The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 09/28/2024 at approximately 2250 hours, Ofc. C. Taylor responded to the intersection of E Sligh Ave / N Central Ave in reference to a traffic crash that had just occurred. Ofc. C. Taylor responded and contacted the witness, who was still on scene and observed the crash take place. The witness observed the defendant/driver of the vehicle, identified via Florida Driver's License as Michael Gold, as the driver and sole occupant of a gray Hyundai Sonata, bearing FL tag "LASYCH", during the crash. The defendant was driving west on E Sligh Ave and after passing the intersection with N Central Ave, the vehicle left the roadway and struck a utility pole owned by the Tampa Electric Company (Pole #2529543673) causing approximately $10,000 worth of damage. During the crash investigation, Ofc. Taylor observed several indicators of impairment and requested my assistance for a DUI investigation.

I responded on scene and contacted the defendant, Michael Gold, and informed him that I was conducting a DUI investigation separate from the crash. The defendant initially stated he was not going to cooperate however stated he left the roadway and was unable to correct the vehicle before striking the pole. During my initial contact, the defendant displayed multiple indicators of impairment to include, glassy eyes, slurred speech, having difficulty balancing himself and an odor of an alcoholic beverage from his breath as he spoke.

The defendant participated in the HGN SFSE which resulted in 6/6 clues of impairment. The defendant refused to participate in any further SFSE's and after being made aware of his Tayor Warnings, the defendant again refused to participate. During my contact with the defendant, multiple clues of impairment was observed and due to the totality of the circumstances, the defendant was arrested for DUI with Property Damage and transported to Central Breath Testing. Once at Central Breath Testing the defendant was read implied consent and refused to submit a sample of his breath.

The defendant was charged with DUI with Property Damage and issued the following citation:
AJJ4VPE – DUI with Property Damage

The defendant was positively identified via Florida Driver's License.
