Probable Cause

On December 8, 2023 at approximately 12:38 AM, I was dispatched to a reported black sedan vehicle traveling the wrong way northbound on the southbound lanes in the area of Interstate 95 (State Road 9), south of Boynton Beach Blvd. The Lake Worth Regional Communications Center (LWRCC) or dispatch advised me that the black sedan that was driving the wrong way crash into another vehicle. I traveled to the above location and observed a black Toyota Camry (attached Florida tag: HIKI11) stopped in the outside center travel lane facing in a southwesterly direction. The black Toyota Camry had heavy front damage, and damage to the front right side of the vehicle. I observe a Hispanic female seating in the driver seat of the vehicle wearing a black dress. There was also a black Honda Insight (attached Florida tag: AE2641) stopped in the inside travel lane facing in a westerly direction had heavy front damage and damage to the front right side of vehicle. I spoke to the driver of the black Honda Insight and identified him by his Florida driver's license (R-360-078-85-008-0) as Bryan Thomas Reuther. Mr. Reuther Stated that he was traveling southbound on Interstate 95 approaching Boynton Beach Boulevard as he attempted to change lanes to shift to the inside center lane due to the other vehicle in front of him pulling over onto the right paved emergency shoulder. That when he saw two bright lights.

At this point that when he felt the impact and his airbag deployed. Mr. Reuther provided a sworn witness statement documenting what he had observed. I spoke to the driver of the black Toyota Camry and asked her for license. She provided a Florida driver license which was used to identify the driver of the black Toyota Camry as Patricia Martinez Pinto (M-635-680-90-520-0). As I spoke to Mrs. Martinez Pinto, I smelled the strong odor of an unknown alcoholic beverage coming from her breath. I noticed that her eyes were red and glassy and have slurred speech at times. Mrs. Martinez Pinto was stumbling as she stepped out of the vehicle and walking to the left paved emergency shoulder. Mr. Martinez Pinto stated she was going to Miami and she have been drinking. Mrs. Martinez Pinto stated she was traveling northbound on Interstate 95. The black Toyota Camry was towed by Gardens Towing. Mrs. Martinez Pinto was transported to Bethesda East Hospital by Boynton Beach Fire Rescue.

After completion of my crash investigation, I traveled to Bethesda east Hospital and Mrs. Martinez Pinto was located in room 13. Once at the Hospital I spoke to Doctor Brian Goodhue to which he stated that she was going to be in the Hospital for couples' hours. Around 3:00 AM, I spoke to Doctor Brian Goodhue again to get an estimate time when Mrs. Martinez would be medical cleared, and he stated she might be at the Hospital for few more hours until her CT scan result came back, and if she does not have any major medical issues. At this point due to the fact that Doctor Brian Goodhue could not gave

me an estimate time that she would be cleared. The Breath test is impractically to obtained. I informed Mrs. Martinez Pinto and advised her that I was beginning a criminal investigation for driving under the influence (DUI). I read Mrs. Martinez Pinto her Miranda Rights from a Florida Highway Patrol Miranda warning printout. She stated that she understood her rights and refused to answer my questions. I asked her if she willing to provide a blood test sample to test for the alcoholic content of her blood and or the presence of chemical or controlled substances using my agency issued Florida Implied Consent Blood Draw Card. She refused to provide the blood sample. I then read her the Florida Implied Consent driver license suspension warning and she stated that she understood and still refused to provide the blood sample. A refusal time of 3:22 AM was notated.

Based upon the information above and the totality of the circumstances I determined that there was probable cause to believe that Mrs. Martinez Pinto committed the offence of driving under the influence by being in actual physical control/operating a motor vehicle while under the influence of alcoholic beverages, any chemical substances per Florida State Statue 877.111, or any controlled substance per Chapter 893, while their normal faculties were impaired she was medical cleared at 6:39 AM and place under arrest for the above offense and handcuff behind her back. She was booked at the jail with charges to FSS 316.193(3)(c)1. D.U.I. - PROPERTY DAMAGE/PERSONAL INJURY (MISDEMEANOR)

Mrs. Martinez Pinto was issued the following citations:

Driving on the wrong side of the Roadway FSS. 316.081

Crash failure to provide proof of insurance (All Parties) 316.066(1)(d)

Careless Driving 316.1925(1)

D.U.I Property Damage Personal injury (Misdemeanor) 316.193(c)1

All of the above events occurred in Palm Beach County, FL
