PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody . . .

☐ committed the below acts in my presence.
☐ confessed to _____ admitting to the below facts.
☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 2 day of March, 2023 at 08:11 (Specifically include facts constituting cause for arrest.)

On June 8, 2022, as a member of the South Florida Internet Crimes Against Children Task Force, I was assigned to further investigate Cyber Tip ("CT") #125516784 from the National Center of Missing and Exploited Children (NCMEC). I reviewed the CT for viability and jurisdiction.

Cyber tips are investigative leads generated by NCMEC. NCMEC is a non-profit organization that provides services nationwide for families and professionals in the prevention of abducted, endangered, and sexually exploited children. Pursuant to its mission and its congressional authorization (34 USC 11293) NCMEC operates the Cyber Tip line and Child Victim Identification Programs to assist law enforcement in identifying victims of child pornography and child sexual exploitation. NCMEC works with law enforcement, Internet Service Providers, electronic payment service providers, and others to reduce the distribution of child sexual exploitation images and videos over the Internet. NCMEC forwards reports of child sexual exploitation to law enforcement for the purposes of investigation and disposition.

The CT stated that on May 15, 2022, the electronic service provider, MediaLab/Kik reported a user uploaded/shared (3) files depicting child sexual conduct/abuse material with another user or group of users. MediaLab/Kik (hereinafter referred to as "Kik") reported that the files were uploaded on 04-21-2022 at 21:03:19 UTC, 21:04:01 UTC and 20:50:41 UTC from IP address 73.84.32.178.
Kik reported the following information from the suspect account:

- Email address: mattllorens@icloud.com
- Screen/User Name: knats22
- ESP User ID: knats22_34o
- IP Address: 96.76.75.133 (Login) 05-11-2022 14:55:06 UTC

I know from training and experience that "Kik" is a mobile messaging application that can be used on both android and iPhone. The main functions of Kik are one to one chatting, anonymous chat, sending of messages, videos, pictures, gifs, and group chat (with up to 49 other users). Sending of photos and videos, within the Kik messaging application, can be done through the selection of photos/videos stored on the device or through the in-app camera capture function. As an example, a photograph sent from one user to another would be selected through the "Gallery" function of the KiK application. The "Gallery" enables a user to select the photo/video, already stored on the device, to send to another user.

Within the CT, Kik advised the files they reported to NCMEC were viewed by someone with Kik. Therefore, I also viewed the files reported and viewed by Kik, and confirmed they contained child sexual abuse material (CSAM), and met the elements of child sexual exploitation as per F.S.S. 827.071. Additionally, the files, e6ed3b39-a7b3-4816-af67-076fec98a204.jpg and 304b7b9f-6a89-49c4-9d55-ed8b5ac7420b.jpg, were notated as a "Hash Match" and categorized as "Apparent Child Pornography". A "Hash Match" is a designation indicating that the uploaded file matches the hash value of previously viewed and categorized Child Sexual Abuse Material (CSAM), by NCMEC.

I checked the address of 214 2nd St., Jupiter, FL 33458 within the Driver and Vehicle Database (DAVID) and found that there was a male named Matthew Llorens (w/m 09/22/1996) registered at the address. That name matches the email address assigned to the suspect`s Kik account (mattllorens@icloud.com). I subsequently conducted visual surveillance of the residence (06/08/2022), and observed a white in color Honda Accord (FL Tag "20T"), parked in the driveway. Matthew Llorens, w/m 09/22/1996, is the listed registered owner of the vehicle.

On August 2, 2022, I obtained a search warrant for Kik to receive stored data, content, files and information for the Kik screen name of knats22 and/or email address mattllorens@icloud.com and/or ESP user ID-knats22_34o. On August 5, 2022, I received the results from Kik. In the file folder labeled "content", the three files of CSAM that were reported by Kik were located. Intermixed within the "content" folder were numerous videos depicting sexual acts and nude females. Of the videos present, filename: 36d8a2f4-23b5-4808-9255-f1e105ac814d.mp4 is a video of two pubescent females, 14-16 years old, nude and in the shower. The focus of the videos is of their breasts.

