7:00 PM and then spent time with friends. I observed Mr. Tolbert wearing a pink wristband consistent with bar or club entry. Mr. Tolbert stated he had been at Renegades but did not consume anything there and was only providing company to friends. He stated he was moving to St. Augustine on Sunday and his friends came down to go out.

When Mr. Tolbert exited the vehicle , I observed an odor of an unknown alcoholic beverage coming from his mouth area and breath. I observed his eyes to be red, bloodshot, and glassy. I observed his speech to be thick. Mr. Tolbert stated he had no medical issues and was healthy. He stated he had no problems with his eyes and no physical injuries.

I asked Mr. Tolbert if he would perform roadside tasks to ensure he was safe to drive, and he agreed.

Horizontal Gaze Nystagmus

I observed equal tracking and pupil size. I observed lack of smooth pursuit in each eye. I observed distinct and sustained nystagmus at maximum deviation in each eye. I observed onset of nystagmus prior to 45 degrees, at approximately 30 degrees in each eye. I observed lack of convergence. During this task, I again observed an odor of an unknown alcoholic beverage coming from his mouth area and breath, and red, bloodshot, glassy eyes.

Walk and Turn

I placed a yellow line on the ground for Mr. Tolbert to use. I provided instructions for the task and had Mr. Tolbert assume the starting position with his left foot on the line and his right foot in front with heel touching toe, arms down by his side. When Mr. Tolbert asked clarifying questions about the instructions, he asked if he was supposed to walk backwards. I provided the instructions twice. Mr. Tolbert could not keep his balance while listening to instructions and came out of the starting position. During the task, Mr. Tolbert stepped off the line, missed heel to toe steps, did not turn as instructed and picked up both feet during the turn, used his arms for balance, and paused during the task.

One Leg Stand

I instructed Mr. Tolbert to raise one leg of his choice approximately six inches off the ground, keep his arms down by his side, keep both legs straight, look down at the elevated foot, and count in the manner of 1001, 1002, 1003 until told to stop. Mr. Tolbert stated he was nervous and I allowed him to take a moment before beginning. Mr. Tolbert raised his right leg. During the task, Mr. Tolbert placed his foot on the ground several times, swayed during the task, used his arms for balance, and had to be advised to look down at his foot. Mr. Tolbert did not count as instructed and counted in 1-1000s.

Finger to Nose

I instructed Mr. Tolbert to stand with feet together; index fingers pointed out with wrists facing up. Mr. Tolbert correctly identified his left and right hands as well as his index finger. I instructed him to tilt his head back, close his eyes, and touch the tip of his nose with the tip of his index finger when I gave the

command of left or right, then return his hand to the starting position. Mr. Tolbert performed as follows: Left, raised left, and touched index finge r to left cheek. Right, raised right and touched pad of index finger to tip of nose. Left, raised left, and touched index finger to right nostril. Right, raised right and touched index finger to left nostril. Right, raised right and touched index finger to bridge of nose. Left, raised left, and touched index finger to tip of nose.

Romberg Balance

I instructed Mr. Tolbert to stand with his feet together, arms down by his side, tilt his head back, close his eyes, and estimate 30 seconds in his head, then raise his head and say stop when he reached 30 seconds. Mr. Tolbert stopped the task at approximately 31 seconds.

Based on my observations and Mr. Tolbert's performance on the roadside tasks, I placed Mr. Tolbert under arrest for driving under the influence. I advised him of the arrest. I conducted a search of Mr. Tolbert and removed his belt, rings, bracelets, and the pink wristband. I checked Mr. Tolbert's mouth and observed it to be clear of any objects. I observed his tongue to be discolored. I placed the property in a property bag. I secured Mr. Tolbert in the rear of my patrol vehicle and placed his seatbelt on.

I transported Mr. Tolbert to the breath alcohol testing center. I conducted a 20-minute observation period to ensure Mr. Tolbert did not take anything by mouth or regurgitate. After the 20-minute observation period was completed, I escorted Mr. Tolbert to the testing room. I requested Mr. Tolbert submit to a lawful test of his breath. Mr. Tolbert agreed to provide a breath sample. The breath test results were 0.186 and 0.179. Mr. Tolbert was advised of the results and he stated he understood them. Mr. Tolbert asked how long alcohol stays in the body. I advised Mr. Tolbert of his constitutional warnings and he stated he understood. Mr. Tolbert declined to answer questions. Mr. Tolbert agreed to sign the summons.

Mr. Tolbert was later taken to booking and charged with driving under the influence with breath alcohol over 0.150.

I further acknowledge that I have reviewed the report, made any necessary edits, and believe it to be an accurate representation of my recollection of the reported events. PROBABLE CAUSE STATEMENT

☐ **Marsy's Law CVI**
FL. Const. Art.1 § 16(b)

On Saturday, August 1st, 2026, at app roximately 12:30 A.M., I, Deputy J. Fowler, was conducting a traffic stop on S. Haverhill Road, just south of the intersection of Summit Boulevard, with Deputy J. Geisse (#44544).

Upon completing the traffic stop, Deputy J. Geisse and I returned to our fully marked patrol vehicles, which were parked in the right lane with their emergency blue and red lights activated. While seated inside my patrol vehicle, I observed a white Chevrolet Corvette traveling southbound in the left lane at a high rate of speed. The Corvette failed to reduce its speed to at least 20 mph below the posted speed limit, as required by Florida's Move Over Law, and passed within close proximity of my patrol vehicle, nearly striking it. It should be noted that the speed limit on that portion of S Haverhill Road is a posted 40 mile per hour zone.

Due to the driver's failure to slow as required by state statute, I initiated a traffic stop on the vehicle (Florida tag: 50EPWQ) at the intersection of S. Haverhill Road and Abbey Road E. I then made contact with the driver, identified as Kyler Tolbert. While speaking with Kyler, he stated he observed the patrol vehicles but was unsure which lane they were occupying. Kyler further stated he should have slowed down more and admitted he had been traveling above the posted speed limit.

While speaking with Kyler, I detected the odor of an unknown alcoholic beverage emanating from his person, and observed his eyes to be glassy. [redacted]. It was at this point, I contacted Investigator L. Escaran (#32415), with Investigator L. Escaran arriving on scene shortly after. The scene was then turned over to him.

Kyler was provided a verbal waring in reference to the move over violation. Kyler's vehicle was tuned over to a friend.
