The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 1/20/2024, at 14390 N Dale Mabry Hwy, Deputy Saponara (ABN 247941) contacted the Defendant on a traffic crash investigation (HSMV# 26537338 // 24-62711). Witness, Jon Kelley, positively identified Robert Ehrisman as the driver of the GMC Sierra that was involved in the accident. The crash caused approximately $8000 in damages. Dep. Saponara observed several indicators of impairment from the defendant. Defendant emitted the odor of an alcoholic beverage from his breath, slurred speech and bloodshot watery eyes. Defendant refused to perform the Field Sobriety Exercises. I advised the Defendant the exercises were to confirm or dispel any suspicion of impairment, their refusal to participate in field sobriety exercises could be used against them in any administrative or criminal proceeding, and I would have to make a decision if they were impaired based on the totality of the circumstances and indicators of impairment observed. Defendant still refused to participate in the field sobriety exercises and was subsequently taken into custody for DUI. Defendant refused to provide lawful breath samples, after being read Implied Consent. Defendant was identified via a valid Florida Driver License card.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
