PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law

The Person taken into custody . .

☒ committed the below acts in my presence.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ confessed to _____ admitting to the below facts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 20 day of November, 2023 at 21:05 (Specifically include facts constituting cause for arrest.)

On November 20th, 2023, at approximately 2037 hours, NorthCom Regional Communications Center received a 911 call from concerned citizen Kevin Poignant (561) 225-0665 regarding a possible impaired driver leaving the Season`s 52, located at 11611 Ellison Wilson Road, within the City of Palm Beach Gardens, County of Palm Beach, State of Florida. Body Worn Camera was utilized during this event.

The caller, who was following the vehicle, stated a white two-door Mini Cooper (FL/B1JVT) occupied by a white male was travelling westbound on PGA Blvd from Ellison Wilson Rd at a high rate of speed and was being operated in an erratic manner. The vehicle was said to have continued westbound from Prosperity Farms Rd.

I staged at the intersection of PGA Blvd and Lake Victoria Gardens Ave. Shortly after, I witnessed the same described vehicle travelling westbound through the intersection at a high rate of speed. I began to follow the vehicle as the driver slowed and turned into the left turn lane near RCA Blvd. Then, the driver made a sudden U-turn to travel eastbound on PGA Blvd, cutting off numerous vehicles travelling eastbound. Based upon Navarette v. California, I activated my emergency flashing red and blue lights to affect a stop.

The vehicle continued eastbound and did not yield to my emergency lights. I activated my audible sirens and the vehicle continued at slow speeds eastbound before turning southbound on Lake Victoria Gardens Av. The vehicle continued further until it finally came to a stop south of PGA Blvd. I approached and contacted the driver who is the adult defendant in this case, identified by Florida Driver`s License photo as Leonardo BUSA. He was the only occupant in the vehicle. I immediately smelled the strong odor of an unknown alcoholic beverage emanating from his breath at conversational distance. This odor increased in intensity as we spoke. The defendant also had very red, watery eyes and a flushed face. He explained he was coming from Season`s 52 where he alleged he

PROBABLE CAUSE STATEMENT

consumed one (1) glass of Chardonnay wine, finishing his drink at approximately 2000 hours. He said this after first denying consuming any alcoholic beverages. Further, he said he was trying to get home and was not experiencing a medical episode.

Based upon my observation, I asked the defendant to participate in Standardized Field Sobriety Exercises to which he complied. The defendant said he did not have any medical conditions which would affect the exercises.

The first exercises conducted was the Horizontal Gaze Nystagmus. The stimulus used was a Streamlight stylus pen with an illuminated red tip. I observed the lack of smooth pursuit in both eyes, distinct and sustained Nystagmus at maximum deviation in both eyes, and the onset of Nystagmus prior to 45 degrees in both eyes. Vertical Gaze Nystagmus was also present. The defendant swayed while standing and moved his head while following the stimulus. I observed six out of six indicators of possible impairment.

The second exercise conducted was the Walk and Turn. The line used was a delineated solid yellow strip of tape placed on the roadway. The defendant was unable to balance while listening to instructions and broke the starting position numerous times while leaning against my marked unit for balance. He also had difficulty achieving the starting position, as he kept placing his left foot in front of his right, contrary to how he was instructed. Once he began, the defendant missed heal-to-toe on steps #1,3,4,5,6,7,8,9. He stepped off the line on steps #1,3,5 and took a total of 15 steps going forward. He did not complete the turn nor take the remaining return steps on the line as instructed. Further, he did not count his steps aloud. In total, I observed four out of eight indicators of possible impairment.

The third and final exercise was the One-Leg Stand. The defendant raised his right foot for this exercise. He placed his foot down three times and swayed while balancing. He also bent his knee and did not count aloud as instructed. I observed two out of four indicators of possible impairment.

Based on my observations, I placed the defendant under arrest at 2101 hours. At PBSO BAT, the defendant agreed to provide a breath sample. At 2218 hours he blew .201 and at 2222 hours he blew .204.

It should be noted I later made telephone contact with the initial 911 caller. He explained he observed the defendant leaving Season`s 52 and swaying heavily while walking to his vehicle. Once he occupied the Mini Cooper, the defendant was observed speeding and swerving in between lanes while travelling on PGA Blvd.

Based on the results of my investigation, I have probable cause to prove the adult defendant Leonardo BUSA unlawfully operated a motor vehicle in the State of Florida, while under the influence of an alcoholic beverage, in violation of F.S. 316.193-1. The
