The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 12/15/2023 at approximately 0002 hours, I observed a gray Nissan Versa bearing FL Tag "HELG4" traveling east on W Platt St towards S Willow Ave. I estimated the vehicle's speed to be 54 MPH on W Platt St which is a posted 30 MPH zone and confirmed the vehicle's speed with my MPH Sure Shot Laser (SN FL10010).

I activated my emergency equipment near the intersection of W Platt St / S Willow Ave to conduct a traffic stop and when the vehicle stopped it was directly on a railroad track and had to be directed to move the vehicle forward off the train tracks. As I conducted the traffic stop and contacted the driver/defendant, identified via Florida Driver's License as Nicholas Janos, who stated he was coming from a work event and headed home.

During the initial contact, the defendant displayed multiple indicators of impairment to include, glassy eyes, slurred speech, a strong odor of alcohol being emitted from the defendant's breath as he spoke and admitting to consuming multiple mixed drinks about an hour and a half prior to driving.

As the defendant exited the vehicle, I continued to detect the strong odor of alcohol from the defendant's breath as he spoke. The defendant performed SFSE's and multiple clues of impairment were observed. Due to the totality of the circumstances, the defendant was placed under arrest for DUI.

The defendant was transported to central breath testing where he later refused to submit a lawful sample of his breath after being read implied consent.

The defendant was issued the following citations:
AF0F8NE-- DUI
AIGAWRE – Unlawful Speed

The defendant was positively identified via Florida Driver's License.
