PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☐ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☒ was observed by OFC. WALTENBURG who told OFC. YOCHUM that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 22 day of December, 2025 at 02:35 (Specifically include facts constituting cause for arrest.)

On 12/22/2025 at approximately 0216 hours, I responded to the intersection of C.R. 809 (Military Trl) and Toney Penna Dr. in the Town of Jupiter, Palm Beach County, Florida as a backup unit for Officer Waltenburg, who had conducted a traffic stop on a wrong-way driver. At the time, I was driving an unmarked Jupiter Police Department patrol vehicle (vehicle 1911), I was wearing a JPD uniform clearly identifying myself as a Jupiter Police Officer, and I was wearing my department-issued Axon body camera.

Upon arrival, I observed a blue Nissan Altima bearing FL tag # JKJJ16 stopped (facing west) on the east side of the intersection. I observed Officer Waltenburg`s marked patrol vehicle stopped directly in front of the Nissan. The Nissan was stopped facing westbound in the eastbound lane of Toney Penna Dr., and was approximately one car-length away from the stop bar for westbound traffic. See supplemental Probable Cause Affidavit from Officer Waltenburg.

I approached the vehicle and made contact with the driver, who I identified by her valid Class E Florida driver license to be Lauren Reynolds (w/f; 04/12/1976; FL DL # R-225-410-35-600-0). Reynolds had droopy eyelids, bloodshot/glassy eyes, and was barely able to speak without slurring her words. I could smell the strong odor of an unknown alcoholic beverage on Reynolds` breath which intensified as she spoke to me. Officer Waltenburg advised me that Reynolds had been looking for the emailed rental agreement when I walked up and I requested that information several times from Reynolds. Reynolds would attempt to locate it by looking around in the vehicle and on her phone but quickly gave up searching for the document. Reynolds never produced the rental agreement.

Reynolds advised she was coming from Ralph`s Stand Up Bar, where she and a friend (also in the vehicle and extremely intoxicated), were watching a football game. Reynolds advised she had consumed 2 standard sized glasses of wine before going to Ralph`s. I asked Reynolds to estimate her level of impairment on a scale of 1 (being sober) to ten

PROBABLE CAUSE STATEMENT

(being sick) and Reynolds advised she was a "two". Reynolds further advised she could not feel the effects of the alcohol and that she did not feel as though she was under the influence, or even buzzed. Reynolds advised she did not have any medical conditions and that she did not take any medications.

Based upon my observations up until that point, I requested Reynolds exit the vehicle. Reynolds appeared to have difficulty with opening the door but ultimately got the door open. When Reynolds stepped out of the car, she stumbled into the opened car door.

I requested Reynolds walk over to the sidewalk and requested she perform Standardized Field Sobriety Tasks (SFSTs). Reynolds agreed.

I first conducted the Horizontal Gaze Nystagmus task. I am a certified Drug Recognition Expert (IACP # 32395) and I conducted this task in accordance with my training. Reynolds had pupils of equal approximate size, she did not have resting nystagmus, and equal tracking was present. Reynolds had an extremely difficult time understanding not to move her head throughout the duration of this task and I constantly reminded her to keep her head still. Reynolds also swayed in an orbital manner throughout the duration of this task. I observed Lack of Smooth Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation, and the Onset of Nystagmus prior to 45 Degrees in both Reynolds` eyes. I did not observe Vertical Gaze Nystagmus.

I then conducted the Walk and Turn. Reynolds had difficulty standing in the starting position and lost her balance once (after I advised her not to move). When told to begin, Reynolds stepped off the line (to the left) on step 1. Reynolds missed heel-to-toe on step 2, stepped off the line (to the right), and stopped walking. Reynolds then started counting over from "one". On her 3rd step, Reynolds stepped off the line (to the right). Reynolds missed heel-to-toe on steps 5, 7, 8, and 9. Reynolds kept her arms raised approximately 12 inches from her sides throughout the task to maintain her balance. Reynolds continued past the 9 steps instructed. Reynolds` exact number of steps taken was approximately 13 however, it was difficult to record on scene, as she began counting from "one" twice after the task began. Reynolds did not turn and advised she was completed with the task.

I next conducted the One Leg Stand task. Reynolds elected to raise her right leg off the ground. When told to begin, Reynolds almost immediately placed her foot on the ground. On her count of 7 and 12, Reynolds placed her foot on the ground. Reynolds then restarted counting from 1 and again placed her foot on the ground on her counts of 3 and 8. Reynolds used her arms to balance throughout the duration of the task.

Before the Finger to Nose, Reynolds demonstrated knowledge of her left and right hands. The cadence for this task was: Left, Right, Left, Right, Right, Left. When told to begin, Reynolds failed to tilt her head back or close her eyes, as instructed. L1:

Special Notes:

DEF

Name (Last, First, Middle)	Alias	Race	Sex	Date of Birth
REYNOLDS, LAUREN HOPE		W	F	04/12/1976

PROBABLE CAUSE STATEMENT

Reynolds touched the pad of her finger to the tip of her nose and failed to return her arm to her side until I instructed her to. R1: Reynolds opened her eyes, briefly, then touched the approximate center pad of her right finger across the tip of her. L2 & R2: Reynolds touched the pad of her finger to the tip of her nose. R3: Reynolds raised the incorrect hand approximately halfway to her face then touched the pad of her index finger to the tip of her nose and opened her eyes. L3: Reynolds smashed the pad of her finger to her right nostril.

