The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

The defendant was driving a gray 2020 Nissan SUV bearing Florida license plate ISNN26. She was traveling north on Howard Ave, and made a very wide right turn onto Platt St. Then, while driving east on Platt St the vehicle was weaving back and forth multiple times, striking the curb and almost striking another vehicle. A traffic stop was made, and the vehicle was very slow to stop. The vehicle came to a stop for a red light at Willow Ave and the defendant appeared surprised by officers knocking on her window. It appeared she did not know she was being pulled over. Upon making contact with the defendant, she displayed multiple indicators of impairment, to include watery and bloodshot eyes, slurred speech, slow and sluggish movements, unsteady stance and walk, and a strong odor of an alcoholic beverage on her breath. The defendant refused to perform the SFSEs. The defendant was arrested for DUI and later refused to submit to a breath test, despite acknowledgment of the Implied Consent Warning.

The defendant was identified by a DAVID photo.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
