Probable Cause

On Wednesday, May 17th, 2023 at approximately 5:23 PM, I Trooper Kens Depeine ID#:1550 was in service in Palm Beach County FL. I was dispatched by Lake Worth Regional Communication Center (LWRCC) to an incident that occurred southbound on Interstate 95 (State Road 9) exit ramp to County Road 812 (Lantana Road), in reference to a two (2) vehicle crash.

As I was responding to the crash scene, the LWRCC advised me that one of the involved vehicles left the scene and possibly struck the other driver with its vehicle.

I arrived on scene minutes later, upon my arrival I observed a Palm Beach Gardens Police officer who later was identified as Officer Borgela ID#: 534. Officer Borgela advised me that he did not witness the crash. But he provided me the information of a witness and the information of one of the drivers who was already transported by Palm Beach Fire Rescue Run#: 23059079 to JFK Hospital and he provided me a Florida Tag: AP95BM that was attached to the white Ford that left the scene. The tag was provided by the driver who got transported which he was captured via cellphone.

After I spoke to Officer Borgela, I observed a white Nissan, Van style; bearing a Florida Tag: KSAY64, the white Nissan was on the inside left turn lane with right side damage , facing north. The white Nissan was the only involved vehicle on scene and was driven by the person who was transported to JFK.

While on scene, Officer Borgela gave me a phone number of a witness whom I contacted. The witness was later identified by his Florida Driver's License (FL DL: H-360-500-48-361-0: as Mr. Kurt Heiter. Mr. Heiter stated to me that he did not witness the crash between the two vehicles, but he saw the moment when a white pick-up ran over a Hispanic male and drove off on the right shoulder.

As I was on scene, I ran the Tag of the suspect vehicle via Florida Crime Information Center/National Crime Information Center (FCIC/NCIC). The tag came out to a white Ford Maverick that registered to a company named: South Florida Yacht Support. I found a number for the company and called it. I was able to speak to Mr. Ryan Godbeer who was one of the managers of the company. Mr. Godbeer stated to me that his company owns the white Nissan and person who was driving the vehicle already explained to them what happened. I was able to get a first and last name of person who was driving the vehicle by the manager. Mr. Godbeer stated to me that Mr. Ryan lived in palm Beach. Later on, I was able to identify him by his Florida Drivers' License (FL DL: M-213-730-81-342-0) as Ryan James Mcfadden.

After I cleared the crash scene, Trooper Alexandro Costales ID#: 1080 and I responded to JFK hospital to interview the driver of the Nissan Van. I arrived at the hospital, I identified the driver by his Florida Driver's License (FL DL: C-652-201-53-424-0) as Mr. Ever Audino Ceron Gomez. Mr. Gomez had language barrier (Spanish Speaker) which he was more comfortable using his native language to explain the situation. Trooper Costales who was my back up officer and fluent Spanish speaker; was able to translate from English to Spanish and Spanish to English to better understand the incident.

Mr. Ceron confirmed that he was the driver of the white Nissan van and advised that he was traveling on the apex approaching Lantana exit and the white Ford was on his right side attempting to pass him on the apex. As a result, the left side of the white Ford collided with the right side of the Nissan van. Mr. Ceron stated that the white Ford attempted to leave the scene after the collision and trapped in traffic. Mr. Ceron stated that he used his white Nissan to block the white ford in a way to stop it from leaving. Mr. Ceron then got out his vehicle attempted to take picture of the driver of the white of white Ford. Mr. Ceron advised that the the driver of the white Ford started to accelerate while standing in front of the vehicle. Consequently, the front of the white Ford struck Mr. Ceron right body side. (From shoulder all the way to the leg area) I was able to see and take pictures of the injuries of Mr. Ceron while he was at the hospital. Mr. Ceron some bruise and the right leg area, some bruise on the hip and the right arm was possibly broken as dislocation. (Mr. Ceron was not able to lift his right arm up).

After interviewing Mr. Ceron from the hospital, Trooper Costales and I made a David search to see if we could find an address. The search came out with fifteen (15) records showed up but only one with Palm Beach county address.

Trooper Costales and I responded to the Palm Beach address received from David (2488 HENRIETTA CT LAKE WORTH FL 33462) . Upon arrival, we observed the white Ford park in front of the house. I checked the white Ford which I observed the vehicle had left side damage which appeared to be consistent with the white Nissan van damage. I went to the back of the white Ford I observed a Florida Tag: AP95BM which the tag captured by Mr. Ceron prior left the scene.

I walked to the front of the house and knocked the front door. A white male came out to open the door. I asked him if he was Mr. Ryan James McFadden. He stated "Yes" Mr. McFadden was identified by his physical driver's license. I asked Mr. McFadden if he was driving the white Ford Pick-up Truck. He stated "Yes" I asked Mr. McFadden what happened. Mr. McFadden stated that he would remain silent as he was instructed by his lawyer.

I attempted to talk to Mr. McFadden regarding the crash to get a better understand of the situation. He refused to talk.
I advised Mr. McFadden due to information provided from witness and the other driver. He would be under arrest for leaving the scene of a crash.

Mr. McFadden was placed under arrest on Wednesday, May 17th, 2023 at 8:23PM. He was later transported to that Palm Beach County Sheriff's Office.
Mr. McFadden committed the offense of Leaving the Scene of a crash Injury or Death as outlined in Florida State Statute 316.027 (2) (a).

Mr. McFadden was booked without incident.
