PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence. ☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ confessed to _____ admitting to the below facts. ☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 3 day of March, 2023 at 00:51 (Specifically include facts constituting cause for arrest.)

The following incident was captured utilizing my department issued BWC.

On Friday March 3, 2023 at approximately 0026hrs, I responded to Jumby Bay Island Grill located at 1203 Town Center Dr, unit 101 in reference to a suspicious incident. Upon arrival, I made contact with the caller, Patricia Salazar (WF 3/22/1977).

Salazar was immediately argumentative with officers and appeared intoxicated due to her slurred speech, bloodshot glassy eyes and the smell of an unknown alcoholic beverage coming from her person. She initially would not provide her information for the investigation. I advised Salazar that I needed her to tell me what happened so I could continue with the investigation.

Salazar advised that she was inside the bar, dancing on the dance floor. She stated she was by her self and there were other people dancing around her as well. She felt something behind her and believed someone had touched her butt, stating she felt him run his fingers "between her asshole and her pussy". She turned and pushed the guy behind her, who she believed touched her. She described him as a white male, with a red had and black shirt. She told the bouncer what she believed happened and he didn`t do anything. She stepped outside of the business to call police.

I made contact with the male, identified as Joseph Nelson (WM 5/17/1977) who provided the following statement:

Nelson, his girlfriend and his friends were all in a group on the dance floor, dancing, when an unknown female turned around and started yelling at him. The female, Salazar, then placed her hands around Nelsons neck and began accusing him of sticking his fingers in her butt. Nelson and his girlfriend walked away from Salazar to avoid further confrontation. After he stepped away from Salazar, she came back to him an aggressive

manner, put her two hands around his neck and choked him. She continued to yell and accuse him of touching her. Nelson advised his breathing was restricted briefly before he again tried to get away from Salazar. Nelson also stated he did not know this woman and did not touch her, he appeared confused about the whole incident.

Next, I spoke with Amanda Derbyshire (WF 6/19/1979) who stated she witnessed the entire incident. Derbyshire provided the following sworn statement:

Derbyshire and her boyfriend Nelson were dancing on the dance floor when an unknown male began to try to fight Nelson. Salazar joined in and began to run her mouth, yelling that Nelson had touched her butt. Salazar tried to, and succeeded in grabbing Nelson`s throat while accusing him of touching her. Derbyshire separated the two and she and Nelson walked away.
Salazar again approached Nelson stating "are you the guy" and placed her hands around his neck. After Salazar placed her hands around Nelsons neck, Derbyshire put her arms up and separated Nelson and Salazar. Nelson and Salazar then removed themselves from the area to avoid further confrontation.

While speaking with Derbyshire, Salazar began to interfere with the investigation, barging through the area and yelling at Nelson with a camera in her hand. Nelson did not engage with Salazar. Officers separated Nelson and Salazar and gave Salazar verbal commands to retreat to the bench while I was conducting my investigation. She initially refused to move, stating "what am I doing wrong" after I advised her numerous times that she was interfering with my criminal investigation. She refused to move but after numerous commands were given, she ultimately retreated to the bench where I asked her to wait.

At this time in the investigation, I determined that Salazar was the primary aggressor in the altercation, however Nelson stated he did not want to prosecute. Management advised they wished to trespass Salazar for a period of one day.

I returned to Salazar to advise her of the findings of my investigation and that she was being trespassed from the business. I advised Salazar that as a result of my investigation, that I had determined that she was the primary aggressor due to her choking Nelson, however he did not wish to press charges for the battery. I then advised Salazar that she was trespassed from the business, as of March 3 2023. I continued to tell her that if she refused to leave the premise or came back in the next 24 hours, she would be arrested for trespassing after warning. I gave Salazar numerous opportunities to leave the premise, however she remained seated and would not leave. I asked Salazar if she was refusing to leave after giving her numerous lawful orders to leave, and she remained seated and would not vacate the premise.

At this time, I established probable cause for trespassing after warning pursuant to

PROBABLE CAUSE STATEMENT

F.S.S. 810.09(2)(B) as Salazar refused to leave the premise after being advised of the trespass warning and given numerous opportunities to vacate.

Officers attempted to take Salazar into custody, and she began to pull her arms away. She slipped one arm out of my grasp, but I was able to regain control of the arm. She continued to brace, tense and pull away from officers, as I instructed her numerous times not to do so. She was ultimately secured in handcuffs, searched, placed into my police vehicle and transported to JPD. Probable cause was also established for Resist Officers Without Violence pursuant to F.S.S. 843.02 where as Salazar did pull her arms away from officers as well as brace, tense and pull away while officers were giving verbal commands to stop resisting.

Incident to arrest, a search of her purse was conducted, which was in her possession at the time, and it revealed a small silver container containing 28 small white oval pills. An internet search showed the pills to be Alprazolam. I advised Salazar of her Miranda Rights, and she refused to answer questions about the pills. There were no prescriptions or prescription bottles located in her belongings. Probable cause was established to arrest Salazar for possession of a controlled schedule IV substance pursuant to F.S.S. 893.13(6)(A) where as Salazar was in possession of 28 pills of Alprazolam (commonly known as Xanax) without a prescription.

Salazar was ultimately turned over to Palm Beach County Jail with the charges of Possession of A Controlled Substance (Schedule IV) without a prescription pursuant to F.S.S. 893.13(6)(A), Resist officer Without Violence pursuant to F.S.S. 843.02 and Trespass After Warning pursuant to F.S.S. 810.09(2)(B).
