**Probable Cause**

On Tuesday, January 13, 2026, at approximately 1:13 am, I Trooper Kens Depeine ID#:1394 was in service in Palm Beach County FL. I was dispatched by Lake Worth Regional Communication Center (LWRCC) to an incident that occurred northbound on State Road 91 (Florida Turnpike) at the 86-mile marker.

Upon my arrival, I observed two (2) vehicles on the right outside shoulder lane. The first (1) vehicle was described as a blue Chevrolet Silverado bearing a Florida tag: BM86IK facing north on the right outside shoulder. The second vehicle was described as a white Acura bearing a Florida Tag: IT37ST *facing* north on the right outside shoulder.

I approached a white female who was sitting inside the blue Chevrolet, and I asked her if she was part this crash and if she was okay. The white female stated to me that she was okay, and she was the driver of the blue Chevrolet, and she was the only occupant inside the vehicle. The driver of the blue Chevrolet was later identified by her Florida Driver's License (FL DL: O-642-533-88-727-0) as Ms. LAUREN MARIE ORLOSKY.

I proceeded to make contact with the other driver involved, an Asian male who was standing next to the white Acura; I asked him if he was okay. He stated that he was okay he advised that he was the driver of the vehicle and accompanied another white male in the front passenger. The driver of the white Acura was later identified by his Florida Driver License (FL DL: T-520-118-55-326-0 ) as CHUNG,THANH,TONG and the passenger was also identified as ROBERT WILLIAM DAMELIO with a Florida Driver License.

I went back to continue my conversation with Ms. Orlosky who was the driver of the blue Chevrolet at the time of the crash. I ask her what happened... Ms. Orlosky stated to me that she was traveling in the inside lane another vehicle abruptly stopped in front of her which caused the front of her of her vehicle collided with the rear of Mr. Tong.

As I was talking to Ms. Orlosky, I smelled a strong odor of an alcoholic beverage coming from her breath and facial area as she spoke, she was sweating profusely, and her eyes were red and glassy. I asked her where he was coming from, she stated that she was coming from West Palm Beach while she was in Boynton beach Blvd, and I asked her if she drank any alcoholic beverage tonight. Ms. Orlosky stated that she did not drink any alcoholic drink. As I was talking to Ms. Orlosky, I continued to notice signs of impairment such as lack of balance and slurred speech.

I then make contact with the driver of the white, Mr. Tong, and asked him what happened. Mr. Tong stated that he was traveling in the outside lane, and the traffic was slowing down due to construction on the roadway, which he started to slow down his vehicle. Suddenly, the blue Chevrolet rearended his vehicle.

Based on the evidence obtained on scene, I observed that Ms. Orlosky's vehicle (blue Chevrolet) had heavy front damage, and the white Acura had rearended damage. Therefore, I came to my conclusion that Ms. Orlosky's vehicle failed to maintain a safe traveling distance from Mr. Tong's vehicle (white Acura) As a result, Ms. Orlosky Vehicle front collided with Mr. Tong's vehicle rear.

I informed Ms. Orlosky that the crash investigation had ended and that I was now beginning a DUI investigation. I advised Ms. Orlosky that based on my observation and my interaction with her I believe that she was under the influence of an unknown alcoholic beverage or other control substance. I asked her If she was willing to perform the standardized field sobriety exercises. She stated "Yes".

Due to the condition of the roadway (tiny shoulder, wet roadway) lack of light, I advised Ms. Orlosky that I would take her to the Florida Highway Patrol Station at the 94-mile marker to proceed with the exercises and investigation.

Upon arrival at the station, I asked Ms. Orlosky to step out of the vehicle which she did. I then began the exercises in the following order: Horizontal Gaze Nystagmus (HGN) Before I gave Ms. Robles the instructions regarding the exercise, I asked her if she had any medical conditions or injuries that could prevent her from performing these exercises. she stated "No." However, she stated that she was involved in incident where she had experience in her back. I asked her if she wears glasses or contacts and she stated "Yes". She wore glasses. I started by asking Ms. Orlosky to stand at the staring position, Ms. Orlosky kept on moving around and complaining about her back pain. I asked her if she wanted EMS to come back to the scene to check her again, she refused. I gave Ms. Orlosky multiple opportunities to perform the exercises she refused to remain in the starting position.

Ms. Orlosky failed to comply with the instruction of the standardized field sobriety exercises. I advised her that I would consider it as a refusal.

Based on my observations and totality of circumstances, I determined that I had probable cause to believe that Ms. Orlosky was operating a motor vehicle while under the influence of alcoholic beverages or any other control substance, to the point that her normal faculties were impaired. Ms. Orlosky was placed under arrest on Tuesday, January 13th, 2026, at 2:23AM. She was later transported to that Palm Beach County Sheriff's Office Breath Alcohol Testing (BAT) facility.

At the BAT facility, a 20-minutes observation was conducted by me. Ms. Orlosky did not ingest anything by mouth nor regurgitate. Then the breath tech asked me to take Ms. Orlosky inside the breathalyzer room where I asked Ms. Orlosky if she wanted to provide a breath test sample in order to determine her breath alcohol concentration (BAC). Ms. Orlosky agreed to provide two breath samples. After receiving all instructions, Ms. Orlosky provided two breath samples as requested. A valid breath sample result was given. Her first breath sample was taken at 4:00 AM and the test result was .112 BAC. Her second breath sample was taken at 4:03 AM and the result was .119 BAC.

Ms. Orlosky committed the offense of DUI Alcohol or Drugs and Damage Property as outlined in Florida State Statute 316.193(3c1).