Reynolds advised her highest level of education was a graduate degree and that she was comfortable with the alphabet from A to Z. When told to begin, Reynolds tilted her head back and closed her eyes. Reynolds quickly recited the letters "LMNOP", then stated "J, K..oh God". Reynolds then went over the alphabet, this time singing it - but was never able to accurately make it through the entire alphabet.

Based upon the totality of the circumstances, I placed Reynolds under arrest for DUI. I requested at roadside she provide a lawful sample of her breath for the purpose of determining the alcohol content. Reynolds refused. I advised Reynolds of Implied Consent, confirmed she understood, and again requested she provide a breath sample. Reynolds refused at 0237 hours.

Based upon the aforementioned facts resulting from my investigation, I find Probable Cause exists to charge Lauren Reynolds with DUI - Normal Faculties Impaired pursuant to FSS 316.193(1)(a) and Refusal to Submit to a Breath Test (First Offense) pursuant to FSS 316.1939(1)(d).

NOT APPLICABLE WITH VOLUNTARY CONSENT

DEFENDANT'S NAME: Lauren Reynolds CASE NO: 25-004479

DATE OF ARREST: 12/22/2025 TIME OF ARREST: 0235

I am now requesting that you submit to a lawful test of your **BREATH** for the purpose of determining its alcohol content.

Will you take the test? YES____ NO ✓

NOTE: *READ ONLY IF THE ANSWER TO THE ABOVE IS "NO"*

If you refuse to take the test I have requested of you, your driving privilege will be suspended for a period of one (1) year for a FIRST REFUSAL. Additionally, if you refuse to take the test I have requested of you, you will be committing a misdemeanor of the SECOND DEGREE if this is your first refusal, in addition to any other penalties which can be imposed by law. If you refuse to take the test I have requested of you, and if your driving privilege has been PREVIOUSLY SUSPENDED, or if you have been PREVIOUSLY FINED under s. 327.35215, for a refusal to submit to a lawful test of your breath, urine, or blood, your driving privilege will be suspended for a period of eighteen (18) months. Additionally, you will be committing a misdemeanor of the FIRST DEGREE, in addition to any other penalties which can be imposed by law. Refusal to submit to the test I have requested is admissible into evidence in any criminal proceeding.

Do you understand what I have just read to you? YES ✓ NO____

Do you still refuse to submit to this test? YES ✓ NO____

NOTE: *IF THE SUBJECT POSSESSES A COMMERCIAL DRIVER LICENSE (CDL), READ THE FOLLOWING, REGARDLESS OF WHETHER THE SUBJECT IS OPERATING A COMMERCIAL MOTOR VEHICLE (CMV)*

In addition, if you hold a Commercial Driver's License (CDL), or were driving a Commercial Motor Vehicle (CMV), your refusal to submit to testing will result in the loss of your commercial driving privileges for one year from today. If this is your second refusal, you will be permanently disqualified from operating a Commercial Motor Vehicle (CMV).

Do you understand what I have just read to you? YES____ NO____

Do you still refuse to submit to this test? YES____ NO____

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody

☐ committed the below acts in my presence.
☐ confessed to _____ admitting to the below facts.
☐ was observed by _____ who told that he/she saw the arrested person commit the below acts.
☒ was found to have commited the below acts, resulting from my (described) investigation.

On the 21 day of DECEMBER 20 25 at 1432 ☐ A.M. ☒ P.M. (Specifically include facts constituting cause for arrest.)

☒ Marsy's Law CVI
FL. Const. Art.1 § 16(b)

On Sunday, December 21st, 2025, at approximately 1223 hours, I responded to the parking lot of District 4 located at 14925 Cumberland Drive, Unincorporated Palm Beach County, Florida, 33446, in reference to a domestic incident.

Upon arrival I made contact with the victim, [redacted], who advised in a sworn statement that he had been living with his girlfriend, Inna Gorkin, for approximately three years at their shared residence, 13677 Cortez Drive. At around 1000 hours on the morning of December 21st, 2025, he got into a verbal altercation with Gorkin, which escalated into Gorkin following Teitelbaum into the bedroom. During the ensuing argument, while Teitelbaum was sitting on the edge of the bed and Gorkin was standing in front of him, Gorkin took her cell phone and struck Teitelbaum on the top of his head with it. I did not observe any physical injuries on Teitelbaum.

I proceeded to make contact with Gorkin who corroborated Teitelbaum's statement. Gorkin advised that the argument was verbal in nature and that when Teitelbaum proceeded into the bedroom, he slammed the door so she followed him in there to ask him not to do that. Gorkin stated that during the argument she took her phone and "tapped" Teitelbaum on the head with it.

After gathering evidence and sworn statements from all parties involved, I find probable cause to arrest Inna Gorkin for domestic battery, pursuant to F.S.S. 784.03(1a1).
