PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe and does believe that the above named Defendant committed the following violation of law

The Person listed was arrested

- ☐ committed the below acts in my presence
- ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts
- ☐ confessed to _____ admitting to the below facts
- ☒ was found to have committed the below acts, resulting from my (described) investigation

On the 4 day of July 2025 at 09:22 (Specifically include facts constituting cause for arrest)

The following incident occurred in the City of Delray Beach, Palm Beach County, FL:

On November 16th, 2024, [redacted] responded to the DBPD to report that she was sexually assaulted. [redacted] provided a sworn statement. The following is a synopsis and a verbatim account can be viewed on evidence.com.

[redacted] stated on November 14th, 2024, her and her co-worker, [redacted] went to Tap 42 in Boca Raton. [redacted] sister, [redacted] met them there and invited another [redacted], Milan Patel. While at the restaurant, [redacted] had 2-3 spicy margaritas, 2-3 tequila shots and a burger. Milan paid the entire bill. Milan invited [redacted] and [redacted] back to his apartment (2091 W Atlantic Ave apt 5505, Delray Beach) to continue drinking. At approximately 2030hrs, they arrived at Milian's apartment and [redacted] consumed an additional 4 shots of tequila. Realizing that no one was able to drive, Milan offered to let them spend the night. It should be noted, [redacted] is the only one that knew who Milian was. [redacted] and [redacted] had never met him prior to this night.

[redacted] and [redacted] slept in the guest room and [redacted] slept on the couch in the living room. Milan was sleeping in his own bedroom. At some point during the night, [redacted] felt Milan come into the bedroom she was sleeping in and started to touch her and tried to kiss her. [redacted] said no and was pushing him away. [redacted] came into the room and told him to leave her alone and that she wasn't interested. Milan then went back to his room and [redacted] returned to the couch. Later in the night, [redacted] was awoken again by Milan carrying her through the doorway to his bedroom and being placed on the bed. Milan removed her pants, underwear, shirt and removed his pants. Milan then forced his penis into her vagina. [redacted] stated she thought she was trying to put up a fight but at one point she just wanted it to be over so she just laid there until Milan was finished. During the sexual assault, [redacted] heard [redacted] knocking on the door and Milan put his hand over her mouth to keep her quiet. Once finished, [redacted] quickly put her clothes

back on (couldn't find her underwear) and went to [redacted] and told him they needed to leave. [redacted] was unsure if Milan used a condom and she was unsure if he ejaculated. Once they left, [redacted] told [redacted] what happened and he called [redacted] to tell her to leave the apartment.

[redacted] was escorted to the Butterfly House by DBPD officers. [redacted] completed a sexual assault kit. On November 25th, 2025, I submitted the SAK to PBSO.

On January 16th, 2025, [redacted] responded to the DBPD and provided a sworn statement. [redacted] stated she drove herself to Tap 42 on November 14th, 2024, and invited Milan who she [redacted]. She stated the four of them had drinks and food at Tap 42 and Milan paid for the bill. He invited them back to his apartment and they felt obligated since Milan paid for them. Once back at the apartment, they continued to drink. [redacted] stated she was tired and was the first one to go to bed in the guest room. [redacted] does not remember anything after she went to sleep. [redacted] was unaware of what happened until [redacted] called her the next morning and told her to leave Milan's apartment. [redacted] stated she is a heavy sleeper to begin with and the drinking on top of that she didn't hear Milan or feel [redacted] being picked up from the bed.

On February 10th, 2025, I conducted a Facetime interview with [redacted]. The interview was recorded via my BWC. [redacted] provided a sworn statement. [redacted] stated him and [redacted] arranged to go to Tap 42 on November 14th, 2024. Eventually his sister, [redacted] met them and invited [redacted] Milan. [redacted] stated they had approximately 3 drinks and 2 shots of tequila. Milan asked if they wanted to go back to his place to continue to hangout. [redacted] drove himself and [redacted] to Milan's. At Milan's they had an additional 2 shots and [redacted] drank Champagne. They decided to spend the night since they were not able to drive home. [redacted] and [redacted] slept in the guest room and [redacted] slept on the couch. Prior to them going to sleep, [redacted] and [redacted] had a conversation about Milan and [redacted] expressed that she was not interested in him. [redacted] stated he woke up in the middle of the night to Milan trying to escort [redacted] to his room. [redacted] told Milan that she wasn't interested and to leave her alone. [redacted] stated Milan said, "come on bro, I thought we were having a good time, I thought we understood each other, were grown adults, if she wants this, she is more than welcome too." [redacted] expressed again that she wasn't interested and told him to go back to his room to which he did. [redacted] stated he must have fell asleep on the couch because he woke up a little later and saw the door to the guest room open and heard noises in Milan's room. He went to knock on Milan's room and heard no answer so he wasn't sure if [redacted] had changed her mind and wanted to be in Milan's room. [redacted] went back to sleep on the couch. The next thing he remembers is waking up to [redacted] coming out of the guest room in a black tank top and black scrub pants telling him they needed to leave. Once outside of the apartment, [redacted] told [redacted] that Milan carried her to his room and had sex with her unwillingly. [redacted] called [redacted] and told him to leave the apartment.

