PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ confessed to _____ admitting to the below facts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 4 day of May, 2023 at 01:40 (Specifically include facts constituting cause for arrest.)

On 05/04/2023 at approximately 0140 hours, this Officer arrived in the area of Northlake Blvd and Sandtree Dr, PBG, FL, to assist Ofc Smith 489 on an investigation. Body worn camera and in car video were used.

Ofc Smith stated he observed a Chevrolet Cruze (IY56TS/FL) stopped in the inside left-hand turn lane of west bound Northlake Blvd to go south bound on Sandtree Dr, for approximately 10 minutes. Ofc Smith stated he had passed by the vehicle previously and noticed it stopped for a steady red light. When Ofc Smith returned to the area he observed the same vehicle still in place and sit through a light cycle. It should be noted, the vehicle was stopped well beyond the stop bar and was in the cross walk. Ofc Smith noticed the driver was passed out behind the wheel and initiated a welfare check on the driver to ensure he was not sick injured or impaired. This Officer was present when Ofc Smith, Ofc Rhymer 521 and Ofc Hennessy 409 were able to awaken the driver.

This Officer observed the driver and sole occupant, later identified via Florida Driver License photo, Micah Wright (OF), in actual physical control of the vehicle. Once Wright was awakened he appeared disoriented and dazed. This Officer moved from the passenger side of the vehicle to the driver side and instantly detected the obvious odor of burnt Cannabis emanating from within the vehicle. This Officer observed Wright exhibiting multiple indicators of impairment including, watery eyes, low heavy eyelids, slow slurred mumbled speech, lethargic movements and responses, and the obvious odor of an unknown alcoholic beverage emanating from his breath at conversational distance. This odor increased in intensity as Wright spoke. Wright said he was coming from Pirate`s Well where he had two drinks. When asked, Wright was unable to provide a reason why he was sleeping behind the wheel.

This Officer informed Wright of the concern he was driving under the influence and asked him to exit the vehicle to participate in Standardized Field Sobriety Exercises, to

PROBABLE CAUSE STATEMENT

which he complied. Upon exiting, Wright was uneasy on his feet and walked with an unsteady gait. Wright said he did not have any medical conditions which would affect the exercises performed.

The first exercise conducted, was the Horizontal Gaze Nystagmus. The stimulus used was a Stylus Streamlight with an illuminated red tip. This Officer observed a lack of smooth pursuit in both eyes and sustained involuntary jerking in both eyes at maximum deviation. Wright also had the onset of Nystagmus prior to 45 degrees in both eyes as well as Vertical Gaze Nystagmus in both eyes. Throughout the exercise, Wright was swaying back and forth.

The second exercise conducted, was the Walk and Turn. The line used was a traffic sensor line in the pavement, which was straight and level. During the first set of steps, Wright missed heel-to-toe on all steps except step two. Wright missed the line on steps three and five. Wright kept his arms raised more than six inches from his sides. Wright conducted an improper turnaround by way of pivoting on both feet. During the return set of steps, Wright missed heel-to-toe on all steps. During step two, Wright`s rear foot missed the line and on step seven Wright crossed over missing the line completely. Wright then paused to regain balance before continuing. Wright again kept his arms raised more than six inches from his sides.

The third exercise conducted, was the One-Leg Stand. When asked if he had any questions about the instructions, Wright said "I just got to pee". During the exercise, Wright raised his left foot. During the exercise, Wright kept both arms raised more than six inches from his sides and swayed side-to-side throughout. Wright also placed his foot down two times prior to being told to do so.

Based on this Officer`s observations, Wright was placed under arrest at 0149 hours. During a tow inventory of the vehicle, Ofc Hennessy located an extinguished Marijuana cigarette in an ash tray in the center console. This item had the odor of burnt Cannabis. At PBSO BAT this Officer conducted the 20 minute observation period with no issues. This Officer requested Wright provide a breath sample for the purpose of determining its alcohol content, to which he consented. At 0240 hours, he blew .136 and at 0243 hours, he blew .134.

Based on the results of the investigation, this Officer has probable cause to prove Micah Wright operated a motor vehicle, in the county of Palm Beach, in the state of Florida, while under the influence to the extent his normal faculties were impaired, with an unlawful breath alcohol content, in violation of FSS 316.193(1)(C).
