D/S F. Germain ID # 31848 & I (D/S R. Zemlin ID # 7204) arrived on scene in the Hampton subdivision of Aberdeen unincorporated Boynton Beach, 33472 in response to a local resident calling PBSO communications to report a car parked in the eastbound roadway (Le Chalet Blvd.) for an extended period of time & there was a person behind the wheel. On our arrival at about 22:45 hours ,we observed a red vehicle parked in the street facing East opposite 7183 Le Chalet Blvd. Upon closer inspection, the car was a four door Toyota Camry with a NY tag of LEH8732. The engine was not running , and the doors were unlocked. Behind the wheel was a white female slumped over to her right with shallow respirations , and unresponsive to voice commands & touch. On her lap was a small brown puppy. D/S Germain was able to smell an alcoholic beverage coming from inside of the car, The driver's purse was on the front passenger side floor, and its contents were inspected looking for a drivers license or some other means of identifying the female driver. Assorted cards were found in the handbag with the name, Morghan Deel & a date of birth being 07-23-97. In further search for a Drivers License, the center console was inspected , and a bottle of Klonopin 0.5 mg was observed with one remaining tablet. On Tuesday, November 7, 2023 at approximately 2247 hours, I was dispatched to 7100 Sweet bay Court, Boynton Beach (Palm Beach County) Florida to assist Deputy D/S Richard Zemlin with a suspicious vehicle complaint with the driver being passed out in the driver seat. Upon my arrival I noticed a Palm Beach County Rescue unit on scene with deputies. A red vehicle, bearing current New York license plate "LEH8732", stopped in the eastbound lane facing east. The complainant came forward and shared the nature of calling the police regarding the previously mentioned vehicle. He also wrote a sworn witness statement detailing his complaint. D/S Zemlin told me the following regarding this complaint: D/S F. Germain ID # 31848 & I (D/S R. Zemlin ID # 7204) arrived on scene in the Hampton subdivision of Aberdeen unincorporated Boynton Beach, 33472 in response to a local resident calling PBSO communications to report a car parked in the eastbound roadway (Le Chalet Blvd.) for an extended period of time & there was a person behind the wheel . Fire rescue responded and assessed the subject medically. They ultimately decided to transport her due to a high level of intoxication. Prior to transport I made contact with the subject in the back of the rescue unit.

She was later identified as Morghan Deel by her Texas driver license. This information was attained through a records review. She had a small dog in her arms that was later given to her brother who walked to the scene. Her face was flushed, eyes were red, watery and glossy. Her lips were chapped, mouth dry and she slurred her speech while speaking. Her movements were slow and lethargic. I could smell a strong odor of an unknown alcoholic beverage emanating from her breath that intensified when she spoke. She was incoherent and not aware of her current location. She was wearing blue scrubs and white socks. The paramedics prepared her for transport to Bethesda West Hospital. I trailed the rescue unit to the hospital. Upon our arrival I watched them wheel her in a room for treatment. I spoke with the medical staff who advised she would be assessed and released in a short amount of time. Her treatment lasted approximately 30 to 40 minutes. Afterward I told her I had a suspicion she had drank an unspecified amount of alcoholic beverages. She asked to use the restroom and was permitted to do so. Afterward I escorted her outside the hospital and asked if she would perform Standardized Field Sobriety Tasks to determined if she was impaired while being in actual physical control of her vehicle. She explained her boyfriend was the driver. She refused to perform the tasks. I explained Taylor Warnings which informed her the tasks are voluntary and she does not have to perform them. In the absence of her performance,however, would force me to conclude my investigation and base my decision of her impairment on the evidence before me. I explained her "refusal" will be used against her in a court of law. I asked if she understood the warning. She acknowledged the warning and agreed to perform the tasks. Prior to her performance I asked if she had any physical issues with her body. She told me she has no issues with her body. I escorted her to a level surface that was smooth and free from any obstruction and debris. This area was well illuminated by the hospital's lighting and from the headlights of my patrol vehicle. I placed a yellow strip of tape on the surface that formed a line. The defendant identified the tape by announcing its color and attempting to place her left foot on it when prompted to do so. The following tasks were explained, demonstrated and acknowledged by her prior to her performance: HGN (Omitted), THE WALK AND TURN, ONE LEG STAND, FINGER TO NOSE AND THE ROMBERG ALPHABET RECITATION. Her deficiencies were recorded on another form on this work packet.

☐ Marsy's Law CVI
FL. Const. Art.1 § 16(b)

At the conclusion of the tasks, coupled with the deputy's observation of her being passed out in the driver seat of her vehicle and my observation of personal indicators of impairment exhibited by the defendant, probable cause was established for DUI. I told the defendant she was being placed under lawful arrest for the charge. She was handcuffed (checked for proper fit) prior to being seated into the rear of my patrol vehicle. Zucala's Towing responded on a rotation request and impounded the defendant's vehicle to their lot. Meanwhile I began transport to the main jail's breath analysis facility for further processing. Upon our arrival I escorted the defendant into the facility and began a 20 minute observation period. During this time the defendant did not ingest anything into her body orally or otherwise. Neither did she regurgitate. Afterward I escorted her into the testing room and asked her to provide breath samples for the purpose of detecting her alcohol content. She refused and was read implied consent. The defendant acknowledged the consent. I asked if she would reconsider her refusal and provide breath samples. She refused again and was deemed a "Refusal". I advised her of her Constitutional Rights in which she acknowledged. I asked if she would consent to an interview. She asserted her "rights" and did not wish to give an interview. She was booked into the main jail for DUI.
