The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody..

☒ Committed the below acts in my presence. ☐ Was observed by ____ Who told ____ That he/she saw the arrested person commit the below acts.

☐ Confessed to ____ Admitting the below facts ☒ Was found to have committed the below acts, resulting from my (described) investigation.

On The 12th Day Of February 2023 At 0112 ☒ A.M. ☐ P.M.

I was dispatched to 9754 Nickels Blvd in reference to an ongoing caller, later identified as Ryan Thompson, contacting BBPD communications advising that someone has been hacking his phone and wanted communications to provide him with AT&T contact information. On February 12, 2023 at 0015 hours, I responded to the residence and make contact with Thompson regarding the same issue; however, he refused to open the door.

Upon my arrival the second time this evening, I made contact with Thompson. Before Thompson opened the door, he was advising communications while landline and myself that somebody had been hacking his phone.

Once outside, Thompson handed over his cell phone to me and advised that this is the phone being hacked. He then provided his landline phone and advised that he was calling 911 via the landline.

Due to Thompson calling 911 twice in the evening regarding his cell phone being hacked, I detained him (double-locked and checked for spacing) and escorted him to my BBPD marked unit 4737.

Thompson was then read his Miranda Rights. Post Miranda, Thompson advised that his phone, his brother's phone and his mother's phone had been hacked. When asked why he was calling the emergency reserved for life and death situations, he advised that he had the hacker on his cell phone and needed to contact 911.

Due to the aforementioned incident, I find probable cause to charge Thompson with Misuse of 911 pursuant to F.S.S. 365.172(16). Thompson was arrested and transported to BBPD for processing and later taken to PBCJ for intake.
