The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

The defendant was driving a silver 2017 Jeep southbound on I-275 at a high rate of speed and drifted in/out of her lane several times. Cpl K. Brown confirmed her speed to be 75 MPH in a posted 55 MPH speed zone.

During the traffic stop for the speeding infraction and additional suspicious driving patterns, the defendant was identified via a DHSMV photo (she was not in possession of her driver license) and exhibited several clues of impairment, to include: watery/bloodshot eyes, largely dilated pupils, blank/dazed stare, slurred speech, fumbling fingers, poor coordination, slow/deliberate movements, tired/lethargic appearance, poor balance, she admitted to drinking "1 glass of wine 4 hours ago", and she emitted a distinct odor of an alcoholic beverage from her breath as she spoke.

The defendant was arrested for DUI following a poor performance on SFSEs and was transported to booking.

While at CBT, she willingly took a breath test and provided 2 valid samples, measuring .223/.205 BrAC.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
