PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 22 day of July, 2023 at 00:55 (Specifically include facts constituting cause for arrest.)

On Saturday, July 22, 2023, at approximately 0055hrs I, Ofc. Badolati #552 responded to Evergrene Parkway and Vintner Blvd, Palm Beach Gardens FL, reference to a report of a crash. My department issued body worn camera was utilized during this investigation.

Upon arrival, Northcom advised officers that a white SUV had crashed into a tree on the roundabout at the above location. I arrived on scene and observed a white BMW bearing Florida registration 99ATWB with front-end damage. Ofc. Lovett #523 was able to make contact with the witness, Blake L Nash who stated she did not observe the crash occur, but she observed a white female exit the vehicle after the crash happened. I was able to make contact with the female, Saliha L Buyuksu, who Nash stated she observed exit the vehicle through the driver side door. Buyuksu stated she had injured her bottom lip from the crash. Palm Beach Gardens Fire Rescue arrived on scene and transported Buyuksu to Palm Beach Gardens ER, located at 3360 Burns Road, Palm Beach Gardens FL (PBGFR Run #PBG 23008146).

I then arrived at Gardens ER and spoke to Buyuksu about the crash. Buyuksu stated she was heading home and was going around the roundabout in the right lane to make a right-hand turn onto Evergrene Parkway. Buyuksu stated a gray or white colored Lexus SUV (unknown tag) was in the left lane and cut her off causing her to swerve out of the way and crash into the tree.

While speaking to Buyuksu, I observed her to have glassy blood-shot eyes, a slow slurred speech, and the odor of an unknown alcoholic beverage emitting from her breath that grew stronger as she spoke. At this time, I informed Buyuksu that this investigation would be switching from a crash investigation into a DUI investigation. I asked Buyuksu where she was coming from before the crash and she stated she was coming from Jumby Bay, located at 1203 Town Center Dr, Jupiter FL, where she had one glass of wine. Buyuksu stated that before going to Jumby Bay, she was at Waxins, located at 5300 Donald Ross

Rd, Palm Beach Gardens FL, where she also had one glass of wine. It should also be noted that inside Buyuksu`s vehicle, officers observed a clear plastic cup containing an unknown alcoholic beverage in her purse. Buyuksu stated she would participate in Standardized Field Sobriety Exercises and advised me she had no medical problems that would affect her performing the exercises.

The first exercise conducted was the Horizontal Gaze Nystagmus. The stimulus used was a Zebra F301 pen. I observed equal tracking and a lack of smooth pursuit in both eyes. Buyuksu had involuntary jerking in both eyes at maximum deviation and the onset of Nystagmus in both eyes prior to 45 degrees. During the exercise, Buyuksu was instructed once to not move her head and only follow the tip of the pen with her eyes.

The second exercise conducted was the Walk and Turn. The line used for the walk and turn was a white strip of tape. Buyuksu had to be informed of the instructions more than once due to her not understanding the exercise. Buyuksu failed to maintain the starting position and began performing the exercise without being instructed to begin. Additionally, during the instruction stage Buyuksu was unable to keep her balance while listening to instructions and had to raise her arms more than six inches from her side for balance. During step five, Buyuksu stepped off the line and lost her balance causing her to raise her arms more than six inches from her side. Buyuksu also failed to count out loud and completed ten steps forward, which was an incorrect number of steps. During the steps forward and back, Buyuksu failed to maintain heel to toe steps during every step.

The next exercise conducted was the One-Leg Stand. Buyuksu had to be informed of the instructions more than once due to her not understanding the exercise. I then informed Buyuksu to begin the exercise and while raising her leg she failed to count out loud as instructed. I informed Buyuksu to count out loud and Buyuksu stated she did not understand and placed her foot down. I informed Buyuksu again of the instructions, to which she stated she understood. During the exercise, Buyusku counted in the following manner, "1000,2000,3000". Additionally, Buyusku placed her foot down three times and was unable to perform the exercise.

Based on my investigation, I placed Saliha L Buyuksu under arrest at 0146hrs. I was then informed by Palm Beach Gardens ER medical staff that Buyuksu would be medically cleared in two hours. Due to this information, I asked Buyuksu if she was willing to submit to a lawful test of her blood to determine its alcohol content, which she stated she did not understand. After explaining to Buyuksu of the test multiple times, Buyuksu stated she refused. I then read Buyuksu the Florida Implied Consent, which she did not understand and did not know whether she wanted to submit to the test. Buyuksu was unable

to give me a clear answer of whether she would submit to the test, and at 0219hrs Buyuksu refused to submit to the test.

Based on the results of this investigation, I established probable cause showing Saliha L Buyuksu was in actual physical control a motor vehicle, in the state of Florida, while under the influence of alcohol, to the extent her normal faculties were impaired, in violation of F.S.S 316.193 (1)(A). After Buyuksu was medically cleared from Palm Beach Gardens ER, she was transported to Palm Beach County jail without incident.
