PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law

The Person taken into custody

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 7 day of December, 2025 at 02:51 (Specifically include facts constituting cause for arrest.)

My department-issued body-worn camera was activated during this incident.

On Sunday, 12/07/2025, at approximately 0231 hours, while assigned to uniformed road patrol in my marked patrol vehicle, I was in the area of SR-706 (W Indiantown Rd) and SR-809 (Military Trl), Jupiter, FL, in Palm Beach County. While traveling south on SR-809, I observed a gray Toyota SUV bearing FL Tag IHML14 in the outside travel lane ahead of me. The gray Toyota weaved within its lane several times and then to the right, causing both passenger-side tires to cross the solid white bicycle lane marker. In front of the gray Toyota was a white sedan. The gray Toyota entered the center travel lane, and I continued to follow behind it. The gray Toyota then returned to the outside travel lane behind the white sedan, following it closely. The white sedan made a right turn into a neighborhood, and the gray Toyota had to slow down rapidly since it was following it too closely.

As the gray Toyota approached the intersection of SR-809 and Indian Creek Pkwy, I activated my emergency lights to conduct a traffic stop. The gray Toyota entered the right-turn lane and made a right turn. The Toyota traveled a short distance before stopping in the grass shoulder of the westbound outside travel lane of Indian Creek Pkwy. I exited my patrol vehicle, walked to the driver`s door, and made contact with a white male who was the sole occupant of the vehicle and was later identified by his valid Florida Class E Driver`s License as Nicolas Bonilla (W/M 05/06/2001). I informed Bonilla of the reason for the traffic stop and asked him for his driver`s license, vehicle registration, and insurance. As Bonilla searched for the requested documents, I noticed the odor of an unknown alcoholic beverage coming from his mouth, which intensified as he spoke, and his eyes appeared glossy. Bonilla also had a red wristband on his right wrist, which is commonly issued to bar patrons. I asked Bonilla where he was coming from, and he stated Ralph`s (Ralph`s Stand Up Bar, 113 Center St, Jupiter, FL). I asked Bonilla how much he had to drink, and he stated two beers.

PROBABLE CAUSE STATEMENT

Based on what I had seen thus far, I asked Bonilla if he would perform Standardized Field Sobriety Tasks (SFSTs), which he agreed to do. Bonilla exited his vehicle and stood in front of my patrol vehicle. I asked Bonilla pre-task questions, to which he answered "No" to all of them. While speaking, I still noticed the odor of an unknown alcoholic beverage coming from his mouth, which intensified as he spoke. I gave him the instructions for the Horizontal Gaze Nystagmus task (HGN), which he stated he understood and did not have any questions prior to starting. Bonilla had equal tracking and equal pupil size in both eyes prior to starting. During the task, he was swaying in an orbital manner. He had lack of smooth pursuit, distinct and sustained nystagmus, and the onset of nystagmus prior to 45 degrees in both eyes. I demonstrated and explained the Walk and Turn task, which he stated he understood and did not have any questions prior to starting. During the instructions, Bonilla began to walk after being told not to move before being told to start. During the task, Bonilla missed heel-to-toe on the sixth step, took 12 steps, did not turn as instructed, and took 10 steps on the return walk. I demonstrated and explained the One Leg Stand task, which he stated he understood prior to starting. During the instructions, Bonilla raised his leg after being told not to move. During the task, Bonilla raised his right leg. Bonilla swayed and used his arms for balance midway through the task. I demonstrated and explained the Finger to Nose task, which he stated he understood, did not have any questions, and was able to show me he knew his left from his right. During the task, Bonilla had eyelid tremors and did not immediately bring his hand down on all passes. I demonstrated and explained the Romberg Alphabet task, which he stated he understood, did not have any questions prior to starting, and had a college education. During the task, Bonilla could not correctly recite the alphabet multiple times, had eyelid tremors, swayed while standing, and did not keep his eyes closed.

Based on the above facts, I placed Bonilla under arrest for DUI. I secured his hands with handcuffs behind his back, which were checked for proper spacing and double-locked to prevent further tightening. I then placed him in the rear seat of my patrol vehicle. I then asked Bonilla if he would provide a lawful sample of his breath to determine the alcohol content. Bonilla asked to make a phone call. I informed Bonilla that he could not make a phone call at this time, and I read him implied consent, which he stated he understood. Bonilla refused to provide a lawful sample of his breath. I then transported him to the Jupiter Police Department and placed him in a holding cell while I completed the arrest paperwork.

I found probable cause to charge Nicolas Bonilla with Driving Under the Influence Normal Faculties Impaired pursuant to FSS 316.193(1)(A), and Refusal to Provide Breath pursuant to FSS 316.1939(1)(D).
