PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☐ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 20 day of May, 2024 at 23:23 (Specifically include facts constituting cause for arrest.)

On Monday May 20th, 2024 at approximately 2045 hours, I was dispatched to the area of S ALT A1A/Admirals Cove Blvd in reference to a reckless driver that was all over the roadway. Dispatch advised that two separate callers stated that a blue Toyota 4runner, (FL Tag # 54DVXQ), was swerving all over the roadway and ran two separate red-lights.

As I approached the intersection of S ALT A1A/Barrow Island, I observed the same blue Toyota 4runner swerving between all three lanes of travel and almost hitting two separate vehicles. I confirmed it was the same vehicle just given out in the BOLO not even two minutes prior. I observed that the vehicle had only one working license plate light making the tag slightly obstructed and watched the driver almost rear-end the vehicle in front of it at the intersection of S ALT A1A/Toney Penna Drive. I attempted to conduct a traffic stop by activating my overhead lights/sirens in my fully marked Jupiter Police vehicle #2405. The vehicle did not change its driving pattern at all when I activated my lights/sirens and continued N/B on ALT A1A at approximately 25MPH swerving between lanes. After having to blare my air-horn/siren multiple times, the driver finally pulled over on Dickinson Drive about .25 miles from the intersection where I had originally activated my lights/sirens. The driver almost struck the curb multiple times and even continued to slowly roll forward for a brief moment after coming to a stop.

I made contact with the driver, registered owner, and sole occupant of the vehicle, Loren Squier (W/M 01/16/1983). I asked Squier why he was driving so recklessly and he just looked at me with a blank stare. I had to ask Squier multiple times for his license, registration, and insurance, to which he was finally able to provide after multiple reminders. While speaking with Squier, I observed that he had very slurred speech and the strong odor of an unknown alcoholic beverage emanating off of his breath that intensified as he spoke. Squier stated he was coming from work and Duffy`s (local restaurant). At one point, I asked Squier to open the passenger window for my partners,

to which he was unable to do so and kept looking around inside of his vehicle pushing random buttons. I requested Squier to exit his vehicle, when he did, he appeared uneasy on his feet and was stumbling slightly.

After walking to the other side of his vehicle to get away from the roadway, which took a moment because Squier could not follow my basic instructions. Squier admitted to coming from work and Duffy`s were he had consumed in his words "way too much" to drink. I asked Squier if he had 2-3 drinks or more, to which he stated he had over 5+ drinks of vodka and other various liquors. Squier even pointed out how messed up he was and how slurred his speech was if I could not tell already that he was highly intoxicated. Squier pleaded with me to just let him go because he was "almost home" and realized he made a mistake and should not have drove tonight.

Based on the aforementioned events, I requested Squier submit to Standardized Field Sobriety Tasks, to which he continued to plead for me to let him go because he was honest with me. I advised Squier that if he refused to complete the tasks I have requested of him, it can and will be used against him in a court of law and I would have to base an arrest decision on what I have seen so far. He stated he understood and would participate.

I first began with the Horizontal Gaze Nystagmus task. I instructed Squier to stand with his feet touching (heel & toes) and to keep his arms down at his side to which he struggled to do. I demonstrated to Squier that he would be following my stimulus (red light) with his eyes and his eyes only and to keep his head still at all times. Squier stated he understood the instructions and was ready for me to continue. Squier `s eyes had no resting nystagmus in either eye and both eyes tracked together equally. I observed lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation in both eyes, and onset of nystagmus prior to 45 degrees in both eyes. Multiple times throughout this task Squier stopped following the stimulus with his eyes and was using his head, was laughing and not paying attention, and I was unable to fully complete the vertical gaze nystagmus as he continued to laugh and move around.

The second task was the Walk & Turn task. I demonstrated and instructed Squier to stand on the bright red line of tape I laid on the flat roadway and to place his left foot onto the line and his right foot touching his left foot heel to toe with his arms at his side. Squier got into the starting position briefly and was unable to maintain it. Squier stated "you got me already" and just stood there. After back and forth conversation and Squier still continuing to refuse to listen to my instructions or take the tasks seriously, I took it as a refusal to continue.

Based on my investigation, observations, and totality of circumstances, I had probable cause to believe that Loren Squier was in actual physical control of a vehicle while under the influence of an alcoholic beverage, chemical, or controlled substance, to the

point where his normal faculties were impaired, contrary to F.S 316.193. He was placed into handcuffs that were properly spaced and double-locked per department policy at 2107 hours and placed back into the rear of my patrol car.

After Squier was secured in the rear of my patrol car, a witness, Patrick McKenna (W/M 11/12/2001), pulled over to give a statement. McKenna advised that the blue Toyota was all over the roadway and he had to swerve so it would not collide with his car. He stated that at one point, the blue Toyota ran the solid red-light at the intersection of S ALT A1A/Admirals Cove almost hitting other vehicles.

I transported him to the Palm Beach County Breath Alcohol Testing center, arriving at 2140 hours. I placed Squier under a 20 minute observation period, during which he neither consumed nor regurgitated anything. During the observation period, Squier continually gloated as to how it was "only a matter of time" he got caught for DUI as he stated he drives under the influence frequently. He stated that he had nightmares about possibly killing someone while driving under the influence, however, could not give me a reason as to why he continues to do so. We then went on video with BAT technician Miller#41017. I requested Squier submit to a lawful test of his breath to determine the alcohol content, to which he refused to answer me or state his name or address for the record. I read Squier his implied consent from a pre-printed card. Instead of listening to me, Squier was trying to put his handcuffs in front of him as I had already instructed him not to do three other times. Squier was explained implied consent again and stated he understood. I asked him again and he refused. Refusal time was marked at 2110 hours.

Squier`s vehicle was towed by All-Hooked Up towing.

I placed Squier in holding while all necessary paperwork was completed and subsequently booked him into the Palm Beach County Jail. He was given a criminal court date of 06/26/2024, 0830 hours.
