PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that I have just and reasonable grounds to believe, and do believe that the above named Defendant committed the listed violation(s) of law. The Person taken into custody:

- ☐ Committed the below acts in my presence.
- ☐ Confessed to [WITNESS] admitting to the below facts.
- ☐ Was observed by [WITNESS] who told [WITNESS] that he/she saw the arrested person commit the below acts.
- ☒ Was found to have committed the below acts, resulting from my (described) investigation.

On Thursday, September 24th, 2026 at approximately 2046 hours, I responded to the intersection of 6th Avenue South and Wright Drive, which is located within the incorporated City of Lake Worth Beach, Palm Beach County, Florida, 33461 in reference to a vehicle crash.

Upon my arrival, I observed a 2015 white Hyundai Genesis bearing Missouri registration plate EE7P0D with extensive front end damage that had collided with the rear of a 2022 black BMW 430I bearing Florida registration plate IKG4W causing the front of the BMW to impact the rear of a Volkswagon SUV bearing Florida registration plate PH255P. The driver of the Hyundai provided a Missouri license identifying herself Leigh, Ann, Burgin (DOB 04/21/1977).

Nicole, Lexi, Burattini Adams (DOB 07/21/2002) was driving a white 2024 Honda HR-V bearing Florida registration plate PA1598 and witnessed the crash. Burattini provided a witness statement which was captured on BWC identifying the driver of the Hyundai Genesis as Burgin. Burattini mentioned during the statement that once Burgin exited the Hyundai, she immediately put on a hat.

A male living at 532 Wright Drive, which is the Northeast corner of the intersection where the collision occurred, heard the collision and exited the residence to call 911 and see what happened. The male was verbally identified as Michael, Dean, Owens (DOB 07/07/1973) and advised he was laying in bed when he heard the collision. Owens advised he saw Burgin exit the Hyundai from the passenger side due to the damage of the vehicle. Owens advised he did not see anyone else exit the Hyundai stating Burgins was the only occupant. Owens mentioned Burgin went to the wooden fence located just South of the sidewalk where the collision occurred and saw her throw something over it. Burgin could not positively identify what it was, but advised it was approximately the size of a soda bottle. Owens also noted his wife had sent him a text after the collision asking who the person was that just threw something over the fence. The description Owens wife gave of the individual who threw the object was identical to Burgin. Deputies went

NOT A CERTIFIED COPY

to the other side of the fence and observed a clear empty bottle Cavit Pinot Grigio which has a 12% alcohol content. Owens had cameras on his house which showed the crash and provided a witness statement which was captured on BWC.

Deputies noted there were numerous bottles of Cavit Pinot Grigio on the passenger floorboard of the Hyundai which were the exact same as the one located on the other side of the fence. While speaking with Burgin I observed her swaying from side to side having difficulty maintaining her balance. Burgin was slurring her speech and her eyes were glassy and bloodshot. While asking Burgins about the crash, she at first advised the BMW came out of nowhere. After being asked clarifying questions, Burgins advised the BMW was stopped in the middle of the road for no reason and there were no other vehicles around. When asked where she was coming from, Burgins advised she was somewhere in Boca near the water on a date. [redacted] I asked Burgins if she would be willing to perform roadside tasks to determine if she was impaired. Burgins was hesitant and did not want to cooperate, but eventually said she would not perform the roadside tasks. I told Burgins I would have to make my decisions based off the information I had along with observation giving her another chance to perform the tasks which she again refused to perform. I had Burgins place her hands behind her back and began to apply handcuffs at which point Burgins agreed to do the roadside tasks.

I asked Burgins if she had any medical conditions to include any issues with her feet, legs, hip, and back, to which she replied she did not. I asked Burgins if she would be comfortable performing the tasks in the high heels she was wearing which she said she was. I advised that if at any point she wanted to take them off she could. When asked if she wore glasses she replied she did and currently had one contact lens in to assist with close sight reading to help her read the Bible and one contact lens in to assist with far sight for driving. Burgins was asked if she wanted to take them off so they would not interfere with the tasks, which seemed to upset her. I asked Burgins if she could see the pen light I was holding as which she could and advised the color was blue when asked. I had Burgins stand with her feet together and hands at her side requesting she remain in that position while I explained the task to her. While giving the instructions, Burgins said she needed to call a friend to pick up art supplies from the Hyundai and walked back to the Hyundai. I told Burgins she could call her friend later and that she needed to come back so she could perform the roadside tasks. Burgins then advised she did not want to perform the tasks and I again told her I would have to base my decision based off of the information I had as well as observations. After being given another chance to perform the tasks, Burgins refused. Burgins was placed into handcuffs and transported to the PBSO BAT facility. Burgins was read all the required paperwork and was asked if she would provide a breath sample to which she refused. Burgins was advised of the effects of refusing to provide a breath sample, said she understood, and would not provide a breath sample.

Based on the above information I find Burgin in violation of FSS 316.1939, Refusal to submit to lawful BAL test, citation number A0CVHPE, and FSS 316.193(3)(c)(1), DUI involving property damage, citation number ANC0FBE.
