PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody . . .

☐ committed the below acts in my presence.
☒ confessed to MYSELF admitting to the below facts.
☒ was observed by WHEEL WITNESS who told MYSELF that he/she saw the arrested person committ the below acts.
☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 23 day of May, 2023 at 08:32 (Specifically include facts constituting cause for arrest.)

At approximately 05:08 on 05/23/2023, I responded to a single-vehicle crash at 353 S US Highway 1 (Twisted Tuna). Dispatch advised the caller stated a white Fiat hit a light pole. The caller advised the vehicle is on the grass, still running, and a female is behind the wheel still breathing. The caller stated she will wait for the officer`s arrival.

Upon my arrival, Officer Turner, Sergeant Cook, and Palm Beach County Fire Rescue were on scene. Officer Turner advised the caller told him they were delivering newspapers when they saw the white Fiat bearing FL tag IT28UK on a knocked down light pole and a female in the driver`s seat. Officer Turner told me when he arrived the female and later found to be the offender, Rebecca Ann Barczewski; W/F; 04/07/1988; was in the driver`s seat sleeping. Officer Turner turned the vehicle off. Sergeant Cook told me he had to reach into the vehicle and pull the key out because it was still in drive.

Palm Beach County Fire Rescue transported Barczewski to Jupiter Medical Center, run #PBC23061379.

Upon my arrival at Jupiter Medical Center, I introduced myself and began asking Barczewski questions about the traffic crash. Barczewski was extremely upset and could not tell me specifics about the traffic crash. I asked Barczewski if she knew where she was coming from and she stated the Dive Bar. I asked Barczewski where she was going and she said her house. As Barczewski spoke I could smell the odor of an unknown alcoholic beverage coming from her breath. I then asked Barczewski if she knew where the crash occurred and she said Dive Bar. I told Barczewski the crash occurred at Twisted Tuna and she put her hands up in a defensive manner and said she has never gone to Twisted Tuna. Barczewski then stated she has never been drinking at Twisted Tuna and then went to her house. Barczewski repeated multiple times she has never gone to Twisted Tuna and had trouble completing thoughts and statements. I asked Barczewski if she remembered

anything about the crash and she said no and began crying again and asked what she did multiple times. I advised Barczewski I was finished with the crash investigation and that I would be starting a DUI investigation. (See HSMV Crash Report #25457673.) I read Barczewski Miranda Warnings and she stated she understood.

I asked Barczewski how many drinks she had a Dive Bar, she stated she had one, a tequila mule. I asked Barczewski if she took any medications, and she advised she is prescribed Metoprolol 25MG and Duloxetine 60MG. Barczewski advised she last took Metoprolol 3 days ago and Duloxetine last night.

Based on my observations so far I asked Barczewski if I could look at her eyes, and she consented. Barczewski advised she does not have any physical defects or disabilities, she does not have any problems with her eyes, and she is not wearing contacts.

I advised Barczewski of the instructions for Horizontal Gaze Nystagmus, she stated she understood and had no questions. Barczewski did not have resting nystagmus, her pupils were of equal size, and she had equal tracking. Lack of smooth pursuit, distinct & sustained nystagmus at maximum deviation, the onset of nystagmus prior to 45 degrees, and vertical gaze nystagmus were present in both of Barczewski`s eyes.

As a result of the above investigation, I placed Barczewski under arrest for driving under the influence.

The ER Doctor had not started an exam on Barczewski and at this time obtaining a breath sample from Barczewski would be impossible or impractical due to the unknown length of stay at Jupiter Medical Center.

After placing Barczewski under arrest, I requested that she provide a lawful sample of her blood for the purpose of determining the alcohol content and the presence of chemical and/or controlled substances. Barczewski consented and a blood sample was taken by a Jupiter Medical Center Nurse.

Barczewski was charged with driving under the influence pursuant to Florida State Statute 316.193(3)(c)(1).

Barczewski was medically cleared from Jupiter Medical Center. I placed handcuffs on her, double-locked them, checked for proper spacing, and placed her in the back right seat of my patrol vehicle. She was then transported to Palm Beach County Jail without incident.

The blood sample Barczewski provided was submitted to the Jupiter Police Evidence Department for toxicology analysis. The results of the toxicology analysis are pending.