Additionally, I conducted open source investigations, utilizing targeted Google searches for "knats22" which resulted in numerous returns. The targeted Google search results provided links to reddit.com, adultimgshare.co.uk, and fap.bar where the username "knats22" was referenced when soliciting images to be traded or shared on Kik. Further, reddit.com contained posts made by user "hugewhitecock8", requesting others to share pornography with kik username "knats22" and "knatts22" (A screenshot of the posts was captured). The posts by "Hugewhitecock8" included photographs, which were hosted/linked to the website "Fap.bar" under username "Hugewhitecock8". Of the photographs posted three images contained the following:

" Posted within the subreddit /r/jerkbudss: Photograph of three females (Adult W/F wearing a tan bathing suit top and black bathing suit bottom, apparent juvenile wearing floral bathing suit top and black bathing suit bottom, and apparent juvenile wearing black bathing suit top and pink bathing suit bottom) standing at the rear of a boat. The boat has "thin red line" flag and State of Florida flag mounted on either side of a platform which surrounds the motor.

- The caption corresponding with the photograph is "[kik knats22] in need in need of some buds to feed my cock. Will trade as well"

" Posted within the subreddit /r/jerkbudss: A screenshot of a "Mega" file sharing

Within the folder "Downloads" (…/iclouddrive/com.apple.CloudDocs/Downloads) file name "Screenshot 2022-05-02 at 4.54.31 PM.pdf" was located. The file is an image, saved in a PDF format, of an erect male penis with a subtitle of "Bwc reveal nudes by Hugewhitecock8". A continued search of the iCloud data for the presence of CSAM was conducted, with negative results. The iCloud search warrant return was uploaded to evidence.com.

On February 16, 2023 a search warrant was issued for cellular phone(s) possessed by Matthew Llorens (w/m 09/22/1996). Contact with Matthew Llorens was subsequently made, via telephone, who agreed to come to the Jupiter Police Department for an interview. The search warrant was executed upon completion of the following interview with Matthew Llorens, which occurred on 02/17/23.

Prior to the interview I created two screenshots, for possible ID, from the following files located within the Kik search warrant return:

At approximately 0855hrs, on 02/17/2023, I met with Matthew Llorens (w/m 09/22/1996) in the lobby of the Jupiter Police Department, at which time we proceeded to an interview room. The following is a summary of the interview with Matthew Llorens, as a verbatim of the interview can be observed on Evidence.com as it was captured by my department issued body worn camera.

I began the interview, asking Llorens if he was familiar with Miranda Warnings, to which he stated he was. I subsequently read Llorens his Miranda Warnings from a department issued preprinted card, to which he acknowledged. Upon acknowledgement, I advised Llorens of my role at the Jupiter Police Department, and proceeded to inquire as to addresses which he has lived at. Llorens stated his current address is 924 East Midway Road, Ft. Pierce, which he has only lived at for a few weeks. Llorens confirmed he lived at 214 2nd Street, Jupiter FL, for approximately one and a half years, with his girlfriend (at the time) Lydia St. Pierre, ending in August of 2022. Llorens also confirmed his current phone number is 561-385-8225, which he has had as long as he can remember. Llorens` current cellphone is an iPhone 12, of which he has owned since it was released (note: the iPhone 12 model was released in October of 2020).

I proceeded to ask Llorens about email account usage, to which he confirmed mattllorens@icloud.com is his iCloud account and primary email account. Llorens was initially unsure as to whether or not he possessed a Gmail email account, but stated the commonality between accounts is that he uses his name (matt llorens) as the account name.

I asked Llorens if he utilized Kik last year (2022) to which he stated he did. When asked what his Kik username was, Llorens stated he was unsure as it was a random account name but did remember it ended in the number "22". I then asked if the username "knats22" or "knatts22" was what he utilized for Kik, to which he responded "sounds like it" (note: At 43:06, as indicated on the recorded BWC timeline, Llorens is shown the original CyberTip and verbally acknowledges the accounts shown, "mattllorens@icloud.com" and kik account "knats22", are his accounts). Llorens also confirmed he utilized his email address of mattllorens@icloud.com for his Kik account.

When asked what Kik was utilized for, Llorens initially stated he utilized it to speak with other females. I advised Llorens of Kik search warrant returns in which I received a substantial amount of media. Of the media returned, numerous videos returned were of a white female with red hair. Llorens stated, prior to viewing a screenshot from the media, [redacted] is the female (note: at 29:23, as timestamped on my BWC timeline, Llorens positively ID`s [redacted] from a Kik return screenshot). Llorens confirmed he was utilizing the videos (10-20 total), in which he was having intercourse with [redacted] to trade on Kik for other pornography. Llorens also stated he knows the difference between a prepubescent child and a pubescent teenager.

