PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☐ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ was found to have committed the below acts, resulting from my (described) investigation.

On the 26 day of January, 2026 at 05:41 (Specifically include facts constituting cause for arrest.)

On 01/26/2026 at approximately 0541 hours, this Officer arrived in the area of Northlake Blvd and Sandtree Dr, PBG, FL, to assist Ofc Badolati 552 with an investigation. Body worn camera and in car video were used.

The original caller, who wished to remain anonymous, reported a male was passed out in a white truck at the location. The caller described the male as a white male and was unknown if he was breathing. The caller further stated the vehicle was in the east bound lanes and had a blinker active. This Officer positioned the marked unit in front of the vehicle, to prevent same from rolling into the intersection when the driver was awakened. This Officer approached the vehicle, a white Ford F150 (21DSAA/FL), and observed the driver slumped forward, unconscious and breathing. This Officer observed the vehicle to be on and running and in gear. This Officer was able to awaken the driver after several knocks on the window. As soon as the driver was awake, this Officer insturcted him to put the vehicle in park, to which he had a difficult time doing so. The driver put the vehicle in neutral then reverse and then park. Driver also had a difficult time putting down his window. Once the window and down and vehicle was off, this Officer instructed the driver to hand over the keys.

This Officer later identified the driver via Florida Driver License photo, as Paul Vriesema (OF). This Officer asked Vriesema if he was sick or injured, to which he indicated he was neither. This Officer then asked Vriesema why he was sleeping behind the wheel, to which Vriesema said he was not sleeping. This Officer asked Vriesema for his identification, to which Vriesema held up his cell phone. While interacting with Vriesema this Officer observed him to be very disoriented, while have a flushed red face, red watery eyes, slurred speech and the strong obvious odor of an unknown alcoholic beverage emanating from his breath at conversational distance. This Officer asked Vriesema if he knew where he was, to which he paused then stated Palm Beach Gardens. This Officer asked Vriesema where in the city, to which he began to look

around. Vriesema said he was trying to go home, when asked where he was coming from, he said he was on 45th Street. Vriesema then said the vehicle was on 45th Street. Vriesema again said he was coming from 45th Street, then speicified he was at Rachel`s, which is a gentleman`s club.

This Officer then asked Vriesema how much he had to drink, to which he replied "I had a couple drinks". Vriesema further denied taking narcotics and/or medication on this night. Vriesema indicated he felt fine and when asked if he could feel the effects of alcohol, Vriesema replied "Yeah, I had some to drink". Based on this Officer`s observations, this Officer expressed concern to Vriesema about him being under the influence and asked him to exit the vehicle to participate in Standardized Field Sobriety Exercises, to which he complied. While exiting, Vriesema attempted to shut off the vehicle, while forgetting he had already given this Officer his key. Vriesema said he did not have any medical conditions which would effect the exercises performed.

The first exercise conducted was the Horizontal Gaze Nystagmus. The stimulus used was a black pen with an illuminated white tip. Vriesema had a lack of smooth pursuit in both eyes as well as involuntary jerking at maximum deviation in both eyes. Vriesema also had onset of Nystagmus prior to 45 degrees in both eyes as well as Vertical Gaze Nystagmus in both eyes. During the exercise Vriesema was swaying back and forth. Vriesema also had to be reminded to keep his head still.

The second exercise conducted was the Walk and Turn. The line used was a strip of yellow tape placed upon the pavement by this Officer. During the instructions, Vriesema stepped out of the starting position and raised his arms from his sides. During the first set of steps, Vriesema stepped next to the line on all the even steps and paused to regain balance at step five. Vriesema raised both arms more than six inches from his sides and took 11 steps rather than nine. During the return set of steps, Vriesema took about seven steps next to the line and missed heel-to-toe at least three times. Vriesema again raised his arms more than six inches from his sides.

The final exercise conducted was the One-Leg Stand. During the exericse Vriesema raised his right foot. Vriesema swayed side-to-side and kept his arms raised well over six inches from his sides throughout the exercise. Vriesema also placed his foot down three times, thus ending the exercise early.

It should be noted, all exercises were started only after Vriesema stated he understood instructions due to English not being his primary language.

Based on this Officer`s observations and the totality of the circumstances, Vriesema was placed under arrest at 0556 hours. At the PBSO BAT this Officer conducted a 20 minute observation period noting no issues. This Officer requested Vriesema provide a breath sample for the purpose of determining its alcohol content, to which he requested a

lawyer. This Officer explained a lawyer was not possible at this time due to driving being a privilege and not a right. This Officer then read Florida Implied Consent to Vriesema twice, to which he acknowledged and refused at 0645 hours.

Based on the results of the investigation, this Officer determined Paul Vriesema was in actual physical control of a motor vehicle, upon a public roadway, in the state of Florida, while under the influence to the extent his normal faculties were impaired, contrary to FSS 316.193(1)(A). Vriesema did refuse to submit to a lawful sobriety test, after being told doing so was a criminal action, contrary to FSS 316.1939(1)(D).
