The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 7/21/25, at approximately 0209 hours, the defendant was observed in actual physical control of a black 2018 Maserati sedan, bearing FL tag: 78DLKK (expired registration), VIN: ZAM45VLA1J0260232. The defendant was observed by HCSO Cpl R. Weidler ABN 224870, traveling at an approximate speed of 100 mph on I-4, with a posted speed limit of 65 miles an hour, as well as making a last minute lane change across several lanes of traffic in a careless manner, exiting at Orient Road. Cpl Weidler initiated a vehicle stop near the intersection of Orient Road, and Draper Place, where he made contact with the defendant, noticing several indicators of impairment. I responded to the scene, and made contact with the defendant, at which time I noted several indicators of impairment which include red watery glossy eyes, slurred speech, and the odor of an alcoholic beverage coming from his breath. The defendant was afforded the opportunity to perform Standardized Field Sobriety Exercises, to which he agreed at first. During the exercises the defendant became reluctant to proceed, and refused. Due to the totality of the circumstances, he was placed under arrest for DUI. The defendant was transported to CBT, where he was read Implied Consent, and continued to refuse. I checked the defendant's driving history using the DAVID database, and noted he has 1 previous guilty conviction for DUI, dated on 12/11/15 (citation A0ZA3BP). The defendant was identified by Florida Driver's License, and his identity was verified in the DAVID database.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
