PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 21 day of June, 2023 at 14:53 (Specifically include facts constituting cause for arrest.)

On 6/21/2023 at approximately 1453 hrs, I was on patrol northbound on Interstate 95, just south of W Indiantown Road (SR 706), within the Town of Jupiter, Florida. I was operating unmarked Jupiter police car #1912 within my capacity as a member of the Jupiter Police Department Traffic Unit. While approaching the interchange to exit the highway, I observed a dark blue Cadillac (50BJDD/FL) accelerating through traffic behind me, tailgating and carelessly cutting between vehicles. The vehicle did not slow down as it approached the W Indiantown Road interchange. I positioned behind the vehicle and after it passed the black over orange speed sign stating "EXIT 25 MPH" I estimated the vehicle speed to be 70 MPH. I activated my calibrated Stalker radar`s front antenna, heard a clear audio Doppler tone consistent with that speed and observed a true speed readout of 70 MPH. I conducted a traffic stop on the vehicle at W Indiantown Road and Chasewood Plaza, with the traffic stop ultimately happening in front of the Pet Smart, located at 6370 W Indiantown Road, Jupiter, Florida.

I made contact with the driver, now identified as David Clark (OF-1) and front seat passenger, Nikole Gentry (OF-2). I asked him if he knew why I stopped him and he asked, "was I speeding a little bit?". While speaking to Clark I detected a strong odor of fresh, unburned cannabis emitting from the vehicle. Both Clark and Gentry exhibited shallow breathing and appeared overly nervous. I returned to my vehicle and queried Clark in the state cannabis registry, where I determined that he is not a medical cannabis patient. I returned to the vehicle and advised Clark of my findings. He advised me that he had smoke cannabis in the car earlier. This was not consistent with the odor of fresh cannabis that I was detecting. The odor of burned cannabis is markedly different. I encouraged Clark to be honest with me as I now had probable cause to conduct a vehicle search and wanted him to be up front with any marijuana in the vehicle as opposed to me having to find it. He stated that he did have cannabis in the vehicle. I asked him how much it was and he stated it was "an ounce". I asked him to tell me where it was located without grabbing for it. He stated it was in the center

PROBABLE CAUSE STATEMENT

console. I knew by now that Clark was from West Palm Beach and did not appear to have any ties to the local area. I asked him where he was going to eat and he said they were going to find a place. I detained Clark in handcuffs, searched his person and secured him in my vehicle. I had Gentry exit the vehicle and standby with Officer O`Keefe. I then conducted a probable cause search of the vehicle.

Once inside the vehicle I searched the center console and located a plastic baggie containing a green leafy substance (FTP THC) of suspected cannabis. The total weight was 28 grams (one ounce). Inside of the bag with the cannabis were also three oblong blue prescription pills stamped with "R 3060" in black lettering. A pharmacology check revealed that these are Amphetamine/Dextroamphetamine Extended Release and are typically sold under the brand name Adderall. I returned to my vehicle and read Clark his Miranda rights. I asked him what the pills were and he stated "Adderall". I asked him if he had a prescription for the narcotics and he said no. I asked if he bought the pills and weed from the same person and he said yes.

I then spoke to Gentry. I asked her to be honest with me about what they were actually doing today. She stated that they were going to lunch at the Brass Ring. While speaking to Gentry I observed both of her hands appeared to be swelled due to narcotic injection. I explained to Gentry that I know through my experience that males often ask female passengers to conceal narcotics. I explained to Gentry that she was going to be searched so if she had any narcotics on her now would be the time to tell me. She said "yeah.. I got you...I got it". I advised her a female officer would find any narcotics hidden on her and she said, "yeah, I know and I have it". She stated that Clark handed it to her and she concealed it on her person. She pointed to her pants and said that she had it right there. I advised her to remove it. She then reached on the inside of her front pantline and produced a bag containing 10 smaller bags of varying amounts of white powder. Based on my training and experience from the color and texture, as well as a chemical odor consistent with cocaine, I suspected the substance to be cocaine. It later FTP for cocaine. After she handed it to me I asked her what it was and she stated, "coke". She couldn`t give me an explanation as to why she hid it down her pants, but ultimately did admit to knowing it was cocaine and concealing it on her person willfully. This was in a clear effort to conceal it from view to thwart law enforcement detection of it. I read Gentry her Miranda rights at this time. She refused to admit that they were on a delivery run.

I then returned to my vehicle and spoke to Clark. He initially did not admit to knowing about the cocaine when I showed him the bag. A short time later I spoke to him again and he admitted to knowing about it. It should be noted that upon further inspection, the bag of cocaine was also found to have 8 of the exact same Amphetamine pills that had been found in Clark`s cannabis bag. A search of Clark`s wallet revealed a small baggie of cocaine as well. The bags of cocaine were in varying amounts and some were marked with weights, such as "3.5 g", "1 g", and ".5 g". This is common in the drug trade so that narcotic dealers on drug runs know which bags to dispense to which clients. Clark

PROBABLE CAUSE STATEMENT

and Gentry were transported to JPD, where they both ultimately asked for attorneys.

While processing both defendants`, I had both of Clark`s cell phones and Gentry`s cell phones on the desk. All three phones began receiving numerous calls followed by texts that could be seen on the screen with zero manipulation. Some of the texts included language such as, "yo you still coming by with that work" and "when you dropping off Dave?". Both of these phrases are classic types of veiled lingo directly referring to buying narcotics and Dave is slang term for cocaine. It became apparent by the numerous calls and texts both phones were receiving that these were drug clients expecting a rendezvous with Clark that was now interrupted. This coupled with the large amount of narcotics far in excess of even a heavy user amount is evident that both Clark and Gentry are involved in drug sales.

Based on my investigation, I have probable cause that Gentry did possess with the intent to distribute cocaine, contrary to F.S.S. 893.13(1)(A)(1).

Gentry did possess with the intent to distribute Adderall pills, contrary to F.S.S. 893.13(1)(A)(1).

Gentry did knowingly conceal narcotics to thwart discovery during a law enforcement investigation, contrary to F.S.S. 914.22.

Gentry was booked into the county jail. BWC.
