PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ confessed to _____ admitting to the below facts.

☐ was found to have committed the below acts, resulting from my (described) investigation.

On the 22 day of July, 2023 at 21:02 (Specifically include facts constituting cause for arrest.)

On 07-22-2023 at 2004 hours, I observed the following incident while at 200 W Glades on a routine patrol in the city of Boca Raton.

While sitting in a shopping center parking lot on the southwest corner of NW 2nd Avenue and Glades Rd, I observed a white BMW coupe approach the light to make a left-hand turn to head westbound onto W Glades Road. The left lane light turned green, and the vehicle proceeded to rev. up the engine, before releasing the clutch. Upon releasing the clutch, the vehicle`s wheels broke traction causing an audible screech of the tires. I observed the driver drift the left-hand turn by throwing out the back end of his vehicle. (Drift- means a maneuver performed while operating a motor vehicle whereby the motor vehicle is steered so that it makes a controlled skid sideways through a turn with the front wheels pointed in a direction opposite to that of the turn.)

Upon making the left-hand turn, the white BMW lost control causing it to spin out, facing eastbound in the west bound lanes. Upon initially spinning out, the vehicle almost crossed the center median on W Glades Rd. into opposite traffic. While facing east in the west bound lanes, the driver began doing donuts. (Donut- means a maneuver performed while operating a motor vehicle whereby the front or rear of the motor vehicle is rotated around the opposite set of wheels in a continuous motion which may cause a circular skid-mark pattern of rubber on the driving surface or the tires to heat up and emit smoke from friction, or both.)

I initiated a traffic stop on the white BMW bearing FL tag FH34Q, at 400 W Glades in the west bound lanes. The vehicle stopped at 1330 NW 4th Ct. Upon speaking with the driver, Michael Spielberger, he stated he "didn`t mean to do it and didn`t not mean to do it". He insisted that his actions were accidental, despite this having occurred in my presence as well as the presence of Ofc. Owirka. An additionally witness advised that he observed the incident.

PROBABLE CAUSE STATEMENT

Based on my observations of the driver prior to the incident and during the incident, I found that he was in violation of F.S.S. 316.191 (2)(a), Stunt Driving/ Drifting, after he knowingly and intentionally attempted to drift his vehicle on a left-hand turn from NW 2nd Avenue onto W Glades Rd.