On February 17th, 2025, I received a Crime Laboratory Report from PBSO for type of service "Y-Screening." The report stated the following:

1. Male DNA was not indicated during quantification on the following samples . Additional analysis was not conducted.

External genital swabs (1C)
Mons pubis swabs (1D1)
Pubic hair combing (1D2-1)

2. An insufficient amount of male DNA was indicated during quantification on the following samples . Additional analysis was not conducted.

Cervical swabs (1A)
Vaginal swabs (1B)

3. The pubic hair combing (1D2) was swabbed for biological evidence. Possible hair was collected. A total of two areas/stains were collected.

On March 5th, 2025, Milan Patel responded to the DBPD for an interview. Prior to the interview, I informed Patel that he was free to leave and was not being detained or under arrest. Patel began to state how everything between him and [redacted] was consensual. When I asked Patel to go into further detail about his night, he requested an attorney. The interview ended.

On April 28th, 2025, I received a Crime Laboratory Report from PBSO for DNA Analysis. The report stated the following:

SUBMISSON 5: SCRUB BOTTOMS FROM [redacted]

1. Stain 2: Inside front
Number of contributors: 4

A. [redacted] (1E) is assumed to be present in the DNA profile obtained. A statistical calculation may be provided upon request.
B. A male DNA contributor to the mixture was obtained.
C. Due to excessive dropout of genetic information, the results for contributors 3 and 4 are unsuitable for comparison.
D. Additional comparisons may be made upon submission of a standard.

2. Area 7: Inside crotch avoiding stain 2 & 3
Number of contributors: 3

C. Additional comparisons may be made upon submission of a standard.

On April 28th, 2025, I obtained a DNA search warrant for Patel. On March 5th, 2025, I met Patel and his attorney, Scott Skier at his office, Skier Law Firm (250 S Australian Ave, WPB). I executed the DNA search warrant. Once collected, I transported it back to the DBPD and submitted it into evidence.

On March 5th, 2025, I requested the DNA standard be sent to PBSO labs for comparison to the sample collected from the victims' pants.

On May 27th, 2025, I received a report from the PBSO Lab for the "Y-Screening." The report stated the following:

SUBMISSION 5: SCRUB BOTTOMS FROM [redacted]

1. An alternative light source was used to detect fluorescence.
2. A color change test, indicative but not specific to seminal fluid, was positive for the following samples. Microscopic examination did not identify the presence of sperm cells. An immunological test for the presence of prostate specific antigen was positive.

Inside front (5-2)
Inside back (5-3)

3. Male DNA was indicated on the following samples:

Inside waistband (5-4)
Inside back buttocks area (5-5)
Inside front pelvic area (5-6)
Inside crotch (5-7)

4. A color change test, indicative but not specific to seminal fluid, was negative for right back bottom of pant leg of scrub bottom (5-1).
5. Possible hair was collected.
6. The pants were swabbed for biological evidence. A total of seven areas/stains were collected

On June 13th, 2025, I received a report from the PBSO Lab for "DNA Analysis." The report stated the following:

PROBABLE CAUSE STATEMENT

1. Stain 2: Inside front
A DNA profile was previously obtained.
Number of contributors: 4
Proposition:

Explanation 1: The DNA profile obtained originated from [redacted] (1E), Milan Patel (8), and two unknown, unrelated individuals
Explanation 2: The DNA profile obtained originated from [redacted] (1E) and three unknown, unrelated individuals

The DNA profile obtained is approximately 7E32 times more likely (very strong support) if it originated from [redacted], Milan Patel, and two unknown, unrelated individuals than if the DNA profile obtained originated from [redacted] and three unknown, unrelated individuals.

2. Area 7: Inside crotch avoiding stain 2 & 3
A DNA profile was previously obtained.
Number of contributors: 3
Proposition:

Explanation 1: The DNA profile obtained originated from [redacted] (1E), Milan Patel (8), and an unknown, unrelated individual
Explanation 2: The DNA profile obtained originated from [redacted] (1E) and two unknown, unrelated individuals

The DNA profile obtained is approximately 3E26 times more likely (very strong support) if it originated from [redacted], Milan Patel, and an unknown, unrelated individual than if the DNA profile obtained originated from [redacted] and two unknown, unrelated individuals.

Based on the above stated facts, probable cause exists to charge the defendant, Milan Patel with Sexual Battery in accordance with FSS 794.011(5)(b).
