Arrival Time 0125 hours |Arrest 0142 hours |Implied Consent N/A

On November 23rd, 2023 at or about 0142 hours at 5000 N Federal Hwy which is located within the jurisdictional limits of the City of Fort Lauderdale, within Broward County and the State of Florida, the above named defendant did commit the violation of Driving Under the Influence of alcoholic beverage (Florida State Statue 316 193) Louis Redington did, then and unlawfully drive, or was in actual physical control of a motor vehicle, to-wit Gray Jeep Grand Cherokee bearing Florida tag while he was under the influence of an alcoholic beverage and/or chemical and/or controlled substance to the extent that his normal faculties were impaired or has a breath-alcohol level of 0 08 or more grams of alcohol per 210 liters of breath

On 11/23/2023, I was driving north in the area of 6200 N Federal Hwy running moving radar when I observed the listed Jeep traveling south at a high rate of speed I made a U-Turn to attempt a traffic stop on the vehicle, but I was unable to catch up until the vehicle slowed down when he saw the fully Marked City of Fort Lauderdale Police car that Officer F Smith was driving in the area of Commercial Blvd and N Federal Hwy When the light turned green I activated my red/blue emergency lights to conduct a traffic stop on the vehicle The vehicle pulled over without any issues I made contact with Redington (driver) and one male passenger While speaking with Redington I could smell the odor of an alcoholic beverage coming from the vehicle, his eyes were red/watery, his face was red/flush, and when he was attempting to get his license out of his wallet, he dropped his wallet I asked Redington where he was coming from and he said home I asked Redington where he was going and he said home

I asked Redington to step out of the vehicle, so I could speak with him away from the vehicle and his passenger and he complied While speaking with Redington outside of the vehicle I could still smell the odor of an alcoholic beverage coming from his breath/person I asked Redington again where he was coming from and he said a bar/restaurant called Baha Café where he had 1 Tequilla drink

I explained that I was conducting a criminal D U I Investigation and I asked Redington if he would submit to a series of field sobriety exercises, which he agreed to perform I asked Redington the following questions prior to starting the field sobriety exercises

Are you sick or injured? No

Are you diabetic or epileptic? No

Do you take insulin? No

Are you under the care of a doctor or dentist? no

Are you taking any medications? No

Do you have a physical handicap or any physical alignments? Prior neck injury

Do you wear glasses or contacts? Glasses

Field Sobriety Exercise – Horizontal Gaze Nystagmus

The first exercise performed was the horizontal gaze nystagmus which was completed using a red pen light stimulus The directions of the exercise were explained to Redington I asked Redington if he understood the directions of the exercise which she acknowledged he did I checked the eyes for equal pupil size, resting nystagmus, and equal tracking The exercise was performed starting with the subjects left eye and I observed the following clues in the left and right eye,

- Lack of smooth
- Distinct and sustained nystagmus at maximum deviation
- Onset of nystagmus prior to 45 degrees

Total clues observed 6 / 6

Observations Redington was swaying and had vertical nystagmus present

Field Sobriety Exercise – Walk and Turn

The second exercise performed was a divided attention exercise, which was the walk and turn The walk and turn was performed using an actual line on a flat level dry surface free of debris The directions of the exercise were explained and demonstrated to Redington at which time I asked Redington if he understood Redington responded "yes" I instructed Redington to begin the exercise The following clues were observed,

- Can't Keep balance while listening to instructions
- Stops walking to steady self

Observations

Field Sobriety Exercise – One Leg Stand

The third exercise performed was a divided attention exercise, which was the one leg stand The directions of the exercise were explained to Redington at which time I asked him if he understood Redington responded "yes" Redington was instructed to being the exercise at which time he lifted his right foot I observed the following clues,

•Sways while balancing

•Hopping

•Puts foot down

Total Clues observed 3 / 4

Observations Redington attempting this exercise while raising his left foot, but asked if he could try his right foot, so he attempted the exercise a second time

Field Sobriety Exercise – Finger to Nose

The fourth exercise performed was the finger to nose The directions of the exercise were explained and demonstrated to Redington, I asked Redington if he understood the directions of the exercise which he responded "yes" The exercise was performed using the sequence left, right, left, right, right, left Redington performed the exercise, which I observed the following clues,

•Does not keep eyes closed
