PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ was found to have committed the below acts, resulting from my (described) investigation.

On the 6 day of April, 2024 at 01:34 (Specifically include facts constituting cause for arrest.)

On April 6th, 2024, at approximately 0102 hours, Ofc. Palacio (ID# 309) and I were dispatched to an unwanted guest at 841 Donald Ross Rd (Kirby's Pub). Upon arrival, we met the reporting party, Jeff Petrell (W/M) who works at Kirby's. Jeff stated that a fight occurred in the bar and he escorted everyone out as he called the Juno Beach Police Department. I advised Ofc. Palacio that I would drive around Plaza La Mer to check if anyone from the bar was walking around the parking lot. I drove a lap around the parking lot, and observed a silver Acura bearing FL Tag# (Z63DFD) that appeared to be pulling out of a parking space across from 837 Donald Ross Rd (Salty Blonde Salon). I proceeded to pull out onto US Highway 1 from the east side of Plaza La Mer, and proceeded to drive south until I made a right hand turn to travel west on Donald Ross Rd before turning back into Plaza La Mer.

At approximately 0125 hours, I proceeded to drive north through the parking lot of Plaza La Mer and observed the same silver Acura bearing FL Tag# (Z63DFD) stationary, partially in the parking space, and partially in the roadway with the brakes activated. I honked my horn at the vehicle and the vehicle did not move, nor did the driver make any indication that they were aware of my presence. I used the spotlight on my patrol vehicle (#117) and illuminated the driver-side of the vehicle, but still, the driver did not move or acknowledge the light. I proceeded to step out of my patrol vehicle to make contact with the driver, and upon reaching the driver-side window, I observed a W/F later identified as Marni Frances Springfield (W/F DOB: 12/17/1978) that appeared to be asleep. I knocked loudly on the window several times, and Springfield woke up. I asked Springfield to roll her window down, and she complied. I asked Springfield if she was okay, and Springfield stated that she was and I asked Springfield to put her vehicle in park which she was able to do after two attempts. I then asked Springfield to shut her vehicle off and she did so without incident. Springfield's eyes appeared red and glassy, speech slurred and sluggish, and an odor of alcoholic beverage emanated

from the interior of the vehicle. I asked Springfield if she was sleeping, and she stated, "Yeah." I asked Springfield for her driver's license which she was able to provide, and after she handed me her driver's license I asked for her vehicle registration and proof of insurance. Springfield sat there for a moment and I had to again ask for her documents. Springfield pulled out her phone and began typing into her insurance application, and after several failed attempts and several minutes, I asked Springfield to step out of the vehicle.

As Springfield exited the vehicle, she staggered and had difficulty maintaining her balance. I advised Springfield that I believe she may be under the influence and asked if she would be willing to perform Standardized Field Sobriety Tasks (SFST's), and she agreed to perform the tasks. I asked Ofc. Palacio to reposition my vehicle and camera before we started SFST's.

The first task performed was the Horizontal Gaze Nystagmus (HGN). I advised Springfield to stand with her hands at her sides and feet together and to stare at the tip of my pen. Springfields pupils were dilated and I observed resting nystagmus in both eyes. I instructed Springfield to follow my pen with her eyes only. I began moving my pen to my right and then to my left making a total of two passes and I observed a Lack of Smooth Pursuit in Springfield's left and right eye as they tried to maintain focus. I then checked for Distinct and Sustained Nystagmus at Maximum Deviation and Springfield's eyes jerked uncontrollably in both her right and left eye. I then checked for Onset of Nystagmus prior to 45-Degrees and I observed Springfield's eyes jerk uncontrollably in both her left and right eye. Lastly, I checked for Vertical Nystagmus, and Springfield's eyes jerked vertically and then back to center. This resulted in 6 total clues.

The second task was the Walk and Turn. I was explaining the instructions to Springfield and she had difficulty understanding the instructions and at one point even turning her back towards me. I demonstrated the task and Springfield had a noticeable sway trying to maintain her balance as she observed me and attempted to start the task before instructed to do so. I instructed Springfield to begin the task, and at no point did she touch heel-to-toe, Springfield used her arms to balance, she stepped off the line, and conducted an improper turn. This resulted in 5 total clues.

The final task was the One-Leg Stand. I explained the instructions and demonstrated the task to Springfield, and advised she may begin when she is ready to do so. Springfield put her foot down several times, used her arms for balance, and could not maintain her balance. Springfield began to stumble and nearly fell, and for Springfield's safety, I

ceased progressing further with any SFST's. This resulted in 2 total clues.

Based on my above observations, I believe I have probable cause to arrest Springfield for Driving Under the Influence. I advised Springfield that based on my investigation I was placing her under arrest for Driving Under the Influence in violation of F.S.S.316.193(1)(A) DUI - NORMAL FACULTIES IMPAIRED at 0134 hours. Handcuffs were checked for proper spacing and double-locked to prevent tightening, and Springfield was placed in the back of my patrol vehicle (#117). Ofc. Palacio requested the Jupiter Police Department send a female to search Springfield, and JPD sent Ofc. Raleigh to conduct the search. Ofc. Raleigh completed the search and I requested Springfield to submit to a lawful test of her breath for the purpose of determining the alcohol content. Springfield refused and was subsequently read Implied Consent, and again, Springfield refused to submit at 0152 hours. Based on this refusal, I believe I have probable cause to charge Springfield with 316.1939(1) DUI - REFUSE TO SUBMIT TO CHEMICAL/PHY. Springfield was transported to 340 Ocean Drive, Juno Beach FL, 33408 (Juno Beach Police Department) for processing.
