PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 27 day of November, 2023 at 02:41 (Specifically include facts constituting cause for arrest.)

On 11/27/2023 at approximately 0241 hours, this Officer arrived in the parking lot of 2490 PGA Blvd, PBG, FL, to assist Ofc Hennessy 409 with an investigation. Body worn camera and in car video were used.

Ofc Hennessy said he observed the vehicle, a Hyundai Sonata (V12RYH/FL) partially blocking the entrance to 2480 PGA Blvd, from the service station located at 2490 PGA Blvd. Ofc Hennessy further stated the vehicle had been positioned in this manner for approximately five to eight minutes. This Officer approached the driver window and made contact with the driver, identified via New Jersey Driver License photo, Meghan Gorman (OF), while she was still in actual physical control of same. Gorman had glassy watery eyes, slurred speech and the obvious odor of an unknown alcoholic beverage emanating from her breath at conversational distance. Gorman asked for her license back, to which this Officer explained an investigation was being conducted. Gorman said she was coming from Panama City, where she was attacked the previous day. Gorman further stated she was on her way to a hotel in Palm Beach.

This Officer expressed concern to Gorman that she was under the influence to which she began to argue. This Officer mentioned the odor coming off Gorman`s breath to which she said she was drinking coffee and water. This Officer asked Gorman to exit the vehicle three times, before she complied. Once she exited, Gorman stumbled backward then claimed to not have stumbled. Gorman then said she had a leg injury which would affect the Standardized Field Sobriety Exercises, thus seated exercises were used. All exercises were conducted while Gorman sat on a marked unit`s push bumper. This Officer asked Gorman if she had any medical conditions with her eyes not corrected by glasses to which she asked if this Officer is an optimologist and what`s the point. This Officer advised Gorman of her Taylor Warnings, due to her lack of compliance. Gorman acknowledged her Taylor Warnings and agreed to continue. This Officer again asked Gorman about medical conditions with her eyes other than glasses, to which she said "I

can`t see without my glasses".

The first exercise performed was the Horizontal Gaze Nystagmus. The stimulus used was a Streamlight Stylus with an illuminated red tip. Gorman had a lack of smooth pursuit in both eyes as well as involuntary jerking at maximum deviation in both eyes. Gorman also had the onset of Nystagmus prior to 45 degrees in both eyes.

The second exercise conducted, was the Finger to Nose. Gorman started the exercise prior to being told to do so. During the first command of Left, Gorman used the pad of her finger to touch her nose. During the first command of Right, Gorman hesitated as she raised her hand, touched above the tip of her nose and searched for the tip of her nose, which she touched with the pad of her finger. The second command of Left, Gorman used the pad of her finger to touch the tip of her nose. The second command of Right, Gorman hesitated as she approached her nose and then touched the tip of her nose with the pad of her finger. The third command of right Gorman touched her nose with the pad of her finger. The final command of Left, Gorman touched her nose with the pad of her finger.

The third exercise conducted, was the Palm Pat. Gorman had to be told to increase speed and Gorman stopped without being told to stop.

The final exercise conducted, was the Hand Coordination. Gorman started the exercise prior to being told to do so. Gorman did not perform Task 3, which involved moving her fists in a step-like fashion toward her chest.

Based on this Officer`s observations, Gorman was placed under arrest at 0255 hours. While restraining Gorman, this Officer detected the strong odor of urine on Gorman`s person. Also while inventorying the vehicel, this Officer and Ofc Hennessy detected the odor of urine inside as well and noticed the driver seat appeared to be wet.

At PBSO BAT, Gorman began over exaggerating her limp by dragging her foot. After the completion of the 20 minute observation period, Gorman stood up and walked toward the testing room and walked with no difficulty, until this Officer reminded Gorman of her limp. After this Officer reminded her, she began to over exaggerate her limp again. This Officer requested Gorman provide a breath sample for the purpose of determining its alcohol content, to which she claimed to be forced to consent. This Officer read Florida Implied Consent to Gorman, to which she acknowledged and consented. At 0359 hours she blew .065 and at 0402 hours she blew .063, these samples were taken over an hour after the arrest and almost 90 minutes after initial contact. This Officer requested Gorman provide a urine sample for the purpose of detecting the presence of controlled substances or chemical substances, to which she consented and provided urine at 0411 hours. It should be noted Gorman has a prior DUI in Indian River County dated 01/16/2020.
