PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law

The Person taken into custody

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 19 day of March, 2026 at 01:01 (Specifically include facts constituting cause for arrest.)

On 03/19/2026 at approximately 0048 hours, I was conducting patrols along S.R. 706 (W Indiantown Rd.) and N Old Dixie Hwy in the Town of Jupiter, Palm Beach County, Florida. At the time, I was driving an unmarked Jupiter Police Department patrol vehicle (vehicle 1911), I was wearing a JPD uniform clearly identifying myself as a Jupiter Police Officer, and I was wearing my department-issued Axon body camera.

While I was traveling southbound on N Old Dixie Hwy, I observed a gray Nissan sedan bearing FL tag # KBZS87 traveling westbound on S.R. 706, in the inside through lane, with the front daytime running lights illuminated but no rear lights illuminated at all. At the time, it was dark outside.

I followed the vehicle as it turned south on C.R. 809 (Military Trl.) and notified dispatch of my intentions to stop the vehicle. Shortly after the vehicle turned south and as I was turning my lights and siren on, the taillights illuminated, briefly, then turned off again. At this point, my lights and siren were on and the vehicle continued traveling southbound, past the start of a right turn lane to Jupiter High School. The vehicle ultimately pulled over into the turn lane, but was slow to stop.

I approached the vehicle on the driver side and made contact with the driver and sole-occupant of the vehicle who I ultimately identified to be Melissa Frontroth (w/f; 11/21/1980; FL DL # F350-569-79-000-0). I advised Frontroth of the reason for the traffic stop and Frontroth advised she did not know how to operate the vehicle's lights because it was a rental. Frontroth provided me with her driver license but did not have the rental agreement with her. While speaking with Frontroth, I did not detect any odors coming from the passenger compartment of the vehicle or on her breath as she spoke to me. However, Frontroth was occasionally slurring her speech when she spoke to me and her eyes were red and glassy.

PROBABLE CAUSE STATEMENT

I asked Frontroth where she was coming from and she provided a vague answer of up the street. When I asked her to clarify, Frontroth advised she was coming from a restaurant (Utiki). I asked Frontroth how much she had to drink at the restaurant and she advised she had not drank at all. I did not believe Frontroth so I asked her again how much she had to drink and she maintained that she drank nothing.

Due to my observations, I ordered Frontroth to exit the vehicle. Frontroth complied, rolled the window completely up before exiting, and appeared to be having difficulty figuring out how to open the door. When Frontroth got the door open, she again advised me she was driving a rental and that she didn`t know how the vehicle worked.

I directed Frontroth over to the sidewalk to speak with her and I still could not detect any odors coming from her breath. I advised Frontroth that I was concerned she was driving under the influence and requested she perform Standardized Field Sobriety Tasks (SFSTs). Frontroth agreed.

I directed Frontroth to the front of her vehicle and began the Horizontal Gaze Nystagmus (HGN) task. I am a certified Drug Recognition Expert (IACP # 32395) and I conducted this task in accordance with my training. Frontroth had pupils of equal approximate size, she did not have resting nystagmus, and equal tracking was present. I did not observe Lack of Smooth Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation, or the Onset of Nystagmus prior to 45 Degrees or Vertical Gaze Nystagmus in either Frontroth`s eyes. I then checked for Lack of Convergence, which was not present. Throughout the task, Frontroth failed to keep her arms at her sides (as instructed) and moved her head in the direction of the stimulus.

I then conducted the Walk and Turn. Frontroth did not maintain the starting position and broke her feet from the starting position 3 times before the task began. When told to begin, Frontroth missed heel-to-toe on 2-8. Frontroth took only 8 steps before turning. Frontroth turned improperly by taking steps with both her feet, then stumbled off the line (to the right). On the return walk, Frontroth stepped off the line (to the left) on step 3. Frontroth then stopped briefly and started counting over from "one". Frontroth missed heel-to-toe on all the remaining steps and took a total of 12 steps back down the line.

Next, I conducted the One Leg Stand. When told to begin, Frontroth elected to raise her right leg off the ground and almost immediately placed her foot on the ground on her count of 1002 and 1009. Just before placing her foot on the ground on her count of 1009, Frontroth hopped on her planted foot. Frontroth swayed intermittently from side-to-side during the task.

After counting to 1009, Frontroth verbally began expressing her displeasure about how ridiculous she thought performing the SFSTs were based upon the fact that she did not

know how to operate her vehicle. This was after approximately 23 seconds had elapsed during the One Leg Stand. I explained to Frontroth that it was my job to make sure people were driving around safely, advised her I had 2 more tasks for her to perform, and confirmed she was willing to continue. Frontroth advised she wished to continue.

Before the Finger to Nose, I confirmed Frontroth knew the difference between her left and right hands. The cadence for this task was: Left, Right, Left, Right, Right, Left. When told to begin, Frontroth failed to tilt her head back or close her eyes. I reminded her to and Frontroth only tilted her head back. I advised Frontroth to close her eyes and she did. L1: Pad of finger to tip of nose and appropriate return. R1: Pad of finger across tip of nose (to left nostril) and appropriate return. For the remainder of the calls of this task (L2, R2, R3, and L3), Frontroth touched the pad of the appropriate finger to the tip of her nose and appropriately returned her arm to her side. Frontroth appeared annoyed while performing the task.

Frontroth advised her highest level of education was college and that she was comfortable with the alphabet. When told to begin, Frontroth began reciting the alphabet and stated the following "a b c d e f g h I j k l m n o p q r X T U Z L M N Z". Frontroth grouped the common letters together and paused at the times one pauses in the alphabet song, but she did not sing.

Based upon the totality of the circumstances, I placed Frontroth under arrest for DUI. Frontroth was extremely displeased and continually attempted to pull away from me and Agent Robichaud while I was placing her in handcuffs. When I walked Frontroth back to my patrol vehicle and advised her to sit, Frontroth told me no and that she was not doing anything without her phone and her purse. Frontroth then attempted to pull and back away from me and I guided her into the vehicle without incident.

I requested at roadside that Frontroth provide a lawful sample of her breath for the purpose of determining the alcohol content. Frontroth refused. I read Frontroth Implied Consent, confirmed her understanding, and again requested she provide a breath sample. Frontroth refused at 0107 hours.

After placing Frontroth under arrest, I performed a driver license query of Frontroth in the Driver and Vehicle Information Database (DAVID). I determined that Frontroth had a prior refusal to submit to a breath test (under 21) on 05/27/2000 in Leon County, Florida. When we arrived at the Jupiter Police Department, I requested Frontroth sign the criminal citations for DUI and Refusal to Submit. Frontroth refused. I advised Frontroth that she was statutorily required to sign both citations and that refusing to sign would result in additional charges. Frontroth refused to sign both criminal citations.

Based upon the aforementioned facts resulting from my investigation, I find Probable
