PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ confessed to _____ admitting to the below facts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 27 day of May, 2023 at 21:13 (Specifically include facts constituting cause for arrest.)

On 05/27/2023 at approximately 2113 hours, Officers were dispatched to the area of PGA Blvd and Interstate 95, PBG, FL, in regard to a reckless driver. This Officer`s body worn camera and in car video were used upon arrival.

The caller stated a white Mazda 3 (AM55LT/FL) was traveling west bound on PGA Blvd and was stopping in the middle of the roadway, then driving very fast, then very slow. The caller described the driver as a blonde female. Ofc Nelson 516 was in the area and located the vehicle on PGA Blvd and Central Blvd. Ofc Nelson said once the light at the intersection turned green, the vehicle remained stopped for an extended time. Ofc Nelson observed the vehicle fluctuate in speed and the driver apply the brakes for no reason. The vehicle stopped at a red light at PGA Blvd and Fairway Dr, beyond the stop bar. Ofc Nelson attempted a traffic stop on the vehicle on Fairway Dr just south of the intersection, to which the vehicle continued south bound until stopped just prior to the Avenue of the Champions traffic circle.

This Officer arrived and made contact with the driver and sole occupant, identified via Florida Driver License photo, Nancy Crell (OF), while she was still in actual physical control of same. Crell displayed obvious signs of impairment, including glassy watery eyes, low droopy eyelids, flushed red face, slow slurred speech and the strong obvious odor of an unknown alcoholic beverage emanating from her breath at conversational distance. This odor greatly increased as Crell spoke. Crell said she was coming from Riverhouse where she was celebrating a real estate sale to a friend and was on her way home in PGA National. Crell further admitted to consuming one "strong" drink on this night. Crell denied taking medication and/or Cannabis on this night.

This Officer informed Crell of the concern she was driving under the influence and asked her to exit the vehicle, to participate in Standardized Field Sobriety Exercises, to which she complied. As Crell exited the vehicle she appeared uneasy on her feet and

PROBABLE CAUSE STATEMENT

walked with an unsteady gait. Crell said she did not have any medical conditions which would affect the exercises performed.

The first exercise conducted, was the Horizontal Gaze Nystagmus. The stimulus used was a Streamlight Stylus with an illuminated red tip. Crell had a lack of smooth pursuit in both eyes and sustained involuntary jerking in both eyes at maximum deviation. Crell also had the onset of Nystagmus prior to 45 degrees in both eyes as well as Vertical Gaze Nystagmus in both eyes. Throughout the exercise Crell was swaying orbitally and had to be told repeatedly to properly follow the stimulus.

The second exercise conducted, was the Walk and Turn. The line used was a strip of yellow tape placed upon the pavement by this Officer. This Officer offered Crell the opportunity to remove her footwear, to which she declined. During the instructions Crell lost her balance and exited the starting position at least three times and also started the exercise prior to being told to do so four times. During the first set of steps, Crell took eight steps rather than nine. During the return set of steps, Crell missed heel-to-toe three times and missed the line once.

The third exercise conducted, was the One-Leg Stand. During the exercise, Crell raised her left foot. Crell had to reminded repeatedly to look at her raised foot. Crell also had to be told again to count aloud, to which she counted improperly. Crell swayed side-to-side and placed her foot down once.

The final exercise conducted, was the Rhomberg Alphabet. Crell recited the alphabet properly but not as instructed. Crell said the alphabet expeditiously rather than slow as instructed.

Based on this Officer`s observations, Crell was placed under arrest at 2138 hours. During a tow inventory of the vehicle, this Officer located an empty prescription bottle in the center console in Crell`s name for Alprazolam .5mg. At PBSO BAT, this Officer requested Crell provide a breath sample for the purpose of determining its alcohol content to which she consented. At 2236 hours she blew .112 and at 2239 hours she blew .119.

Based on the results of the investigation, this Officer has probable cause to charge Nancy Crell with driving under the influence to the extent her normal faculties were impaired with an unlawful breath alcohol content, in violation of FSS 316.193(1)(C). All of the above occured in the county of Palm Beach, in the state of Florida.
