The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 10/08/2025 at approximately 0208 hours, I observed a red Honda Insight, bearing FL Tag "04ADII", traveling west on Adamo Dr near Channelside Dr without lights at night when required. As I followed behind the vehicle, traveling south on Channelside Dr, it began traveling at a high rate of speed and having difficulty maintaining a single lane crossing over both lanes lines and at one point driving between two lanes. I conducted a traffic stop near the intersection of Channelside Dr / E Whiting St and contacted the driver/defendant, positively identified as Florida Driver's License Pratiksha Patra.

During my contact with the defendant, I observed multiple indicators of impairment including bloodshot/glassy eyes, difficulty speaking, having trouble dividing her attention when providing the requested documents and an odor of alcohol coming from the vehicle. When asked to exit the vehicle, the defendant's balance was unsteady, and I continued to detect the odor of an alcoholic beverage from the defendant's breath growing stronger as she spoke. When asked, the defendant stated she was coming from the Ybor where she bought Pizza however denied consuming alcohol prior to driving.

Patra participated in the SFSE's and multiple clues of impairment were observed. Due to the totality of the circumstances, the defendant was placed under arrest for DUI and transported to Central Breath Testing. Once at Central Breath Testing, the defendant provided a lawful breath sample which had a BrAC result of .174 / .159.

The Defendant was charged with DUI (Over .15) and issued the following citations:
AJJ63OE – DUI (Over .15)
ALQSZIE – Driving without Lights at Night

The defendant was positively identified via Florida Driver's License.