I then spoke with Llorens about his activity on "Reddit" (referring to reddit.com). Llorens was reluctant to state his username, but when asked if his username was "hugewhitecock8" he confirmed it was. He also stated he utilized his Gmail account, referring to mattllorens@gmail.com, for account setup. Llorens confirmed he utilized Reddit to trade pornography and would reference his Kik account for users who were not willing to trade through Reddit`s messaging system.

I asked Llorens when was the last time he looked at child pornography, to which he stated "over a year ago". When asked where he was when he looked at child pornography, Llorens stated "the 214 address". Llorens also confirmed he traded photos/videos of [redacted] for Child Pornography. When asked to ID a screenshot (Kik SW return file name 36d8a2f4-23b5-4808-9255-f1e105ac814d.mp4) obtained from a video which depicts two pubescent females 14-16 years old, nude and in the shower, Llorens stated he did not know who the females are.

When asked if he had used "Mega" (file storage application), Llorens confirmed he had in the past but has since deactivated the account. Llorens also stated he posted images

of [redacted] and [redacted] (w/f [redacted]. The images, screenshot from Facebook, were of them while on a boat. The photograph of [redacted] nude having intercourse (note: [redacted] positively ID`s herself at a later time), was confirmed to be taken by Llorens as he photographed the image as displayed on [redacted] iPad. Llorens then confirmed he traded nude media of [redacted] and clothed photographs of [redacted] on Kik and Reddit.

Upon conclusion of the interview, I executed the search warrant pertaining to cellphones in Llorens possession. I seized an Apple iPhone 12 Pro Max from Llorens and provided him with a copy of the search warrant as well as a property receipt.

I subsequently conducted a digital forensic extraction of the Apple iPhone 12 Pro Max (IMEI-356716112989844, Phone Number (561) 385-8225, Account -mattllorens@icloud.com), utilizing Graykey (v. 1.12.3.23501843). Upon completion, I utilized Cellebrite Physical Analyzer (v. 7.60.1.9) to parse the data. Once parsed, I reviewed the contents of the extraction and located two obscene photographs of [redacted]. The photographs, which were embedded in a PDF file, were processed utilizing an application called "dngg". Upon further research, dngg is a service where users upload images of clothed persons (in this case [redacted] and through the use of AI and "deepfake" technology, the clothing is synthetically "removed". Producing an image of [redacted] nude. A report documenting these images was created and submitted into evidence.

On 02/22/2023, I made contact with [redacted] I subsequently requested both parties attempt to ID, from provided screenshots, the two unknown pubescent females who are observed in a shower. Neither party could identify the females. [redacted] then positively identified [redacted] born in 2007, [redacted] from photographs obtained during the investigation. [redacted] subsequently positively identified herself as the nude female in a screenshot, which was obtained through reddit posts by user account hugewhitecock8. [redacted] refused prosecution and stated she will handle the issue within [redacted] structure. This was captured on my department issued Body Worn Camera.

On 02/28/2023, [redacted] was made aware of AI generated nude photographs created of [redacted] born in 2007. [redacted] was advised it was unknown at this time whether or not the photographs were disseminated on the internet, although nothing at this time indicated that they were.

As a result of my investigation, I have determined the following:
Matthew Llorens confirmed the Kik username Knats22 and email address mattllorens@icloud.com are his accounts, which are the accounts listed in the original Cybertip. Matthew Llorens confirmed he utilized Kik while residing at 214 2nd Street, Jupiter Florida during the time period in which the CyberTip was generated. Matthew Llorens confirmed he viewed Child Sexual Abuse Material, and traded pornography for

CSAM, through the Kik messaging application while residing at 214 2nd Street. The Kik search warrant return for account "knats22" included the three original CSAM files as well as an additional video, totaling four (4) files of CSAM. The Cybertip confirmed user knats22 sent the reported CSAM files to another user via private chat message. Upon completion of a Digital Forensic Examination of his personal cellphone, two images were located within PDF files depicting [redacted] (born in 2007) in an obscene manner. These images were created utilizing a paid service to alter a photograph of a known juvenile in a manner which resulted in the juvenile appearing nude.
