PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody . . .

☐ committed the below acts in my presence.
☐ confessed to _____ admitting to the below facts.
☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
☐ was found to have committed the below acts, resulting from my (described) investigation.

On the 24 day of March, 2023 at 23:14 (Specifically include facts constituting cause for arrest.)

On 03/24/2023 at approximately 2112 hours, this Officer was conducting speed measurement in the area of the 12000-block of N Military Trl, PBG, FL, when a vehicle was observed traveling at an increased rate of speed north bound in the inside through lane. Body worn camera and in car video were used.

This Officer`s initial visual estimation of the vehicle, was approximately 65 MPH in a posted 45 MPH zone. Using RADAR Stalker DSR2X (DB001317), rear antenna (KR027120) this Officer received a steady tone and reading of 65 MPH. The RADAR calibration was last checked on 12/28/2022 and was due on 06/28/2023. Prior to this tour of duty on this date, this Officer ensured the RADAR was in working order, to confirm the accuracy of the unit. At the end of this tour of duty, this Officer did the same. This Officer received RADAR/LIDAR certification on 05/31/2008, in Cannon AFB, NM. This Officer entered the same lane as the vehicle, a Volkswagen utility (LWSZ37/FL) and observed same drift approximately one half its width into the middle through lane then back into the inside through lane.

This Officer initiated a traffic stop on same in the 13000-block of N Military Trl, PBG, FL. This Officer approached the driver side and made contact with the driver and sole occupant, identified via Florida Driver License photo, Pamela Freed (OF), while she was still in acutal physical control of same. Freed had glassy watery eyes, flushed red face, slurred speech and the strong obvious odor of an unknown alcoholic beverage emanating from her breath at conversational distance. Freed acknowledged speeding and when asked about drifting from the lane, she said she was texting someone. This Officer observed a white paper cup behind the passenger seat on the floor, the cup had a red liquid substance contained within. When this Officer asked Freed what that was she said Cranberry. She then retrieved same and placed it in the cup holder next to her seat. Freed had difficulty locating her license and insurance and never provided her registration. Freed said she was coming from Spoto`s and was on her way to meet a

PROBABLE CAUSE STATEMENT

friend. When this Officer reapproached the vehicle, this Officer noticed the cup in the center console was now missing. When asked how much she had to drink tonight, Freed replied "a couple".

Based on this Officer`s observations, this Officer expressed concerns to Freed that she may be under the influence and asked her to exit the vehicle, to which she complied. Freed said she did not have any medical conditions which would affect the exercises performed.

The first exercise conducted, was the Horizontal Gaze Nystagmus. The stimulus used was a Stylus Streamlight with an illuminated red tip. This Officer observed a lack of smooth pursuit in both eyes and sustained involuntary jerking in both eyes at maximum deviation. Freed also had the onset of Nystagmus prior to 45 degrees in both eyes. Freed had to be told multiple times to follow the stimulus and not move her head.

The second exercise conducted, was the Walk and Turn. The line used was a strip of yellow tape placed upon the sidewalk by this Officer. Prior to getting into the instruction position, Freed removed her footwear. During the instructions, Freed stepped out of the starting position and also started prior to being to being told to do so. Freed had also made a comment about the exercise being difficult even without having "a couple drinks". During the first set of steps, Freed stepped next to the line on her second step, lost her balance and paused to recompose herself. The ninth step, Freed stepped off the line. Freed took 11 steps rather than nine and raised her arms more than six inches from her sides throughout the exercise. Freed conducted an improper turnaround by way of walking around rather than taking a series of small steps. During the return set of steps, Freed missed heel-to-toe on all steps and raised her arms more than six inches from her sides.

The third exercise conducted, was the One-Leg Stand. During the exercise, Freed raised her right foot. Freed swayed side-to-side throughout the exercise and kept her arms raised more than six inches from her sides. Freed placed her foot down three times, thus ending the exercise early. After placing her foot down the second time, she raised her leg with her knee bent.

Based on this Officer`s observations, Freed was placed under arrest at 2129 hours. During a tow inventory of the vehicle, this Officer located the cup Freed had concealed. The cup was on the front passenger floor board with a denim jacket stuffed into it. The liquid contained in the cup had the distinct odor of an unknown alcoholic beverage. At PBSO BAT, this Officer requested Freed provide a breath sample for the purpose of determining its alcohol content, to which she consented then asked what would happen if she didn`t. This Officer read Florida Implied Consent, to Freed to which she acknowledged and consented. At 2228 hours she blew .159 and at 2231 hours she blew .157.

PROBABLE CAUSE STATEMENT

Based on the results of the investigation, this Officer has probable cause to prove Pamela Freed operated a motor vehicle, in the county of Palm Beach, in the state of Florida, while under the influence to the extent her normal faculties were impaired, with an unlawful breath alcohol content, in violation of FSS 316.193(1)(C). The degree to which Freed was impaired by alcohol was in violation of FSS 316.193(4).
