The following incident occurred in Broward County FL on the date of 11/22/20 I, Trooper Diaz, was performing my law enforcement duties as a member of the FHP I was in a marked patrol unit of FHP0475 which has an in car camera The in car camera was utilized for the investigation Trooper Fanfan (1853) was driving my patrol vehicle as he was completing the field training program Trooper Corominas was on scene of a crash in the area of Interstate 95 (State Road 9) near the exit to State Road 736 (Davie Boulevard). Trooper Corominas contacted me via cellphone to advise that he needed assistance I responded to the scene

Upon my arrival, I observed a blue SUV and a white BMW that appeared to be involved in the collision Trooper Corominas briefed me on the incident Trooper Corominas advised me that the male and the female in the white BMW appeared to be involved in a domestic incident The male was in the driver seat, and had indicators of impairment Trooper Corominas needed to conduct a DUI investigation on the driver The driver also had fresh markings on his face from strikes incurred from the female in the vehicle Trooper Corominas needed assistance due to the two separate investigations occurring, and the two parties could not be together for a domestic investigation

I approached the white BMW and looked at the occupants The male was in the driver seat, and had fresh bruising and markings on his face The female was in the passenger seat I could smell the strong odor of alcohol permeating the air as I spoke to the occupants

Trooper Morejon (1871) was completing the field training program with Trooper Corominas Through Trooper Morejons investigation, he read the male with the fresh markings to his face Miranda rights The male victim was identified by a FL DL as Alan St Louis date of birth of 5-25-79 Post Miranda Trooper Morejon asked the male victim how did he get the markings on his face The Male victim explained that he was driving his vehicle, and both parties started arguing The male victim advised that the female occupant then grabbed the steering wheel and steered it in a manner for the occupants to lose control. The male victim then advised that the female occupant struck him several times in the face The male
