The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 10/28/2023 at approximately 1500 hours, Deputies Ross #129331 responded to E Bearss Ave and N 22nd St in reference to a traffic crash investigation (23-1079518 / DHSMV #26172728-01). Deputy Ross observed multiple signs of impairment to include bloodshot glassy eyes, slurred speech, incoherence, and fumbling fingers while the defendant was in the driver's seat of the vehicle (gray in color Jeep FL#53JTA / VIN #1C4HJXDG3JW103105). Based upon Deputy Ross' observations he contacted your affiant and requested I respond for a driving under the influence (DUI) investigation.

Upon arrival, I observed the defendant to have bloodshot waters eyes, a slurred speech which was so bad she was not understandable, and the distinct odor of an alcoholic beverage emitting from her person. I informed her of the completion of the civil traffic crash investigation and the beginning of my criminal DUI investigation. I read her Miranda warnings from my HCSO issued Miranda warnings card. I requested the defendant step out of the vehicle. I requested the defendant preform Standardized Field Sobriety Exercises (SFSE), and she refused. I informed the defendant the SFSE's were her chance to dispel any belief she was operating the vehicle under the influence of an intoxicating substance, and she again refused. While talking to the defendant, your affiant observed the defendant to be uneasy on her feet and almost collapse.

Based upon your affiant's observations the defendant was placed under arrest for the suspicion of DUI and transported to Central Breath Testing (CBT). While at CBT, your affiant requested the defendant provide a lawful sample of her breath to Breath Tech Operator Simmons #1706. The defendant refused. I read implied consent to the defendant, and she again refused. I completed a DUI citation for DUI with property damage and injuries.
