☐ Mirsy's Law CVI
FL. Const. Art.1 § 16(b)

On Friday, March 10th, 2023, at approximately 2258hrs, while at the intersection of Glades Road and S. South Road 7, I was stopped in the northbound lanes, in the outside lane. While waiting for the traffic control device to turn green so that I could continue northbound, a silver 2023 Volkswagon Tiguan (FL Tag: KMEX92) passed me at a high rate of speed. The vehicle entered the intersection while there was a steady red light. After she entered the intersection, a red vehicle (unknown make, model, or tag) had to slam on its brakes to avoid hitting the silver Volkswagen. I then activated my emergency lights and sirens and conducted a traffic stop. The silver Volkswagon pulled into the Mission Bay Office Plaza (20283 S. State Road 7 Boca Raton, FL), and I made contact with the driver and sole occupant of the vehicle (identified via Florida's Drivers License as Rachel Lee Bielert). I approached the front passenger-side window and instructed Rachel to lower the window. When she lowered the window, I could smell a strong odor of an alcoholic beverage emanating from the vehicle's interior. Rachel seemed confused and disoriented; her eyes were bloodshot and glossy. When I explained the reason for the traffic stop, she seemed confused and did not remember running the traffic light. She did not remember seeing my marked unit at the intersection and did not remember seeing another vehicle avoid crashing into her. Based on my observations, Rachel may have been under the influence of alcohol or an unknown substance; therefore, I contacted Deputy Pointu from the D.U.I. unit to respond. When he arrived, I turned over the investigation to him.

☐ **Marsy's Law CVI**
FL. Const. Art.1 § 16(b)

After being arrested for DUI and while in the holding cell at the Breath Alcohol Testing center, I presented the citations and rough arrest to Bielert to sign. I explained to her that signing was not and admission of guilt but a promise to appear in court. Bielert read the paperwork attentively, and slowly. She signed the rough arrest first. She then spend a few minutes reading the DUI citation and eventually signed it after I explained to her multiple times it was not an admission of guilt but a promise to appear. I also explained to her multiple times that the citation was her temporary driver license for the next ten days. I then presented to her the citation for going through the red light. Bielert continued to argue with me. As a signature was not required on this citation, after a few minutes when she still did not sign it and she was reading over and over the same lines, I asked her to give me back the paperwork. I grabbed the clipboard and she forcefully pulled away from me, and raised her other hand with the pen toward my face. She then pushed me, yelling at me. I took the pen away from her hand that broke while she continued to hold on it. Bielert then went forward, pushing me again blocking the holding cell door. I asked her to go back in her cell. She grabbed tightly on the frame of the door, screaming at me and I had to forcefully push her back into her cell to be able to close the door.

I had probable cause Rachel Bielert did actually and intentionally touch or strike Investigator Pointu against the will of Investigator Pointu while Investigator Pointu was engaged in the lawful performance of a duty and while Rachel Bielert knew that Investigator Pointu was a law enforcement officer, contrary to Florida Statute 784.03(1) and 784.07(2)(b).
