PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody . . .

☐ committed the below acts in my presence.
☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
☐ confessed to _____ admitting to the below facts.
☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 23 day of July, 2026 at 21:59 (Specifically include facts constituting cause for arrest.)

On Thursday July 23, 2026 at approximately 19:22 hours, I Officer Eason was dispatched to Promenade Plaza located at 9852 Alternate A1A in the City of Palm Beach Gardens. Upon arrival, I met Officer Velasquez in the parking lot. I was informed by Valasquez that the driver Matthew Leger identified by Florida Drivers license was involved in a traffic accident in the parking lot causing minor damage to the other vehicle. Leger was observed by Off-duty Palm Beach Gardens Police Department Seargent T. Hayashi back into another vehicle. The following information was received from Hayashi.

On Thursday, July 23, 2026 at approximately 18:44 hours, Sergeant Hayashi was off-duty in a marked Palm Beach Gardens Police vehicle at the Promenade Plaza, located at 9852 Alternate A1A in the City of Palm Beach Gardens, Palm Beach County, Florida where he observed a vehicular crash. Vehicle 1, a gray Toyota 4Runner bearing Florida tag NMRE60, backed out from its parking space and began to turn the opposite of the one-way parking lane--attempting to drive northbound in a southbound only lane. In the process, the Toyota backed into a parked and unoccupied Vehicle 2, a black Ford F150 bearing Florida tag RXYP46, which shook when struck. The driver and sole occupant of Vehicle 1, Matthew Leger, parked in the space it left from then remained in the driver seat without exiting to check on damage or injury of Vehicle 2. Leger remained inside his vehicle in actual physical control and appeared to be using his mobile phone.

Sergeant Hayashi was two parking spaces west of the Toyota and saw Leger looking his way but he did not request assistance. Dispatch had not received any report of crash by neither Leger himself nor witnesses, and Leger began to back up and drive away without attempting to leave behind any identifying information. Sergeant Hayashi initiated a traffic stop inside the plaza and obtained information from Leger, during which he requested his driver license, vehicle registration, and insurance. Leger asked what else was requested after obtaining his driver license and registration, during which no insurance information was received thereafter. Leger stated that he had "three drinks"

at Swampgrass Willy`s, a bar establishment located within Promenade Plaza. Leger exhibited glassy, bloodshot eyes at time of contact.

After receiving this information, I approached the driver window and made contact with the sole occupant, identified via Florida Driver License photo, Matthew Leger (OF), while he was still in actual physical control of the vehicle. While speaking with Leger this Officer observed him to have a flushed red face, red watery eyes, a slight slur in his speech, and the obvious odor of an unknown alcoholic beverage from his breath at conversational distance.

Based on this Officer`s observations and the totality of the circumstances, this Officer expressed concern to Leger about him possibly being under the influence and asked him to exit the vehicle to participate in Standardized Field Sobriety Exercises, to which he complied. Leger said he did not have any medical conditions which would effect the exercises performed.

The first exercise conducted was the Horizontal Gaze Nystagmus. The stimulus used was an orange pen with a black tip. Leger had a lack of smooth pursuit in both eyes and sustained involuntary jerking in both eyes at maximum deviation. Leger also had the onset of Nystagmus prior to 45 degrees in both eyes as well as Vertical Gaze Nystagmus in each eye. During the exercise, Leger moved his head at least four times. Leger was also orbitally swaying throughout the exercise.

The second exercise conducted was the Walk and Turn. The line used was a white parking space painted line. During the instruction phase Leger was swaying from side to side and not paying attention. Leger placed his hands in his front pockets and began to move around. Leger then complained that a few years ago he had a medical issue with his torn achilles. I attempted to provide Leger the instruction again to the walk and turn. Leger stated he can not do the exercise because of his leg injury.

The third exercise attempted was the One-Leg Stand. During the exercise I provided Leger the instructions to this exercise. Leger swayed side-to-side and placed his hands in his front pockets. Leger started the exercise before being instructed too. Then Leger stated he could not do it.

The fourth exercise was the finger to nose. I provided Leger the instructions for this exercise. During the instructions Leger started before instructed to start. Once he started the exercise he did not touch the tip of his nose with his index finger and he did not count out loud as instructed.

Based on this Officer`s observations and the totality of the investigation, Leger was placed under arrest at 1920 hours. At the PBSO BAT this Officer conducted a 20 minute observation with no issues. This Officer requested Leger provide a breath sample for

the purpose of determining its alcohol content, to which he asked about a refusal to submit. This Officer read Florida Implied Consent to Leger, to which he acknowledged and consented. At 20:29 hours he blew .307 and at 20:31 hours he blew .307.

Based on the results of the investigation, this Officer determined Matthew Leger did leave the scene of a traffic crash with property damage and operate a motor vehicle, upon a public roadway, in the state of Florida, while under the influence to the extent his normal faculties were impaired, with an unlawful breath alcohol content, contrary to FSS 316.193(1)(C) and 316.193(3)(C).
